We have performed an audit of the financial statements of Federal Realty Investment Trust Savings and Retirement 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial

statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Federal Realty Investment Trust Savings and Retirement 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies of the Federal Realty Investment Trust Savings and Retirement 401(k) Plan (the "Plan") is as follows:

Basis of Accounting

The financial statements of the Plan were prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in a separate account guaranteed interest contract ("SAGIC"), which is considered a fully benefit-responsive investment contract.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's realized gains and losses on investments sold during the year, as well as unrealized gains and losses associated with investments held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans, if any, are reclassified as distributions based upon the terms of the Plan document. There is no allowance at December 31, 2021 or 2020.

Benefit Payments

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE B - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan of Federal Realty Investment Trust (the "Trust") in accordance with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and of Section 401(k) of the Internal Revenue Code ("IRC") of 1986, as amended. The Plan was established on January 1, 1985, amended and restated effective September 1, 2011, and was most recently amended effective February 1, 2022. See Note K to the financial statements for additional information.

On December 31, 2020, Empower Retirement ("Empower") acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). Following an initial transition period, Empower became the sole administrator of this business on MassMutual's behalf subject to an administrative services agreement. Empower has also become the custodian and recordkeeper of this Plan. Additionally, the insurance contracts held by the Plan which were previously issued by MassMutual, are managed by Great-West Life & Annuity Insurance Company ("Great West"), an affiliate of Empower.

Eligibility

All employees, except members of collective bargaining units and leased employees may participate in the elective deferrals portion of the Plan immediately upon employment and are automatically eligible for employer contributions upon their participation. There are no members of a collective bargaining unit as of December 31, 2021.

Contributions

Participants make contributions to the Plan by means of a salary deferral agreement. Participants may defer between 1% and 80% of their compensation, as defined by the Plan. The Plan includes a provision for automatic enrollment of all new participants at a rate of 5% unless they affirmatively elect to contribute at another rate within 30 days of receiving notification of the automatic enrollment provision.

The dollar value of participant contributions may not exceed \$19,500 for calendar year 2021. Certain participants meeting age requirements may contribute an additional \$6,500 catch-up contribution for calendar year 2021.

The Trust makes employer-matching contributions to the Plan on behalf of all qualified participants. Employer-matching contributions are discretionary, and the Trust determines the matching contribution amounts and limits each calendar year. The amount of employer-matching contributions for each eligible participant was 50% of elective deferrals up to 5% of earnings for calendar year 2021. Employees are eligible to receive matching contributions immediately upon their participation. Matching payments for new participants will cliff vest on their third anniversary of employment.

Additionally, the Plan allows for discretionary employer contributions to be made at the end of the Plan year in an amount to be determined by the Trust. There were no such contributions made for the year ended December 31, 2021.

Federal Realty Investment Trust Savings and Retirement 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Trust's contribution and (b) Plan net earnings (losses). Allocations are based upon participant net earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are always 100% vested in elective deferral and rollover contributions. Employees fully vest in their employer-matching contributions after three years of service. Discretionary employer contributions are vested based on years of service, with 100% cliff vesting after three years of credited service. Forfeited balances may be used to offset future employer contributions or to pay administrative expenses of the Plan. Forfeitures available at December 31, 2021 and 2020 were both approximately \$5,000. Employer contributions were reduced by \$35,636 and \$24,083 from forfeited non-vested accounts during 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balances. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan Fund. Loan terms range from one to five years or up to a reasonable time for the purchase of a principal residence not to exceed ten years. The loans are secured by up to 50% of the vested balance in the participant's account and bear interest at a rate determined by the Trust based on prevailing market conditions. Principal and interest are paid ratably through monthly payroll deductions. A participant may have no more than one loan outstanding at any one time.

Payment of Benefits

Upon termination of services for reasons other than death, retirement, or disability, a participant will receive the vested percentage of his or her account balance plus earnings. The distribution can be a lump-sum distribution or may be in the form of an annuity beginning at retirement age if requested by the participant.

In-service distributions are allowed on vested portions of participant accounts if the participant is at least 59½ at the time of the distribution, has incurred a hardship as described in the Plan document, or is in certain qualified active military duty. Additionally, for 5% owners, in-service distributions are required beginning on April 1st following the calendar year in which participants attain age 72, even if they are still employed.

The Coronavirus Aid, Relief, and Economic Security Act or the "CARES Act" was signed into law on March 27, 2020. In April 2020, the Plan adopted certain provisions of the CARES Act, including: adding CARES Act Distributions, which allows qualified individuals to take a coronavirus-related distribution up to \$100,000 from all eligible retirement plans; increased loan amounts for qualifying participants to the lesser of \$100,000 or 100% of vested account balance; allowing qualifying participants to defer loan repayments that would otherwise be due between March 27, 2020 and December 31, 2020; and no longer requiring minimum distributions with effect from April 6, 2020 to December 31, 2020.

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act or the "SECURE Act" was signed into law. In May 2021, the Plan adopted the provision allowing penalty-free withdrawals for birth or adoption expenses at a maximum amount of \$5,000 per child. The request must be made within the one-year period beginning on the date the child is born or the legal adoption is finalized. The withdrawal is exempt from the 10% early withdrawal penalty but will be subject federal income tax or other applicable taxes.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Participants should refer to their Plan document for more information regarding payment of benefits.

Administrative Expense

The participants pay the administrative expenses associated with the Plan. Administrative expenses are recorded on an accrual basis.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions into any of the investment options offered by the Plan.

NOTE C - INFORMATION CERTIFIED BY THE PLAN CUSTODIAN & TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower and Reliance Trust Company, the custodian and trustee, respectively, have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and SAGIC at contract value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D - FAIR VALUE MEASUREMENTS

A fair value measurement is based on the assumption that market participants would use in pricing an asset or liability in an orderly transaction. The hierarchy for inputs used in measuring fair value are as follows:

Level 1 Inputs - Quoted prices in active markets for identical assets or liabilities;

Level 2 Inputs - Observable inputs other than quoted prices in active markets for identical assets and liabilities; and

Level 3 Inputs - Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Federal Realty Investment Trust Savings and Retirement 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

There have been no changes to the valuation methodologies as of December 31, 2021 and 2020. The valuation methodologies used for assets measured at fair value on a recurring basis as of December 31, 2021 and 2020 are as follows:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Common Collective Trusts (CCTs): Valued at the daily closing price as provided by the fund. CCT's are categorized at NAV, as a practical expedient. These funds are valued at their daily NAV and transact at that price.

The following tables set forth by level within the fair value hierarchy, the Plan's investments that were measured at fair value on a recurring basis as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 41,928,107	\$ -	\$ -	\$ 41,928,107
Investments measured at NAV: CCTs ^(a)	-	-	-	28,313,414
	<u>\$ 41,928,107</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 70,241,521</u>
	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 40,378,682	\$ -	\$ -	\$ 40,378,681
Investments measured at NAV: CCTs ^(a)	-	-	-	21,035,782
	<u>\$ 40,378,682</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 61,414,463</u>

- ^(a) In accordance with Topic 820, certain investments that were measured at NAV per unit have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presents in the statements of net assets available for benefits. The beneficial interest of each participant is represented in units, which are issued and redeemed daily at the fund's closing NAV, which is calculated by Empower. There are no unfunded commitments, other redemption restrictions or a redemption notice period related to any of these funds. CCTs file as direct filing entity and, as such, investment strategy disclosures are not required.

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Separate Account Guaranteed Interest Contract ("SAGIC")

The Plan invests in a SAGIC managed by Great West that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charges for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate.

The SAGIC is fully benefit-responsive because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance at contract value.

The average crediting interest rate is calculated by dividing the annual interest credited to the participants during the year by the average annual fair value of the investment. Such interest rates are reviewed periodically (typically quarterly) and cannot fall below 0%. The interest crediting rate was 2.98% and 3.59% for December 31, 2021 and 2020, respectively.

Certain events may limit the ability of the SAGIC to transact at contract value with the issuer. Such events include: (1) material amendments to the SAGIC's structure or administration; (2) changes to the SAGIC's competing investment options; (3) complete or partial termination of the SAGIC, including a merger with another fund; (4) the failure of the SAGIC to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; (5) redemption of all or a portion of the interests in the SAGIC at the direction of the Trust due to bankruptcy, the merger of the Plan with another plan, the establishment of another tax qualified defined contribution plan, etc.; (6) any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the SAGIC; and (7) any communication to Plan participants designed to influence a participant not to invest in the SAGIC. The occurrence of any such event, which would limit the Plan's ability to transact at contract value with the participant is not considered by the Trustee to be probable.

NOTE F - TAX STATUS

The Plan obtained a determination letter on March 31, 2014 in which the Internal Revenue Service ("IRS") stated that the Plan, as designed, was in compliance with the applicable requirements of the IRC under Section 401(a). The Plan has been amended since receiving its determination letter. The Plan's trustees believe that the Plan is currently designed and operated in compliance with IRC and ERISA requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Trust has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. As of December 31, 2021, there are no open tax reviews.

Federal Realty Investment Trust Savings and Retirement 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE G - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provided services to the Plan, an employer whose employees were covered by the Plan, an employee organization whose members were covered by the Plan, a person who owned 50% or more of such an employer or employee association, or relatives of such persons.

The Plan invests in funds managed by MassMutual; therefore, these transactions, as well as notes receivable, qualify as party-in-interest transactions.

NOTE H - PLAN TERMINATION

Although the Trust has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of novel coronavirus disease ("COVID-19") as a pandemic. While the initial unfavorable effects on investment valuations within the financial markets prompted by the news of the outbreak have since reversed, the ultimate impact of the pandemic on the Plan's net assets available for benefits, contributions, and benefit obligations will depend on the duration and continued spread of the outbreak, including any other further developments.

On March 27, 2020, the CARES Act was signed, which took immediate effect and contains several provisions that temporarily impact 401(k) plans, including a new hardship withdrawal option and loan payment deferral option, which ended December 31, 2020.
