INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Community Motors Co., Inc. Savings Plan
Cedar Falls, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Community Motors Co., Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Community Motors Co., Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Motors Co., Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Motors Co., Inc. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Motors Co., Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Motors Co., Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Community Motors Co., Inc. Savings Plan
Cedar Falls, Iowa

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Community Motors Co., Inc. Savings Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these 2020 financial statements based on conducting the audit in accordance with U.S. generally accepted auditing standards. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan trustees instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 3 and 4, which was certified by Principal Life Insurance Company, the custodian of the plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan trustees that the custodian holds the plan's investment assets and executes investment transactions. The plan trustees have obtained a certification from the plan's custodian, as of and for the year ended December 31, 2020, that the information provided to the plan trustees by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the plan's custodian, have been audited by us in accordance with U.S. generally accepted auditing standards and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

COMMUNITY MOTORS CO., INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Community Motors Co., Inc. (Company) Savings Plan (plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

a. General

The plan is a defined contribution plan with 401(k) plan provisions covering all employees of Community Motors Co., Inc., Mason City Ford-Chrysler, Community Buick GMC, Community Auto Plaza, JTS Management Co., Inc., and Community Wholesale Co., Inc. who have attained age 21 and have completed one year of service. Employees are automatically enrolled in the plan with a 2% automatic deferral rate unless the employee opts out of participating in the plan. The Board of Trustees is responsible for oversight of the plan. The Investment Committee determines the appropriateness of the plan's investment offerings, monitors investment performance and reports to the plan's Board of Trustees. The plan is subject to the provisions of the Employee Retirement Income Security Tax Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act of 2020 (the "CARES Act") was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the plan and approved changes to the plan in 2020 to temporarily (i) add COVID-19-related distributions of up to \$100,000 for eligible participants, and (ii) suspend required minimum distributions for 2020. These temporary CARES Act provisions expired at the end of 2020. The plan will be amended to reflect these changes prior to the December 31, 2022 deadline.

b. Contributions

The Company makes matching contributions equal to 100% of participant's elective deferral contributions up to 2%. Participants may elect to contribute any amount of their annual wages as defined in the plan subject to the following limitations. The maximum amount an individual can contribute to the plan in any calendar year is limited to the applicable limit under the Internal Revenue Code Section 402(g). The maximum amount under the Internal Revenue Code Section 402(g) is \$19,500 for each of the years ended December 31, 2021 and 2020. In addition, participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The maximum catch-up contribution is \$6,500 for each of the years ended December 31, 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Roth option is available as an investment option under the plan.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contributions, as well as allocations of plan earnings. In addition, contract fee expenses are deducted from each participant's account. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (Continued)

d. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

e. Hardship Withdrawals

The amount of the withdrawal cannot exceed the amount of the hardship but may include the amount necessary to pay federal and state taxes. Hardship withdrawals can be for medical expenses, costs to purchase principal residence, tuition, or related educational fees for the next twelve months of post-secondary education, payments to prevent eviction from principal residence, payments for burial or funeral expenses and expenses for the repair or damage to principal residence that would qualify for the casualty deduction under the Internal Revenue Code. Earnings on accounts may not be included in the hardship withdrawal.

f. Retirement, Disability and Death Benefits

On termination of service due to retirement, disability or death, the plan permits several payment options, including lump sum payments, life and joint and survivor annuity and period certain annuities. The plan also provides for certain in-service withdrawals of elective deferral account balances, including hardship and withdrawals at age 59½, as defined in the plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

2. Summary of Accounting Policies

a. Basis of Accounting

The financial statements of the plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

b. Investment Valuation and Income Recognition

The plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the plan's gains and losses on investments purchased and sold as well as held during the year.

2. Summary of Accounting Policies (Continued)

c. Payments of Benefits

Benefits are recorded when paid.

d. Management Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

e. Administrative Expenses

Certain expenses of the plan are paid by the plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

f. Date of Management's Review

Management has evaluated subsequent events through October 10, 2022, the date the financial statements were available to be issued.

3. Guaranteed Interest Accounts with Principal Life Insurance Company (Unaudited)

The plan has a fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account product. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Because the guaranteed accounts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed accounts. The guaranteed accounts are presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the plan by Principal Life Insurance Company, represents contributions made, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the group contract issuer or otherwise. The plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS

3. Guaranteed Interest Accounts with Principal Life Insurance Company (Unaudited) (Continued)

Certain events might limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan trustees do not believe any events, which would limit the plan's ability to transact at contract value with participants, are probable of occurring.

The group contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The yield for the years ended December 31, 2021 and 2020 ranged from 1.19% to 1.20% and 1.11% to 1.40%, respectively.

4. Fair Value Measurements (Unaudited)

The plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the report date.

The following tables sets forth by level, within the fair value hierarchy, the plan's investments at fair value as of December 31, 2021 and 2020.

Investments at Fair Value as of December 31, 2021		
	Level 2	Total
Pooled separate accounts	\$ 6,407,623	\$ 6,407,623

4. Fair Value Measurements (Unaudited) (Continued)

The fair value measure accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, level 2 inputs include quoted prices for similar assets and liabilities in active markets, and level 3 inputs have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the plan measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when level 1 or level 2 inputs were not available. The plan had no level 1 or level 3 measurements as of December 31, 2021 and 2020.

Accounting guidance on fair value measurements are classified and disclosed in one of the following three categories:

Level 1 Fair Value Measurements:

Inputs for the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs for the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

5. Income Tax Status

Subsequent to year end, the plan obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

See Independent Auditor's Report.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

7. Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$1,438 and \$2,805, respectively. These accounts will be reallocated to participants in the same manner as employer contributions. Forfeitures of terminated participants' non-vested accounts are used to reduce the Company's match and plan contract expenses.

8. Related Party Transactions

Certain plan investments are managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian of the plan assets and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan are included in net appreciation (depreciation) in fair value of the investments. Contract fees paid by the plan amounted to \$5,422 and \$4,443 for the years ended December 31, 2021 and 2020, respectively. The Company pays administrative expenses to Principal Life Insurance Company and the auditing firm.

Certain employees and officers of the Company, who may also be participating in the plan, perform administrative services to the plan. The Company does not charge fees for these administrative services to the plan.

9. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect each participant's account balances and the amounts reported in the statements of net assets available for benefits.

10. Other Matter

The recent COVID-19 outbreak in the United States has disrupted the plan sponsor's operations. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. Accordingly, the plan expects this matter to impact its net assets available for benefits, however, the related financial impact and duration cannot be reasonably estimated at this time. The Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted in March 2020 in response to the outbreak, which among other things contains numerous tax, emergency funding and other provisions that affect certain retirement plan provisions.

11. Subsequent Event

After year end and before the July 31, 2022 deadline, the plan's documents were restated to be in compliance with IRS regulations, as part of the cycle 3 restatement period. The new IRS determination letter date for the plan is June 30, 2020, see Note 5.
