INDEPENDENT AUDITORS' REPORT

To the Trustees of the
IntelliBridge 401k Plan and its participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the IntelliBridge 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the IntelliBridge 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IntelliBridge 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IntelliBridge 401k Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IntelliBridge 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the IntelliBridge 401k Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statement, and (b) the form and content of the information included in the financial statement other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INTELLIBRIDGE 401k PLAN

Notes to the Financial Statements

As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the IntelliBridge 401k Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established on January 1, 2005 by Trowbridge & Trowbridge, LLC. Trowbridge & Trowbridge, LLC changed its name to IntelliBridge, LLC (the Company) effective April 8, 2021. Accordingly, the Plan was amended to change the name from the Trowbridge & Trowbridge 401(k) Plan to the IntelliBridge 401k Plan effective November 1, 2021. The Plan covers all employees of the Company, including all employees covered under the McNamara-O'Hara Service Contract Act of 1965 (SCA) and the Davis-Bacon Act of 1931 (DBA), as defined by the Plan, other than those covered by a collective bargaining agreement or nonresident aliens who do not receive any earned income from the Company.

The Plan was most recently amended effective February 1, 2022 to merge the ByteCubed, LLC 401(k) Plan into the IntelliBridge 401k Plan (Note 7).

Participant Contributions

Participants may contribute up to 90% of their gross compensation on a pre-tax or Roth basis, as defined by the Plan, not to exceed the maximum allowable contribution limit under the Internal Revenue Code (the Code), which totaled \$19,500 for the year ended December 31, 2021. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code. Participants are also permitted to make rollover contributions to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate of 6% unless they affirmatively elect not to participate in the Plan or elect another deferral percentage. Additionally, effective January 1, 2021, the Plan was amended and restated to incorporate an automatic increase provision. Beginning January 1, 2021, participants automatically enrolled in the Plan and who have not elected a different deferral percentage will be subject to an annual 1% increase until a deferral rate of 8% is reached.

Company Contributions

Prior to January 1, 2021, the Company made a non-elective employer matching contribution equal to 50% of eligible contributions on up to 6% of eligible compensation. Effective January 1, 2021, the Plan was amended and restated to replace the non-elective employer matching contribution with a discretionary matching contribution that is determined annually. All employees who are eligible to participate and make elective deferrals into the Plan are eligible to receive Company matching contributions. The Company matched 50% of eligible contributions of up to 8% of eligible compensation during the year ended December 31, 2021. Company matching contributions are calculated and remitted each pay period. Company matching contributions totaled \$2,187,972 for the year ended December 31, 2021.

INTELLIBRIDGE 401k PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN – cont'd.

Company Contributions – cont'd.

The Company is required to provide minimum health and welfare benefits at a set hourly rate based on hours worked or hours paid, as defined by individual contracts, for all employees subject to prevailing wage requirements and minimum fringe benefits on contracts covered under the SCA and DBA. The prevailing wage contributions, as prescribed by the SCA and DBA, are contributed by the Company in the form of discretionary qualified nonelective contributions. The Company made qualified nonelective contributions totaling \$27,451 to the Plan during the year ended December 31, 2021.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions in accordance with the investment options selected by the participants. Plan earnings, losses, and administrative expenses are allocated to each participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer prevailing wage contributions, plus actual earnings thereon. Prior to January 1, 2021, the Company's matching contributions and employer nonelective contributions were vested in accordance with the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3 or more	100%

Effective January 1, 2021, Company's matching contributions and employer nonelective contributions made since January 1, 2021 vest in accordance with the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	50%
2	75%
3 or more	100%

In addition, upon reaching normal retirement age (age 65), death, or disability during employment at the Company, participants became 100% vested in his or her Company discretionary matching contributions. Effective February 1, 2022, the Plan was amended to include a provision wherein employees are fully vested upon reaching an early retirement age of 55. Additionally, employees who merged in from the Alethix LLC 401(k) Plan, IntelliWare Systems 401(k) Plan, and ByteCubed, LLC 401(k) Plan (Note 7) are fully vested in matching contributions made prior to the merger. Participants who merged into the Plan are also credited with their services performed under their prior plan when determining their vested percentage.

INTELLIBRIDGE 401k PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN – cont'd.

Payment of Benefits

Upon termination of service due to death, disability, normal retirement age (age 65), or attainment of age 59 ½, a participant or his or her beneficiary, in the event of death, is entitled to a distribution of their vested account balance. Distributions from the Plan are payable in the form of a lump sum or installment payments equal to the value of the participant's vested interest in his or her account. Upon termination, if a participant's account balance is less than \$5,000, the Plan administrator may elect to automatically distribute the participant's account balance. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 1/2 . There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2021 and 2020.

Forfeitures

Forfeitures of Company contributions may be used to reduce future Company contributions or pay administrative expenses. Forfeitures become available to the Plan as of the earlier of the last day of the Plan year in which a former employee incurs five consecutive one-year breaks in service or a distribution of the participant's entire vested account balance occurs. As of December 31, 2021 and 2020, forfeitures totaling \$485,063 and \$60,426, respectively, were available to offset future Company matching contributions and pay administrative expenses. No forfeitures were used during the year ended December 31, 2021.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$500 and only one note may be outstanding at any given time. The notes are collateralized by a participant's vested account balance. Note repayments are to be made through payroll deductions each pay period with interest based on the prime rate as published by the Wall Street Journal at the time of note origination plus one percent. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes originated for the purchase of a primary residence are to be repaid within ten years.

During 2020, the Plan implemented certain CARES Act provisions to increase the maximum allowable Coronavirus-related loan to \$100,000 for the period beginning March 27, 2020 and ending September 22, 2020.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Custodian with assets of the Plan unless the Company, at its discretion, elects to pay them. During the year ended December 31, 2021, the Company paid a portion of direct expenses related to the Plan's operations. The Plan paid direct expenses totaling \$146,742 during the year ended December 31, 2021.

Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and changes therein at the date of the financial statements and reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that, in general, are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Accounting Standards Codification, *Fair Value Measurement* (ASC 820), defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

INTELLIBRIDGE 401k PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported on the active market on which the funds are traded.

Interests in common collective trust: Valued using the net asset value (NAV) practical expedient of units held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 45,358,597	\$ -	\$ -	\$ 45,358,597
Total investments in the fair value hierarchy	45,358,597	-	-	45,358,597
Investments valued using the NAV practical expedient - interests in common collective trust ^(a)	-	-	-	4,567,706
Total Investments, at fair value	\$ 45,358,597	\$ -	\$ -	\$ 49,926,303

INTELLIBRIDGE 401k PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 16,901,738	\$ -	\$ -	\$ 16,901,738
Total investments in the fair value hierarchy	16,901,738	-	-	16,901,738
Investments valued using the NAV practical expedient - interests in common collective trust ^(a)	-	-	-	1,949,803
Total Investments, at fair value	\$ 16,901,738	\$ -	\$ -	\$ 18,851,541

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefit.

In accordance with the fair value measurement and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which are estimated using the net asset value per share practical expedient as of December 31,:

	2021	2020	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in common collective trust ^(b)	\$ 4,567,706	\$ 1,949,803	Daily	Daily	None

- (b) Funds in this category invest in a range of investments to achieve balance investment growth while maintaining preservation of capital.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes become due immediately upon termination of a participant's employment. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefit payments are recorded when paid.

INTELLIBRIDGE 401k PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 7, 2022, the date the financial statements were available to be issued, and determined that there were no material subsequent events that warranted disclosure, except as disclosed in Note 1 and Note 7.

3. INVESTMENTS

All investment information contained in the accompany financial statements and supplemental schedules, including assets held as of December 31, 2021 and 2020, and interest and dividend income and net realized and unrealized appreciation in the fair value of investments for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by an affiliate of the Trustee of the Plan. The Plan allows for participants to take loans against their vested account balances. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

The volume submitter document, upon which the Plan was designed, received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan was amended and restated subsequent to receiving the opinion letter; however, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, these provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2021 and 2020.

INTELLIBRIDGE 401k PLAN

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

6. INCOME TAX STATUS – cont’d.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any open periods.

7. PLAN MERGERS

The Company previously maintained separate 401(k) plans for three of its subsidiaries: the IntelliWare Systems 401(k) Plan (the IntelliWare Plan), the Alethix, LLC 401k Plan (the Alethix Plan), and the ByteCubed, LLC 401(k) Plan (the ByteCubed Plan). During the year ended December 31, 2021, the IntelliWare and Alethix plans merged into the Plan. During the year ended December 31, 2022, the ByteCubed Plan merged into the Plan. A blackout period was in effect for each of these plan mergers. During this time, participants were unable to access their accounts or request a loan or obtain a distribution from the Plan and the predecessor plan. Furthermore, participants were unable to direct or diversify their investments in the Plan. Participants were, however, able to make contributions to the Plan during the blackout period.

Effective January 1, 2021, the IntelliWare Plan merged into the Plan. All participants were transferred from the IntelliWare Plan to the Plan. Additionally, the IntelliWare Plan’s investments totaling \$23,502,555 and notes receivable from participants of \$200,460 were transferred to the Plan. Fidelity Management Trust Company serves as Trustee for both the IntelliWare Plan and the Plan. As a result of this Plan merger, a blackout period was in effect from December 31, 2020 through January 4, 2021.

Effective July 1, 2021, the Alethix Plan merged into the Plan. All participants were transferred from the Alethix Plan to the Plan. Additionally, the Alethix Plan’s investments totaling \$3,151,669 and notes receivable from participants of \$139,266 were transferred to the Plan. Reliance Trust Company previously served as trustee for the Alethix Plan. As a result of this Plan merger, a blackout period was in effect from June 24, 2021 to July 30, 2021.

Effective February 1, 2022, the ByteCubed Plan merged into the Plan. All participants were transferred from the ByteCubed Plan to the Plan. Additionally, the ByteCubed Plan’s investments totaling \$15,351,036 and notes receivable from participants of \$38,090 were transferred to the Plan. John Hancock Life Insurance Company (U.S.A.) previously served as trustee for the ByteCubed Plan. As a result of this Plan merger, a blackout period was in effect from January 31, 2022 through March 4, 2022.

8. DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2021, the Company withheld participant deferrals totaling \$44,426 that were not remitted to the Custodian in a timely manner. The Company is in the process of making the necessary correction for lost earnings during 2022.
