AUDITED FINANCIAL STATEMENTS

YEAR ENDED
DECEMBER 31, 2021

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Laurel Business Institute 401(k) Profit Sharing Plan & Trust
Uniontown, Pennsylvania

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT FOR THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of Laurel Business Institute 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Laurel Business Institute 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Fidelity Management Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section-

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Laurel Business Institute 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Laurel Business Institute 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Laurel Business Institute 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Laurel Business Institute 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS (CONTINUED)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER – 2021 SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

The supplemental schedules of assets (held at end of year) and delinquent contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

We were engaged to audit the 2020 financial statements of Laurel Business Institute 401(k) Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Laurel Business Institute 401(k) Profit Sharing Plan and Trust (Plan) only provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Management has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued and has no material subsequent events to report.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Laurel Business Institute, Inc. and Subsidiary (Company, Employer or Sponsor). The Plan is qualified under the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). For salary deferrals, employer matching contributions and profit-sharing contributions, employees must be 18 years of age and complete six months of service before becoming eligible to participate in the plan.

Contributions

Participants may make pretax contributions to the Plan up to the maximum percentage allowable by the IRC. Plan limits are indexed to follow changes in the federal limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Roth deferrals are also permitted by the Plan. The Plan Sponsor will automatically withhold 3% of a participant's compensation and contribute that amount as a salary deferral. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants.

The Employer may elect to match an employee's contributions in an amount equal to a discretionary percentage of the employee's deferrals, to be determined by the Employer. The Employer matches 100% of the employee's contribution up to 2% and 50% of the employee's contributions from 3% to 4% of eligible compensation.

The Employer may also elect to make a discretionary nonelective contribution. Nonelective contributions, if any, are determined annually by the Board of Directors. The participant must complete at least 501 hours during the Plan year or is employed on the last day of the Plan year to be eligible. The participant's share of the nonelective contribution is based on the proportion of the participant's compensation to the total compensation for all eligible participants. The Employer did not declare a profit-sharing contribution.

Participant Accounts

Each participant account is credited with the participant's contribution and an allocation of (a) the Employer's matching contribution, (b) an allocation of the Employer's profit sharing contribution, if any, (c) Plan earnings (losses), based on investment options selected by participants, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions and associated earnings thereon. Vesting in the Employer contributions portion of their accounts is based on years of continuous service. A participant's vesting percentage is 0% after one and two years of service and then 100% vested after completing three years of service.

Notes Receivable from Participants

Participants can borrow from their account a minimum of \$1,000, up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Notes receivable terms range from one to five years except when the use of proceeds is for the purchase of a primary residence in which the term length shall not exceed 10 years. The notes receivable are secured by the balance in the participant's account and bear interest at a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The loans outstanding at December 31, 2021, have an interest rate of 7.50%. Repayments are made through payroll withholdings in accordance with terms of the applicable promissory notes. A \$75 application fee is charged by the Plan to each loan recipient. Also see the Coronavirus Aid Relief and Economic Security Act (CARES Act) disclosure. (Note K)

Payment of Benefits

Participants receive benefit payments based on the vested portion of their account balance upon death, retirement or attainment of age 59½, disability, or termination of employment. Benefit payments in amounts defined by law as "required minimum distributions" must commence by age 70½, unless the participant is an active employee. All benefits other than "required minimum distributions" will be paid in the form of a lump sum or in installment payments over a period not to exceed the participant's or beneficiary's life expectancy.

Participants may request a distribution of a portion of their contributions in the event of a documented financial hardship. The distribution is limited to the amount of the hardship, which must arise from certain events prescribed by law. Recipients of financial hardship distributions are prohibited from contributing to the Plan for at least six months. Also see the CARES Act disclosure. (Note K)

Forfeited Accounts

Forfeited accounts may be used to offset Plan administrative expenses or to reduce future Employer contributions. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$24,698 and \$8,599, respectively. During the year ended December 31, 2021, \$0 of forfeitures were used to pay Plan administrative expenses or reduce Employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Investment Income

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses are determined on the basis of specific identified cost. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Participant loans are presented at their unpaid principal balance plus accrued interest. Interest income is recognized monthly on the accrual basis. Loans are deemed in default if any scheduled loan repayment is not made by the end of the calendar quarter following the quarter in which the missed payment was due.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

The Plan trustee and third-party administrator charge various administrative fees relating to recordkeeping services performed under contract to the Plan. Under no circumstances will compensation be paid by the Plan to the Employer for services rendered as administrator. Certain expenses of maintaining the Plan may be paid by the Employer. The Employer paid \$15,455 in operating expenses on behalf of the Plan during the year ended December 31, 2021.

NOTE C - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1** Inputs in the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- Level 2 -** Inputs to the valuation methodology include:
- Quoted prices for similar assets in active markets.
 - Quoted prices for identical or similar assets in inactive markets.
 - Inputs other than quoted prices that are observable for the asset.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 -** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

Management has elected the method of annual reporting permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, a qualified institution, has certified that the following information included in the accompanying financial statements and the ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Interest (including interest on notes receivable from participants), dividends and net appreciation of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of the year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of management, the Plan's independent auditor did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statement and ERISA-required supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

NOTE E - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE F - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer may discontinue its contributions to the Plan at any time, and terminate the Plan subject to regulations under ERISA. In the event of a Plan termination, participants will become 100% vested in their entire account balance.

NOTE G - COMMITMENT

The Plan's investments include \$741,054 allocated to participants who have withdrawn from the Plan as of December 31, 2021 but have not yet been paid. These participants may elect to withdraw their vested balances at any time.

NOTE H - TAX STATUS

The Internal Revenue Service has determined and informed the Plan by letter dated June 30, 2020, that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE I - PROHIBITED TRANSACTIONS

During the Plan year ended December 31, 2021, employee and employer elective deferrals in the amount of \$9,389 and \$4,457, respectively were not remitted within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA since the Employer had not remitted the lost earnings associated with the late remittances during 2021. The Employer is aware of the occurrence and is taking the appropriate steps to correct the situation and has further implemented a procedure to ensure all future remittances are done within the prescribed time period.

NOTES TO FINANCIAL STATEMENTS

NOTE J - PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by the Fidelity Management Trust Company, which is the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

NOTE K – COVID-19 AND CARES ACT

On March 27, 2020, the CARES Act was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic, and several of the provisions of CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

Hardship distributions - Qualified plan participants were permitted to take a coronavirus- related distribution of up to \$100,000 from the Plan without a 10 percent early withdrawal penalty. Eligible distributions were permitted to be taken until December 31, 2020. Distributions may be repaid within three years, or a participant may elect these distributions to be included in taxable income on a pro rata basis over three years.

Participant loans - Participants with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.

Participant loans - During March 27, 2020 through September 23, 2020, participants may have borrowed up to \$100,000 or 100% of the nonforfeitable account balance (an increase from \$50,000 previously permitted). These repayments may be suspended up to one year under the CARES Act.

Required minimum distributions (RMDs) - A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.
