INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Turenne & Associates, LLC and Affiliates 401(k) Plan
Montgomery, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Turenne & Associates, LLC and Affiliates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Turenne & Associates, LLC and Affiliates 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Turenne & Associates, LLC and Affiliates 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Turenne & Associates, LLC and Affiliates 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Turenne & Associates, LLC and Affiliates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Turenne & Associates, LLC and Affiliates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions at December 31, 2021 for the year ended December 31, 2021 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Turenne & Associates, LLC and Affiliates 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**TURENNE & ASSOCIATES, LLC
AND AFFILIATES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2021 AND 2020**

Note A - Description of the Plan

The following description of the Turenne & Associates, LLC and Affiliates 401(k) Plan (the “Plan”) provides only general information. For a more complete description of the Plan’s provisions, refer to the agreement governing the Plan (the Plan document).

General

The Plan is established to provide retirement benefits to eligible employees of Turenne & Associates, LLC (the “Employer”) and the following affiliated companies: Capitol Hill Healthcare, Inc., McGuffey Healthcare Center, Turenne Pharmedco, Turenne Pharmedco TN and Westside Terrace, LLC. The Plan document provides for allocation provisions and the disposition of forfeitures. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”) of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020 and may require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

The Consolidated Appropriations Act of 2021 was signed into law on December 27, 2020 which includes a temporary rule that prevents partial plan terminations for qualified retirement plans in certain circumstances.

Eligibility

Employees are eligible to participate in the Plan after completing six months of service and attainment of age 21. Plan entry is January 1 or July 1 following satisfaction of age and service requirements. The Plan is referred to as a “qualified automatic contribution arrangement 401(k) plan” also known as a “QACA”. This safe harbor plan includes an automatic salary deferral feature. The employer will automatically withhold a portion of the participant’s compensation from each payroll period and contribute that amount to the Plan as a salary deferral. The automatic deferral provisions apply to all participants, except those who had a salary deferral agreement in effect on the automatic deferral provisions effective date.

Note A - Description of the Plan - Continued

Contributions

Contributions to the Plan may consist of employee elective deferral contributions, safe harbor matching contributions, employer matching contributions, employer profit-sharing contributions and rollover contributions. The employee elective deferral contributions for each plan year cannot be less than 1% of compensation or more than the limits provided by the Internal Revenue Code. If a participant was age 50 or over, an additional “catch-up” contribution can be made. Safe harbor employer matching contributions are made at 100% of the salary deferrals that do not exceed 1% of the participant’s compensation plus 50% of the salary deferrals between 1% and 6% of the participant’s compensation. At the Employer’s discretion, a matching contribution and a profit-sharing contribution can be made. No matching or profit-sharing contributions were made for 2021.

Participant Accounts

Nationwide Financial (Nationwide) holds Plan assets and executes investment transactions as directed. Participants direct their investments among a selection of mutual funds and guaranteed investment accounts offered by Nationwide. Participant accounts are credited with the participant’s contributions, allocations of the Employer’s contributions, Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are 100% vested in their employee contributions and rollover contributions. Safe harbor employer contributions are 100% vested after two years of service, plus actual earnings thereon. Employer matching and profit-sharing contributions become fully vested upon normal retirement, disability, death or upon the completion of three years of credited service.

Forfeitures

When certain terminations of participants in the Plan occur, the non-vested portion of the participant’s account, as defined by the Plan, represents forfeitures. Forfeitures are used to reduce employer matching contributions for the plan year following that in which the forfeitures occurred. Forfeited accounts totaled \$89,153 and \$84,257 as of December 31, 2021 and 2020, respectively.

Benefits

The benefit to which a plan participant is entitled is the benefit that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated proportionately to the participant’s individual account. Upon retirement, disability, attainment of age 59 ½, death or termination of employment, participants may elect to receive the accumulated value of their account in a lump sum distribution or periodic installments.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis and have been prepared in conformity with accounting principles generally accepted in the United States of America.

Financial Statement Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions during the reporting period. Accordingly, actual results could differ from those estimates.

Investments and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are recorded at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements. The investment in the Nationwide Indexed Fixed Account is reported at contract value. See Note E for discussion of investments reported at contract value.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments. Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date.

Contributions

Participant contributions are accrued as additions in the year in which they are deducted from the participants' salaries. Employer contributions are accrued as additions in the plan year for which the Employer's board of directors approve such contributions.

Payment of Benefits

Benefits are recorded when paid.

New Pronouncements

In July 2019, the AICPA Auditing Standards Board ("ASB") issued Statement on Auditing Standards ("SAS") No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA* ("EBP SAS"). The SAS prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 ("ERISA") and changes the form and content of the related auditors report.

Note B - Summary of Significant Accounting Policies - Continued

The SAS expands the audit requirements in all phases of an audit, including:

- engagement acceptance and obtaining additional management representations,
- performing risk assessment procedures related to the plan instrument, plan tax status and prohibited transactions, and responding to identified risks,
- communicating additional matters (reportable findings) with those charged with plan governance,
- performing certain additional procedures unique to auditing ERISA plans, and
- issuing a new form of the auditor's report.

“Limited-Scope Audits” are now referred to as “ERISA section 103(a)(3)(C) audits.” There are significant changes to the audit report when management elects to instruct the auditor not to perform any additional procedures with respect to investment information certified by a qualified institution pursuant to ERISA Section 103(a)(3)(C). These audits will no longer be considered as having a scope limitation, and the auditor will follow new performance and reporting requirements.

Accordingly, the auditor will no longer issue a disclaimer of opinion, but instead will issue an auditor's report in accordance with the EBP SAS that contains a two-pronged opinion that is based on the audit and on the procedures performed relating to the certified investment information. It provides an opinion on whether the amounts and disclosures in the financial statements not covered by the certification are presented fairly, in all material respects, in accordance with the applicable financial reporting framework, and an opinion on whether the certified investment information in the financial statements agrees to or is derived from, in all material respects, the certification.

The EBP SAS was originally effective for audits of financial statements for periods ending on or after December 15, 2020, and early application was not permitted. The EBP SAS was amended to delay the effective date by one year, and to allow early implementation.

Administrative Fees

Administrative fees may include Plan administration fees, investment management fees and/or transaction-based fees. Some administration fees are paid by the Company and are not charged to the Plan. Fees of \$69,381 were paid by participants in 2021 and are reflected in the statement of changes in net assets available for benefits. Investment management fees on mutual funds are typically reflected as a reduction in the respective fund's net asset value and are paid by the participants.

Note B - Summary of Significant Accounting Policies – Continued

Evaluation of Subsequent Events

The Plan Sponsor has evaluated subsequent events through the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued and concluded no events or transactions occurred during that period requiring recognition or disclosure.

Note C - Information Prepared and Certified by the Custodian (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Nationwide Financial Services. As permitted by 29 CFR 2520.103-8 of Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the auditors not to perform, and they did not perform, any auditing procedures with respect to this information except for comparing the information with the related information included in the financial statements and supplemental schedule.

- Investments at fair value
- Investments at contract value
- Dividends and interest
- Net appreciation (depreciation) in fair value of investments
- Schedule of assets (Held at end of year)

Note D - Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The hierarchy consists of three broad levels, described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Note D - Fair Value Measurements - Continued

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statement of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Mutual Funds - Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with the other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the fair value measurements of assets recognized in the accompanying statement of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements are reported:

<u>December 31, 2021</u>	<u>Fair Value Measurements Using</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds:	<u>\$ 22,180,264</u>	<u>\$ 22,180,264</u>	<u>\$ _____</u>	<u>\$ _____</u>
<u>December 31, 2020</u>	<u>Fair Value Measurements Using</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds:	<u>\$ 19,321,181</u>	<u>\$ 19,321,181</u>	<u>\$ _____</u>	<u>\$ _____</u>

Note E - Fully Benefit-Responsive Investment Contract

The Plan held an investment in the Nationwide Indexed Fixed Contract. The Indexed Fixed Contract is a guaranteed insurance contract that guarantees a return of principal plus interest as stated in the contract. Per GAAP, investments held by an investment company are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of net assets attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined contribution plan. Generally, the term "fully benefit-responsive" describes the contract's guarantee that (1) the crediting rate provided under the contract will not fall below zero and (2) participant-initiated withdrawals from the fund will be covered at contract value. The Nationwide Indexed Fixed Contract is fully benefit responsive and is reported at contract value in the statement of net assets available for benefits.

The Indexed Fixed contract is a guaranteed return contract with a quarterly interest rate guarantee that is based upon the three or five-year Treasury Note yield. The interest earned in this contract can change quarterly if the yield on the three or five-year Treasury Note index changes. The fixed crediting rate is reset quarterly by Nationwide. The net rate, crediting rate and average yield earned on the contract are the same. The Indexed Fixed contract does not have a maturity date. The provisions do not provide for a distribution at book value at some specified future date. The Indexed Fixed contract continues in force until all assets have been distributed, or no further payments are due.

Certain events could limit the ability of the Plan to transact at contract value with the issuer. No events are probable of occurring that might limit the ability of the Plan to transact at contract value and that would also limit the ability of the Plan to transact at contract value with participants.

Note F - Related Party and Party in Interest Transactions

The Company's Chief Financial Officer is a participant and acts as the Plan administrator. Also, two of the Company's officers, who are shareholders, have elected to participate by making elective salary reductions and receive employer safe harbor matching contributions; these officers are also Plan Trustees. Also, certain investments are guaranteed interest accounts and mutual funds managed by Nationwide Financial, the service provider as defined by the Plan. Therefore, these transactions qualify as party in interest.

Note G - Plan Termination

Although it has not expressed any intent to do so, the Employer retains the right to amend or terminate the Plan at any time subject to the provisions of ERISA. No amendment may permit any Plan assets to revert to the Employer or be used for any purpose other than to provide benefits to participants and their beneficiaries, reduce a participant's accrued benefit, or eliminate an optional form of benefit payment. Upon termination of the Plan, all participant accounts will become fully vested.

Note H - Income Tax Status

The Plan adopted a prototype non-standardized 401(k) plan approved by the Internal Revenue Service (IRS) on September 30, 2014. The Plan administrator believes the Plan is designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan follows accounting standards relating to uncertainty of income tax positions. The Plan administrator assessed whether there were any uncertain tax positions that may give rise to income tax liabilities and determined that there were no such matters requiring recognition in the accompanying financial statements. The Plan files information returns under U.S. federal jurisdiction. With few exceptions, the Plan is no longer subject to U.S. federal tax examinations for years before 2018.

Net assets and changes in net assets in these financial statements agree to Schedule H of IRS Form 5500.

Note I - Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note J - Prohibited Transactions

The Plan Sponsor failed to timely remit \$224,966 in participant deferrals to the Plan during the year ended December 31, 2021 and \$147,420 for the year ended December 31, 2020. The applicable disclosure information for delinquent contributions is included in the accompanying Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), and includes delinquent contributions for 2021. All contributions were subsequently remitted. The Plan Sponsor is in the process of the correction procedure for this failure, consisting of calculating and contributing the lost earnings to the affected participants and filing the necessary excise tax return with the IRS.
