Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Karns Prime and Fancy Food, Ltd. Employee Benefit Plan as of October 31, 2020 and 2019, and the changes in its financial status for the year ended October 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

KARNS PRIME AND FANCY FOOD, LTD. EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED OCTOBER 31, 2020 AND 2019

1. Description of Plan and summary of significant accounting policies:

The following description of the Karns Prime and Fancy Food, Ltd. Employee Benefit Plan (the Plan), established November 1, 2017, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

During 2020, the 2019 Novel Coronavirus (COVID-19) pandemic sparked a global health and economic crisis. The impact resulting from the COVID-19 pandemic on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact health and welfare plans. Management has reviewed these provisions and chosen not to make any amendments to the Plan.

General:

The Plan provides health and other benefits covering eligible employees and covered dependents of Karns Prime and Fancy Food, Ltd. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits:

The Plan provides health benefits (medical and prescription), dental benefits, vision benefits, life insurance benefits, short-term disability, long-term disability and accidental death and dismemberment (AD&D) benefits, covering all regular, active, full-time employees of the Company scheduled to normally work at least 30 hours per week and their spouse and dependents, upon completion of 90 days of active service. Employees are eligible for life insurance benefits only after they have been employed for one year.

Self-insured benefits:

The health benefits are self-insured by the Company. The claims for these self-insured benefits are processed by the Plan's third-party administrators. The third-party administrators pay claims directly to or on behalf of participants. The payments for these claims are paid from the Plan's trust, which is funded by the general assets of the Company and employee contributions. Despite the Plan's utilization of third-party administrators for claims processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

Insured benefits:

The Plan fully insures the vision, dental, life insurance benefits, short-term disability, long-term disability and AD&D benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits are paid to the insurance company from the general assets of the Company. A portion of these benefits are funded through voluntary employee contributions.

KARNS PRIME AND FANCY FOOD, LTD. EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED OCTOBER 31, 2020 AND 2019

1. Description of Plan and summary of significant accounting policies (continued):

Stop-loss coverage:

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for medical and prescription drug benefits (individual participant claims over a specific dollar amount), as well as its aggregate exposure for all claims. The Plan's stop-loss coverage amount is \$85,000 per individual and provides benefit coverage up to a maximum of \$1,000,000.

Stop-loss reimbursements netted against health claims totaled \$168,946 for the year ended October 31, 2020. As claims are paid subsequent to year end that were incurred prior to October 31, 2020, the stop-loss policy will reimburse the Plan according to the stop loss coverage.

Contributions:

The Company establishes contribution rates annually at the beginning of the Plan year.

The Company shall periodically deliver to the Plan such amounts of money as shall be necessary for timely payment of all claims and reasonable administrative expenses of the Plan.

The Company provides for stop-loss insurance over a specified amount as per agreement with the reinsurance carrier, with the premiums being paid by funds deposited in the Plan.

The Plan is contributory. Employees pay a flat rate toward their coverage and that of their dependents, which varies depending upon which medical plan options are selected.

The Company funds the health benefits through the use of a trust established by the Veris Benefits Consortium, LLC (Consortium) for the Plan. Monthly contributions are made to the trust in an amount sufficient to cover expected claims and administrative expenses of the Plan.

Employees are able to utilize a health reimbursement arrangement. The arrangement allows an employee to be reimbursed \$2,000 to \$6,000 per year, depending on the coverage. Reimbursements are for qualified medical expenses and must be incurred during each coverage period. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the employer.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED OCTOBER 31, 2020 AND 2019

1. Description of Plan and summary of significant accounting policies (continued):

COBRA:

The Plan offers continuation of benefits (COBRA) for a specified period of time to qualified employees and their dependents who would not otherwise be eligible for continued coverage because of a particular qualifying event.

Each qualifying individual pays his/her premium directly to the service provider.

Plan administration:

The Plan provides health benefits through the Consortium developed in 2011 for private sector employers. The Company is a participating member of the Consortium and executed an agreement to administer the Plan through the Consortium.

The Company has engaged third parties to act as service providers. The Company also entered into a membership agreement with the Consortium whereby the manager of the Consortium will perform administrative services on behalf of the Plan, including development of the program with respect to eligibility and underwriting standards, placing stop-loss insurance, coordination of regulatory compliance and document preparation.

The Company also entered into an agreement with an insurance provider to administer the health benefits under the Plan in accordance with its policies and procedures. The insurance provider invoices the Plan for claims paid on a weekly basis.

The service providers charge an administrative fee related to the services performed, of which certain administrative expense is paid from the Plan's trust account. These service providers noted above are considered parties-in-interest under ERISA.

In addition, the Plan's other administrative expenses are paid either directly by the Company or by the Plan.

Plan termination and modification:

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, the Company must pay the claims incurred and expenses of the Plan due up to the date of termination plus extended benefits, if any, provided under the Plan.

KARNS PRIME AND FANCY FOOD, LTD. EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED OCTOBER 31, 2020 AND 2019

1. Description of Plan and summary of significant accounting policies (continued):

Plan termination and modification:

The Company may terminate their participation in the Consortium, at which time they would incur fees to cover the cost of the administration of the claims that were incurred but not paid prior to the termination and fees to cover the cost of recovery of stop-loss claims that have not yet been returned to the group for claims that were incurred and paid during the contract period. The Consortium would be responsible to pay all claims incurred but not paid during the contract period. This includes, but is not limited to, claims that exceeded the specific deductible or aggregate attachment point and are not reimbursed by the stop-loss carrier.

Basis of accounting:

The accompanying financial statements have been prepared using the accrual basis of accounting and in accordance with the accounting principles generally accepted in the United States.

Valuation of investments:

The Plan's interest-bearing cash (money market fund) is valued at cost, which is fair value.

Claims payable:

Claims payable represent the amount of benefit claims incurred and reported to the Plan by the end of the year. See Note 2 for benefit obligations.

Claims incurred but not reported:

Claims incurred but not reported are the estimated claims, which have service dates prior to year end, but are reported to the Plan subsequent to year end. Those amounts are estimated based on actual claims experience. See Note 2 for benefit obligations.

The Plan had no accumulated eligibility credits or postretirement benefit obligations.

Payment of benefits:

Claim payments for benefits are recorded when paid by the service providers.

KARNS PRIME AND FANCY FOOD, LTD. EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED OCTOBER 31, 2020 AND 2019

1. Description of Plan and summary of significant accounting policies (continued):

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those amounts. Significant estimates used in the preparation of these financial statements relate to claims payable and currently due and claims incurred but not reported to the Plan.

2. Benefit obligations:

Financial Accounting Standards Board Accounting Standards Codification 965, *Accounting and Reporting by Health and Welfare Benefit Plans*, requires disclosure of the following Plan obligations at October 31, 2020 and 2019:

	<u>2020</u>	<u>2019</u>
Plan's benefit obligations:		
Claims payable and currently due for active participants	\$ 21,872	\$ 58,170
Claims incurred but not reported to the Plan for active participants	<u>101,984</u>	<u>123,403</u>
	<u><u>\$ 123,856</u></u>	<u><u>\$ 181,573</u></u>
Claims payable and currently due and claims incurred but not reported:		
Balance at October 31	\$ 181,573	
Claims incurred	1,264,635	
Claims paid	<u>(1,322,352)</u>	
Balance at October 31	<u><u>\$ 123,856</u></u>	

Plan obligations at October 31, 2020 and 2019 for claims incurred by participants but not reported at that date are measured by the Plan's actuary at the estimated ultimate cost to the Plan of settling the claims. Estimated ultimate cost reflects the Plan's obligation to pay claims to or for participants, regardless of status of employment beyond October 31, 2020 and 2019, pursuant to the provisions of the Plan. The method used to derive the estimated unpaid claims liability applies the reserve factor to a monthly average of the past several months of medical and drug claims, which is then adjusted as needed based on actual subsequent period claims paid.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED OCTOBER 31, 2020 AND 2019

2. Benefit obligations (continued):

The Plan does not offer postemployment benefits and, thus, they are not included in the above calculations.

3. Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at October 31, 2020 and 2019:

	2020	2019
Net assets available for benefits per the financial statements	\$ 257,814	\$ 40,035
Benefit obligations currently payable	<u>21,872</u>	<u>58,170</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 235,942</u></u>	<u><u>\$ (18,135)</u></u>

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended October 31, 2020:

Benefits paid per the financial statements	\$ 1,322,352
Add amounts currently payable at end of year	21,872
Amounts currently payable at beginning of year	<u>(58,170)</u>
Benefits paid per the Form 5500	<u><u>\$ 1,286,054</u></u>

Amounts currently payable to or for participants, dependents and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to October 31, but not yet paid as of that date.

4. Risks and uncertainties:

Plan assets include cash, which is held at a bank insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At October 31, 2020 and 2019, the cash balances did not exceed the FDIC insured limit.

The actuarial value of benefit obligations is reported based on certain assumptions pertaining to interest rates, healthcare and prescription drug costs and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

KARNS PRIME AND FANCY FOOD, LTD. EMPLOYEE BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED OCTOBER 31, 2020 AND 2019

4. Risks and uncertainties (continued):

On March 11, 2020, the World Health Organization declared the outbreak of the 2019 Novel Coronavirus (COVID-19) a pandemic. The COVID-19 pandemic has the potential to cause business disruption to the Plan beginning in March 2020. As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have on the Plan's operational and financial performance.

5. Tax status:

The Plan is intended to qualify as an employee welfare benefit plan as defined in ERISA, as amended. The Plan benefits are funded out of the general assets of the Company and employee contributions. The health benefits are paid in part from the trust established by the Veris Benefits Consortium, LLC and in part by pre-tax contributions made by the employees.

The trust established under the Plan to hold the Plan's assets is a taxable trust.

6. Related party and party-in-interest transactions:

The Plan engages third parties to perform administrative functions and process claims. Fees paid by the Plan for these services are included in administrative expenses on the statement of changes in net assets available for benefits.

7. Subsequent events:

The Plan has evaluated subsequent events through July 15, 2021, the date which the financial statements were available to be issued.
