Board of Trustees

403(b) Thrift Plan of Adams & Brown Counties Economic Opportunities, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan of Adams & Brown Counties Economic Opportunities, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by, and certified to by, qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**403(B) THRIFT PLAN OF ADAMS & BROWN COUNTIES
ECONOMIC OPPORTUNITIES, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the 403(b) Thrift Plan of Adams & Brown Counties Economic Opportunities, Inc. (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more comprehensive description of the Plan’s provisions.

General

The 403(b) Thrift Plan of Adams & Brown Counties Economic Opportunities, Inc. is a defined contribution plan covering all full-time employees of Adams & Brown Counties Economic Opportunities, Inc. (the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

An employee is immediately eligible to defer a portion of their compensation into the Plan. However, an employee must complete 6 months of service with the Employer before they are eligible to receive contributions that are made by the Employer. Temporary hires, Job Training Partnership Act adults, and summer youth participants and contractual workers are specifically excluded.

Contributions

Participants may elect to contribute, through the 403(b) feature, a percentage of their base salary, or a fixed dollar amount each period, not to exceed the maximum amount permitted by the Internal Revenue Code. Participants may elect to have their contributions invested in various investment options that are administered by the Plan’s Custodians. The Employer matches the participant’s contribution in an amount equal to the lesser of 100 percent of the salary deferral amount that the participant has contributed during the Plan year, or 4 percent of the participant’s compensation that has been received during the Plan year. Contributions are subject to certain limitations.

Participant Accounts

In accordance with the terms of the Plan, the account of each participant is maintained on a fair value basis. Each participant’s account consists of the contributions that have been made on their behalf by Adams & Brown Counties Economic Opportunities, Inc., their employee elective deferral contributions, their employee rollover contributions, forfeitures of terminated participants’ non-vested accounts, and their share of administrative expenses. The allocations are based upon the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their elective contribution accounts and qualified non-elective contribution accounts. Participants are entitled to their entire account balance if their participation ceases for any reason whatsoever.

If a participant’s employment is terminated for reason of death, normal retirement, or retirement due to disability, the participant shall be entitled to the full account. If employment is terminated for any reason other than death, retirement, or disability, the participant shall be entitled to the vested portion of the Employer-matching contribution account in accordance with the following schedule: 2 years – 20 percent, 3 years – 40 percent, 4 years – 60 percent, 5 years – 80 percent, and 6 years – 100 percent.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures of non-vested account balances will be used to offset the current year's Employer contributions or for the payment of administrative expenses. As of December 31, 2021, the forfeitures of non-vested accounts had no balance, and as of December 31, 2020, had a balance in the amount of \$345. Forfeitures in the amount of \$3,006 were used to offset Employer contributions during 2020.

Payments of Benefits

Benefits are recorded when they are paid.

Distributions may be made upon the attainment of age 59½. No separation of service is necessary. Any amounts that are withdrawn due to hardship must be distributed in a single sum. Any other withdrawal may be paid in a single sum or in any other method of payment that is permitted by the contract or custodial account from which the withdrawal is made.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting principles that are followed by the Plan and the methods of applying these principles conform to U.S. generally accepted accounting principles ("U.S. GAAP").

A summary of the significant accounting and reporting policies that are applied in the presentation of the accompanying financial statements is as follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Estimates

The financial statements have been prepared in conformity with U.S. GAAP. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ significantly from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued interest. Delinquent participant loans are reclassified as distributions, based upon the terms of the Plan document.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date.

The net appreciation (depreciation) in the fair value of investments includes investments that are purchased, sold, and held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 3 – INVESTMENTS

The Plan investments are primarily administered by Mutual of America Life Insurance Company, and also Voya Retirement Insurance and Annuity Company, as of December 31, 2021 (the "Custodians"). Up through October 1, 2011, Plan investments were administered by Voya Retirement Insurance and Annuity Company. The following table presents a summary of the investment information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that is included throughout the Plan's financial statements and supplemental schedule, that was prepared by, or derived from, information provided by the Custodians and was then furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians stating that the information that has been provided to the Plan Administrator by the Custodians, related to the following investments, is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to the following investments:

	December 31,	
	2021	2020
Investments, at fair value:		
Pooled Separate Accounts	\$ 4,340,800	\$ 3,854,875
Guaranteed Investment Contract	72,383	70,330
Group Annuity Contract	1,763,737	1,612,800

Mutual of America Life Insurance Company and Voya Retirement Insurance and Annuity Company also certified the accuracy of \$556,372 of net appreciation in the fair value of investments, and \$20,890 of interest and dividends income for the year ended December 31, 2021.

The Plan entered into a benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company ("Voya"). Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The contract is included in the financial statements, as reported by Voya. The contract value represents the contributions that are made under the contract, plus earnings, less participant withdrawals and administrative expenses. The guaranteed investment contract is considered not fully benefit-responsive since the group annuity contract may have the potential to restrict certain transfers and withdrawals. There are no reserves for credit risk of the contract issuer or otherwise.

ECONOMIC OPPORTUNITIES, INC.
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE 5 – TAX STATUS

The Employer has no determination letter from the Internal Revenue Service ("IRS") indicating that the Plan is qualified and that the trust established under the Plan is tax-exempt. However, the Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, Adams & Brown Counties Economic Opportunities, Inc. believes that the Plan was qualified and that the related trust was tax-exempt as of the financial statements date.

Management of the Plan is required to evaluate the tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require the recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. Participant loans that are held by the Plan reflect the party-in-interest transactions. Certain administrative functions are performed by officers or employees of Adams & Brown Counties Economic Opportunities, Inc. No such officer or employee receives compensation from the Plan. The Employer absorbs all costs that are incurred in relation to the administration of the Plan. Such costs include legal and accounting fees. These costs amounted to \$5,225 for the Plan year ended December 31, 2021.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses the fair value of its financial instruments. Financial instruments are defined as cash, the evidence of ownership in an entity, or a contract which creates an obligation or right to receive or deliver cash, or another financial instrument, from/to a second entity on potentially favorable or unfavorable terms. If the quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price, per trading unit of the instrument. Investments and notes receivable from participants would be considered as financial instruments. As of December 31, 2021, the carrying amount of these financial instruments approximates fair values. The fair value of the notes receivable from participants is based on amortized cost, which approximates fair value.

ECONOMIC OPPORTUNITIES, INC.
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. This framework provides a fair value hierarchy which prioritizes the inputs to valuation techniques that are used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and gives the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for, substantially, the full term of the asset or liability.
- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies that are used for the assets that are measured at fair value:

Pooled Separate Accounts: Primarily valued at the net asset value ("NAV") of the underlying investments.

The following tables summarize the investments that are measured at fair value, based on the NAV per share, as of December 31, 2021 and 2020:

December 31, 2021				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$ 4,340,800	\$ -	Immediate	None

December 31, 2020				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	\$ 3,854,875	\$ -	Immediate	None

Group Annuity Contract: The contract value of the group annuity contract approximates fair value since the interest crediting rate is reset annually.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)

Guaranteed Investment Contract: The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of the future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables, set forth by Level within the fair value hierarchy, present the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of the risk that is associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances, as well as the amounts that are reported in the statements of net assets available for benefits.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following reconciles the financial statements and Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets, per report	\$ 6,257,759	\$ 5,643,075

 Net increase in net assets, per report	 <u>\$ 614,684</u>	
Net increase in net assets, per Form 5500	<u>\$ 614,684</u>	

NOTE 11 – SUBSEQUENT EVENTS

Management has reviewed events occurring through October 7, 2022, the date that the financial statements were issued, and no subsequent events have occurred requiring disclosure.

During the first quarter of 2020, the nation and the Plan's primary market area were affected by the consequences of the COVID-19 pandemic. Actions taken around the world to help mitigate the spread of COVID-19 include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. COVID-19 and the actions taken to mitigate it have had, and are expected to continue to have, an adverse impact on the economies of many states, including the geographical area in which the Plan operates. While it is unknown how long these conditions will last and what the complete financial effect will be to the Plan, the Plan may experience work stoppages and possible disruptions in its labor force and supply chains. Additionally, it is reasonably possible that the estimates made in the financial statements have been, or will be, materially and adversely impacted in the near term as a result of these conditions.
