Parametric Solutions, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audits of the accompanying financial statements of Parametric Solutions, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at Year End as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards (GAAS). For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. DESCRIPTION OF PLAN

The following description of the Parametric Solutions, Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code covering all employees of Parametric Solutions, Inc. (the “Plan Sponsor” or “Company”) who are twenty-one years of age or older. There is no service requirement. The Plan was effective on January 1, 2008 and it is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of the Plan and their beneficiaries’ funds for retirement.

Contributions

Deferral limit

Eligible participants may contribute on a pretax basis 1% to 75% of eligible compensation up to the limits prescribed in the Internal Revenue Code, which was \$19,500 for year ended 2021. Participants may also contribute post tax “Roth” amounts and amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in excess of the statutory limits of \$19,500. The limit on catch-up contributions was \$6,500 for plan years 2021 and 2020.

Automatic enrollment

If the participant does not complete a salary deferral agreement, make investment elections, or decline to participate within 30 days of eligibility, then the Company will automatically withhold 3% of eligible earnings from the participant’s paycheck each payroll period and contribute that amount to the Plan as a Pre-Tax Elective Deferral. The automatic contributions to the Plan will be invested in a default investment fund selected by the Company, which will be identified to the participant prior to the first automatic contribution. The deferrals will increase annually by 1% until the maximum deferral rate of 6% is reached.

Employer contributions

The Company makes a safe harbor matching contribution on 100% of the first 1% of participant elective deferrals plus 50% of the next 5% of elective deferrals, not to exceed a total matching contribution of 3.5% of eligible compensation. The matching contributions are computed on a pay period basis.

Participant accounts and investment options

Participants may direct their deferrals and employer matching contributions into various investment options offered by the Plan through Fidelity Workplace Services, LLC (“the Custodian”). Participants may change their investment elections at any time during the year. Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution and, (b) Plan earnings, and charged with an allocation of administration fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested portion of participant’s account.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Vesting

Vesting is the participant's right to the contributions in their account that cannot be forfeited. Participants are 100% vested in their safe harbor employer match, elective deferrals, rollover contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contributions, plus actual earnings, if any, follow a vesting schedule based on years of continuous service as followings:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of benefits

All of a participant's vested balance is payable upon the participant's normal retirement, at age 65, termination of employment, total and permanent disability or death, and financial hardship, subject to certain limitations. In the event that the participant's vested accrued benefit is less than \$5,000, the Plan administrator may make a single lump-sum payment without the election or request of a terminated participant.

The Plan permits for in-service withdrawal of elective deferrals at age 59 ½ while still employed.

In addition, a participant will automatically commence to receive benefits by April 1st following the year in which they reach age 72 or terminate employment.

In the event of a financial hardship, the participant may withdraw from their deferral contributions and vested balances in their employer match, profit sharing, and discretionary match accounts.

In accordance with the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), between March and December 31, 2020, eligible participants could request a coronavirus-related distribution (CRD) of up to \$100,000 from their participant accounts without being subject to the Internal Revenue Service 10 percent early distribution tax. The Consolidated Appropriations Act, 2021 provided a similar withdrawal exemption through June 25, 2021.

Forfeitures

Forfeitures of terminated participants' nonvested accounts are used to pay administrative expenses or reduce Company matching contributions. At December 31, 2021 and 2020, the amount of forfeitures total \$0 and \$1,487, respectively. During the year ended December 31, 2021, \$1,758 of forfeitures were used to pay Plan expenses or employer contributions.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes receivable from participants

Participants may borrow from their accounts a maximum of the lesser of \$50,000 or 50 percent of their vested account balance. The notes are secured by the Participants' vested account balance and bear interest at prime rate plus 2% at the date of the loan. Interest rates ranged from 5.25% to 7.25% as of December 31, 2021. Notes are generally due within five years unless the loan is for a purchase of a primary residence which is then ten years. A participant may only have one loan outstanding at any given time.

In accordance with the Coronavirus Aid, Relief, and Economic Security Act, the maximum amount a participant could borrow was increased to \$100,000 or 100 percent of the participant's vested account balance for eligible loans made between March 27, 2020 and September 22, 2020.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Plan uses the accrual basis of accounting for the presentations of financial statements.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Plan administration

Employee and employer contributions are remitted to Fidelity Management Trust Company (the "trustee"), who invests the cash received as directed by the employee. The trustee accounts for contributions, interest and dividend earnings, termination benefits, and unrealized gains and losses daily. Certain administrative functions for the Plan are performed by employees of the Company. No such employee received compensation from the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Administrative expenses for the year ended December 31, 2021 was \$50,120.

Payment of benefits

Benefits are recorded when they are paid.

December 31, 2021 and 2020

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes receivable from participants

Management reviews the notes receivable activity regularly to determine if outstanding balances are uncollectible or impaired. If a note receivable is defaulted either due to employment termination or lack of repayment, the outstanding note receivable is reported on an IRS Form 1099-R as a deemed distributed loan; however, the note receivable is not removed from the Statement of Net Assets until the participant requests for their account to be distributed in full. When the participant's vested balance is distributed, any outstanding principal and accrued interest on the note receivable is offset against the benefit payment. The note receivable balances are secured by the participant's vested balance. In 2021 and 2020, there was no deemed distributed loans.

Revenue Credit Program — The Plan Sponsor has an agreement with Fidelity Investments Institutional ("recordkeeper"), whereby Fidelity Workplace Services, LLC, a unit of the recordkeeper, provides services to the Plan that in situations where record keeping revenue earned in connection with Plan services exceed agreed upon compensation, Fidelity Workplace Services, LLC will deposit in the forfeiture account of the Plan any excess revenue. This revenue credit can be used to pay for qualified plan-level expenses. At December 31, 2021 and 2020, a balance of \$1,921 and \$1,806 in revenue credits was unused, respectively. There were no revenue credits used in 2021 or 2020 to offset Plan expenses.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan invests in mutual funds and investment contracts through a common collective trust. See *Note 6* for further information on the investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments sold during the year, as well as those held at the end of the year.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair value measurements

The Plan determines fair value based on assumptions that market participants would use in pricing an asset or liability in the principal or most advantageous market. When considering market participant assumptions in fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Fund is able to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable and significant to the entire fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of the input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of the unobservable inputs. The following is a description of the valuation methodologies used for these items:

Mutual funds and money market – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust – Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. See *Note 6* for further information on the investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule as of and for the years ending December 31, 2021 and 2020 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee. Accordingly, the trustee has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments at fair value and notes receivable from participants, as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net income from investment activity, dividend income and interest earned on participant notes receivable, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021 and 2020.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

NOTE 4. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST

Certain plan assets are investment funds managed by Fidelity Workplace Services, LLC. Fidelity Management Trust Company is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Mid Atlantic Financial Management served as advisors to the Plan in which the advisor fees also qualify as party-in-interest transactions. Fees paid by the Plan for investment management and advisory services totaled \$22,862 for the year ended December 31, 2021. In addition, transaction fees charged by the custodian that are absorbed in investment income are not readily determinable.

Certain participants of the Plan have outstanding loans (notes receivable from participants) with the Plan as of December 31, 2021. These loans are considered party-in-interest transactions according to the DOL guidelines. Total notes receivable from participants at December 31, 2021 and 2020 were \$117,041 and \$90,374, respectively.

NOTE 5. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of management. In the event of termination of the Plan, all amounts credited to participants' accounts will be 100 percent vested and non-forfeitable. All participants will receive a total distribution of their accounts as described in the Plan.

NOTE 6. INVESTMENTS

The following tables set forth the fair value of Plan assets, by level, with the ASC 820 fair value hierarchy:

As of December 31, 2021	Fair Value Measurement Using:			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 24,352,320	\$ -	\$ -	\$ 24,352,320
Money Market	1,921	-	-	1,921
Common Collective Trust *	-	-	-	410,567
	<u>\$ 24,354,241</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,764,808</u>

As of December 31, 2020	Fair Value Measurement Using:			Total
	Level 1	Level 2	Level 3	
Mutual Funds	21,663,898	\$ -	\$ -	\$ 21,663,898
Money Market	1,806	-	-	1,806
Common Collective Trust *	-	-	-	416,627
	<u>\$ 21,665,704</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 22,082,331</u>

* The fair value of the common collective trust reflected in the tables above have been determined using the NAV per share (or its equivalent) practical expedient and, as such, have not been categorized within the fair value hierarchy. The fair values represented in the tables are intended to permit reconciliation of the fair value hierarchy table to amounts presented in the Statements of Net Assets Available for Plan Benefits.

The following table below summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment Type	12/31/2021	12/31/2020	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	Fair Value	Fair Value			
Common Collective Trust	\$ 410,567	\$ 416,627	None	Daily	12 months

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7. TAX STATUS

The Plan adopted a volume submitter profit sharing plan which has received a determination letter from the Internal Revenue Service (IRS) dated March 31, 2014 approving that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability. Furthermore, the Plan has not received any notices relating to interest or penalties for periods presented in these financial statements and therefore there are no accruals reflected in the accompanying financial statements.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan provides participants with various investment options. All investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through the date of the Independent Auditors' Report, the date that the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
