Independent Auditor's Report

Plan Administrator and Participants
Nations Roof, LLC 401(k) Plan
Coral Springs, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Nations Roof, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedules, Schedule H, Line 4a – schedule of delinquent contributions for the year ended December 31, 2021 and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 20, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following brief description of the Nations Roof, LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is sponsored by Nations Roof, LLC (the Company) effective January 1, 2005 and adopted by multiple employers. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

All active employees of the Company, excluding employees covered by a collective bargaining agreement and non-resident aliens with no U.S. source income, are eligible to participate upon attainment of age 21 and between 3 months and 1 year of service. The entry date is semi-annual and occurs on the first day of the first and seventh month of the Plan year coinciding with or next following satisfaction of the eligibility requirements.

Contributions

Eligible employees may elect to contribute, on a pretax basis, up to 100% of their eligible compensation to the Plan, not to exceed the limit under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan provides a safe harbor matching contribution equal to the 100% of the first 3% of deferred compensation and then 50% of the next 2% (Company safe harbor contributions). The Company may make discretionary matching and profit-sharing contributions as determined annually (Company discretionary contributions). There were no Company discretionary contributions made during 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor contributions, as well as allocations of the Company discretionary contributions and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Participant accounts may be withdrawn upon retirement, death, disability, or termination of employment. Account balances less than \$5,000 are distributed as a lump-sum payment. For account balances in excess of \$5,000, the participant may elect to receive their balance in a single lump-sum payment or annual installments of amounts not less than the required minimum distribution. The Plan also allows for in-service withdrawals at age 59½ along with withdrawals in the event of a financial hardship.

Notes to Financial Statements

1. Description of the Plan (cont.)

Vesting

Participants are vested immediately in their voluntary contributions and Company safe harbor contributions, plus actual earnings (losses) thereon. Participants vest in all other Company contributions plus actual earnings based on years of continuous service, as follows:

Years of Service	Percentage Vested
Less than 1	0%
1	0%
2	0%
3 or more	100%

Forfeitures

At December 31, 2021 and 2020, forfeited balances totaled \$139,421 and \$39,429, respectively. Forfeited balances of terminated participants' accounts are used to reduce future Company contributions or to offset Plan expenses. For the year ended December 31, 2021, forfeitures of \$500 were used to offset Plan expenses.

Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Certain other administrative expenses of the Plan are paid by the Company. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP require the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income (Loss) Recognition

The investments of the Plan are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of the fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained a certification from Charles Schwab Trust Bank (Charles Schwab) as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that all of the information provided by them is complete and accurate. The information included in the accompanying financial statements as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, are covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements).

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Registered Investment Companies - Shares of registered investment companies represent investments with various investment managers. The fair values of these investments are determined by reference to the registered investment companies' underlying assets, which are principally marketable equity and fixed income securities. These registered investment companies are traded on national securities exchanges and are valued at the net asset value (NAV). It is not probable that the shares of registered investment companies will be sold at amounts that differ materially from the NAV of shares held.

Notes to Financial Statements

4. Fair Value Measurements (cont.)

Basis of Fair Value Measurement (cont.)

Common Collective Trust Funds - Valued at the NAV using NAV as the practical expedient based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trust funds were based on information using the audited financial statements of the collective trust funds at year-end. The investment income (loss) was allocated to participants based on their proportionate share of the net assets of the funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ <u>11,357,316</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>11,357,316</u>
	\$ <u>11,357,316</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>11,357,316</u>
Common collective trust funds measured at NAV*				<u>808,734</u>
Total investments at fair value			\$ <u>12,166,050</u>	

<i>December 31, 2020</i>	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ <u>8,877,908</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>8,877,908</u>
	\$ <u>8,877,908</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>8,877,908</u>
Common collective trust funds measured at NAV*				<u>465,337</u>
Total investments at fair value			\$ <u>9,343,245</u>	

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investment	Fair Value December 31, 2021	Fair value December 31, 2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust funds					
Northern Trust Funds	\$ <u>792,758</u>	\$ <u>448,916</u>	N/A	Daily	Daily
Reliance Trust Fund	<u>15,976</u>	<u>16,421</u>	N/A	Daily	Daily
	\$ <u>808,734</u>	\$ <u>465,337</u>			

Notes to Financial Statements

5. Tax Status

The Plan is based on a Volume Submitter Profit Sharing Plan with CODA (Volume Submitter Plan) sponsored by BlueStar Retirement Services Inc (BlueStar), which received an opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Volume Submitter Plan is in compliance with the applicable requirements of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-In-Interest Transactions

BlueStar performs services, sells products and maintain certain investments of the Plan for which fees are charged to the Plan. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its investment performance, and overall financial results.

9. Delinquent Participant Contributions

During 2021 and 2020, employee withholdings of \$154,944 and \$20,986, respectively, were not remitted within the appropriate time period by the Company. The Company remitted the 2020 delinquent contributions and the related lost earnings to the Plan during 2021. Additionally, the Company remitted the 2021 delinquent contributions to the Plan during 2021 and 2022 and remitted the lost earnings to the Plan during 2022. These transactions constituted prohibited transactions as defined by ERISA.

10. Subsequent Events

Management has evaluated subsequent events through October 10, 2022, the date these financial statements were available to be issued, and has determined that, except for the matters noted below, no significant events occurred after December 31, 2021, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.

Effective January 1, 2022, the Plan was restated based on the Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA sponsored by BlueStar, which received an opinion letter on June 30, 2020. As a result of the restatement, all employees are eligible to participate upon attainment of age 21 and 3 months of service. The entry date now occurs on the first day of the month following satisfaction of the eligibility requirements. Lastly, the safe harbor matching contribution will be calculated per payroll period instead of annually.
