WIPFLI

Independent Auditor's Report

Board of Trustees
Greenheck Fan Corporation 401(k) & Savings Plan
Schofield, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Greenheck Fan Corporation 401(k) & Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Greenheck Fan Corporation 401(k) & Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greenheck Fan Corporation 401(k) & Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greenheck Fan Corporation 401(k) & Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greenheck Fan Corporation 401(k) & Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greenheck Fan Corporation 401(k) & Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Board of Trustees
Greenheck Fan Corporation 401(k) & Savings Plan
Schofield, Wisconsin

We were engaged to audit the accompanying financial statement of Greenheck Fan Corporation 401(k) & Savings Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the 2020 financial statement in accordance with accounting principles generally accepted in the United States of America (GAAP); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Matrix Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the 2020 financial statement. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Trustee as of December 31, 2020, that the information provided to the plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the Trustee, have been audited by us in accordance with GAAS and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Greenheck Fan Corporation 401(k) & Savings Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was originally effective on April 1, 1994. It was amended and restated on January 1, 2020. It is a defined contribution plan covering any employee of Greenheck Fan Corporation (the "Company") who is a nonunion, Schofield Local 565, AP Division Local 565, Minnesota Local 10, Frankfort Local 110, Rocklin Local 104 - District 2, Tennessee, or North Carolina employee, excluding temporary employees, high school students, and students working in a cooperative program or internship through a post-secondary educational institution. Employees are eligible to participate in the Plan upon meeting certain criteria as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are allowed to contribute, on either a pretax or a Roth basis, up to 75% of compensation as defined by the Plan, up to the annual maximum allowed by the Internal Revenue Service (IRS) on a calendar-year basis. If newly eligible employees do not make an affirmative election to contribute or not to contribute to the Plan, they are automatically treated as having made a deemed election to contribute to the Plan at a rate equal to 3% of their compensation (6% of compensation for Rocklin Local 104 - District 2, nonunion, Tennessee and North Carolina employees). Until such time as an affirmative election is made, the deemed election contribution rate will increase annually by 1% (with a maximum deemed election of 6%, but 12% for nonunion, Tennessee and North Carolina employees, and 7% for Frankfort Local 110 and AP Division Local 65 employees). Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contribution into various investment options offered by the Plan. Contributions are subject to certain limitations.

The Company may make a discretionary matching contribution to eligible nonunion, North Carolina, Tennessee, Schofield Local 565, Rocklin Local 104 - District 2, AP Division Local 565, and Frankfort Local 110 employees of a percentage of the participant's elective deferrals as determined by the Company's Board of Directors. This contribution is allocated and credited per pay period to each participant's account with a true-up at year-end. Discretionary matching contributions were \$9,679,261, net of forfeitures, for the year ended December 31, 2021.

The Company may also make qualified nonelective contributions to the Plan. Qualified nonelective contributions were \$22,602 for the year ended December 31, 2021. Refer to Note 9 for additional information.

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and rollover contributions, the Company's contributions (as previously defined) and allocations of (a) plan earnings (losses), and (b) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The Plan was amended to provide that all participants entering the Plan after January 1, 2016, are immediately vested in all participant and Company contributions plus actual earnings (losses) thereon. Prior to the 2016 amendment, participants who were members of certain collective bargaining units vested at a rate of 20% per year beginning with the second year of service. Those participants were fully vested in the Plan's contributions after six years of continuous service in which the participant worked at least 1,000 hours in each year.

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance. Loan terms range from one to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Interest rates on existing loans range from 4.25% to 10.25%. Principal and interest are paid ratably through payroll deductions.

Effective March 27, 2020, the Plan adopted a provision of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, including delayed loan repayments for qualifying individuals who had an outstanding loan balance with payments due between March 27, 2020 and December 31, 2020. The Plan has been amended to reflect this operational change.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant (or a participant's beneficiary in the case of death) may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, annual installments over a period of time, or non-periodic payments on demand (ad hoc). If the participant's vested account balance does not exceed \$1,000, it can be distributed only in a lump sum payment on the first distribution date after the participant terminates employment with the Company, or as soon as administratively feasible following that date. If a participant leaves the Company before the normal retirement age, as defined in the plan document, the participant will receive 100% of participant deferrals and rollovers in addition to vested Company contributions. In addition, hardship distributions out of the participant's accounts are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59½.

Note 1: Description of Plan (Continued)

Payment of Benefits (Continued)

Participants who are automatically enrolled in the Plan may withdraw their aggregate deferral contributions adjusted for earnings (losses) within 90 days of their first deferral contribution.

Effective January 1, 2020, the new IRS hardship distribution regulations were implemented to allow participants to have access to earnings on the deferral portion of their account, to eliminate the six-month suspension period subsequent to receiving a hardship distribution, and to eliminate the requirements to exhaust plan loans. The Plan has been amended to reflect this operational change.

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming 100% vested in the Company's contributions. Forfeitures of Company contributions shall be used to pay plan expenses, and if any forfeitures remain, they shall be reallocated as Company contributions. The amount of forfeitures available at December 31, 2021 and 2020, was \$54,238 and \$2,175, respectively. Forfeitures in the amount of \$54,238 were used to offset Company contributions for the year ended December 31, 2021.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by investment advisors and Matrix Trust Company, the Trustee of the Plan. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Greenheck Fan Corporation 401(k) & Savings Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company absorbs various plan expenses including audit fees. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are included in administrative expenses and allocated proportionately to participants. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are also included in administrative expenses. Investment advisory and management fees are paid by the Plan and are allocated proportionately to plan participants based on their respective account balances and are included in net investment income.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would be used only if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Greenheck Fan Corporation 401(k) & Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust - Morley Stable Value Fund: Valued at fair value by using a discounted cash flow methodology where the individual contract cash flows are discounted at the prevailing interpolated yield curve rate as of year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Collective trust	\$ -	\$ 41,058,805	\$ -	\$ 41,058,805
Mutual funds	480,679,093	-	-	480,679,093
Total investment assets at fair value	\$ 480,679,093	\$ 41,058,805	\$ -	\$ 521,737,898

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Collective trust	\$ -	\$ 45,057,898	\$ -	\$ 45,057,898
Mutual funds	419,201,210	-	-	419,201,210
Total investment assets at fair value	\$ 419,201,210	\$ 45,057,898	\$ -	\$ 464,259,108

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments, notes receivable from participants, and non-interest-bearing cash held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company (the Trustee of the Plan).

Greenheck Fan Corporation 401(k) & Savings Plan

Notes to Financial Statements

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Plan investments are managed by the Trustee, as defined by the Plan. Third-party administrative and investment advisory fees related to the administration of the Plan were paid by the Plan. Therefore, these transactions qualify as party-in-interest. Fees paid to the Trustee are not considered prohibited transactions under ERISA. Fees paid to Milliman, Francis Investment Council, LLC, and the Trustee were \$337,824, \$70,720, and \$125,303, respectively. Investment expense was offset by rebate income from the Plan's mutual fund investments of \$63,763.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

Note 7: Tax Status

The IRS has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Beginning in March 2020, the United States economy began suffering adverse effects from the COVID-19 virus crisis ("CV19 Crisis"). The Company's operations have not been significantly impacted by the CV19 Crisis, however the Company continues to monitor the situation. Negative impact to the Company's results of operations, cash flows, and financial condition, and the ability for the Company to continue to make contributions to the Plan cannot be reasonably estimated or determined at this time.

Greenheck Fan Corporation 401(k) & Savings Plan

Notes to Financial Statements

Note 9: Voluntary Compliance Program

The Company failed in operation to apply a consistent method to process contribution rate changes initiated by participants or by plan provisions as required by Section 3.1 of the plan document. The Company corrected this operational error related to contributions under the IRS's Employee Plans Compliance Resolution System. At December 31, 2020, a receivable of \$153,095 was included in the Company contributions that applies to plan years 2012 through 2020. During 2021, \$172,078 was funded to the Plan to correct the error for plan years 2012 through 2021. No provision for income taxes has been included in the Plan's financial statements related to the foregoing matters because the Company believes the Plan continues to be qualified, and the tax status of the related trust continues to be exempt.

Note 10: Prohibited Transactions

Under DOL Reg. 2510.3-102(b), the Company is required to remit the employee contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Company's general assets, but no later than the fifteenth business day of the month following the date that participant contributions are withheld by the Company. As reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, contributions for a payroll during the plan year ended December 31, 2021, totaling \$786, were remitted outside the 15-day requirement. This transaction constitutes a prohibited transaction as defined by ERISA.
