INDEPENDENT AUDITORS' REPORT

To The Trustees
403(b) Thrift Plan of Eva's Village, Inc.
Paterson, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Eva's Village, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of Eva's Village, Inc.'s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Eva's Village, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Eva's Village, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Eva's Village, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Eva's Village, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at the end of the plan year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of Eva's Village, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of 403(b) Thrift Plan of Eva's Village, Inc. (the Plan) provides only general information and is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, which is responsible for their integrity and objectivity. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering all employees of Eva's Village, Inc. (the Organization). All employees become eligible to participate in the elective deferrals in the Plan immediately after being hired. Employees become eligible for employer contributions after he or she has completed two years of service, from the date of hire, with at least 1,000 hours of service in each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CARES Act, SECURE Act and Miners Act

The Plan has adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, which were immediately available, for coronavirus-related distribution, suspended participant loan payments and increased loan limits, and waiver of required minimum distributions that were due during 2020. In addition, the Plan has adopted certain provisions under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) and the Bipartisan American Miners Act of 2019 effective as of January 1, 2020. The Plan intends to formally execute the required Plan amendments for these provisions by the last day of the Plan year beginning on or after January 1, 2025.

The following descriptions of the Plan below have been updated with the provisions of the CARES, SECURE and Miners Acts that impact the Plan.

Contributions

Employees may elect to make a basic contribution to the Plan by authorizing his or her compensation to be reduced by any percentage or whole dollar amount. No employee is permitted to make a basic contribution in excess of the dollar limitation specified in the Internal Revenue Code at the beginning of the Plan year. Participants may roll over amounts from other qualified defined benefit or contribution plans. The Plan Sponsor made a discretionary contribution of 2% of annual compensation for the two years ended December 31, 2021 and 2020.

Participant accounts

Each participant's account is credited with the participant's contribution and allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also 100% vested in employer contributions. These amounts cannot be forfeited.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan (continued)

Notes receivable from participants

The Plan provides for Group annuity loans: Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are made directly from funds owned by Mutual and not from the participant's accounts. The loans are secured by the assets in the participant's account and have an interest rate of 4%. These loans, which are not assets of the Plan, were \$27,423 and \$35,286 at December 31, 2021 and 2020, respectively.

Loans must be paid back within five years. Principal and interest is paid ratably by the participant over the life of the loan.

Payment of benefits

A participant may request a payment of benefits if they (a) become terminated, (b) become disabled, (c) reach age 65, or (d) on account of hardship. Participants may elect to receive a payout as lump sum payment, partial payment, direct rollover, installment payments, and annuity contracts (if assets are held in a custodial account) or defer payments until age 72. Hardship distributions are required to be paid as lump sum payments.

In the event of a participant's death, any death benefit payable to a beneficiary will be distributed in the form of a qualified joint and survivor annuity if he or she has a spouse or a single sum payment to the beneficiary if the participant does not have a spouse. The spouse may elect to start receiving the death benefit on any first day of the month on or after the participant died and by the date the participant would have been required to take minimum distributions. If the spouse dies before benefits start, the participant's vested account, determined as of the date of the spouse's death, shall be paid to the spouse's beneficiary.

Hardship distributions

Participants are allowed to receive hardship distributions for certain events as described in the Plan.

Plan expenses

All administrative expenses shall be paid out of the Plan unless paid by the Plan Sponsor.

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting. These accounting policies conform to accounting principles generally accepted in the United States of America as promulgated in *FASB Accounting Standards Codification* (the Codification) and have been consistently applied in the preparation of the financial statements.

Estimates

The preparation of financial statements requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of accounting policies (continued)

Investment valuation and income recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in the interest accumulation account is reported as cash equivalents. The characteristics of this investment are comparable to cash equivalents in that there are no front or back-end charges, so that the investments are completely liquid; the interest rate credited to the investments are at the current rate and are not dependent upon the length of time the assets are invested; withdrawals can be made at any time and are processed on the same day; and the value shown on the statement is the redeemable value of the investment as there are no deferred sales charges, load assessment, or interest rate adjustments that would affect a withdrawal request.

Mutual fund investments are valued at quoted market prices that represent the net asset value of shares held by the Plan at year end. The change in market value of these investments is reflected in the statement of changes in net assets available for benefits as net appreciation or depreciation in fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefits are recorded when paid.

Tax status

The Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Uncertain tax positions

As of December 31, 2021, the Plan Administrator believes that based on evaluation of the Plan's tax positions that any liability as a result of uncertain tax positions would not be material. Management continually evaluates expiring statutes of limitations, changes in tax law, and new authoritative rulings to assist in evaluating the Plan's tax positions. Accrued interest and penalties associated with uncertain tax positions, if any, would be recognized as part of the income tax provision. Income tax returns are filed in the U.S. federal jurisdiction. U.S. federal income tax returns prior to 2018 are closed.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits. The Plan maintains its investments with an investment manager. Exposure to credit risk is reduced by placing such investments in high quality financial institutions and by following an investment strategy which utilizes a wide range of diversified funds.

The Plan has reviewed its operations in light of the COVID-19 pandemic in order to determine the financial impact. Economic uncertainties have arisen which may impact investment income and other Plan transactions. Other financial impact could occur though such potential impact is unknown at this time. In addition, the Federal and State responses to the pandemic could change the analysis done by the Plan, and that change could be material.

4. Certification of Custodian

We have been informed by the Plan Administrator that Mutual of America Life Insurance Company held the Plan's investment assets and executed investment transactions for the years ended December 31, 2021 and 2020. The Plan Administrator has obtained certifications from the Custodian, as of and for the years ended December 31, 2021 and 2020, that the information provided to the Plan Administrator by the Custodian is complete and accurate. The following account balances and transactions were obtained from statements certified by Mutual of America Life Insurance Company:

Statement of net assets available for benefits:

Investments

Statement of changes in net assets available for Plan benefits:

Net appreciation in fair value of investments

Investment income

5. Plan termination

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the entire account balance will be distributed to the participants, including distribution of contract, if the participant is invested in the annuity contract.

6. Transactions with parties-in-interest

The Plan Sponsor pays for professional fees related to services provided to the Plan. Fees paid on behalf of the Plan during the years ended December 31, 2021 and 2020 were \$15,000 and \$14,200, respectively.

The assets of the Plan invested with the Custodian are considered party-in-interest investments. The Custodian is a party-in-interest as provider of investment management and accounting services to the Plan. These transactions are exempt from the prohibited transaction rules. Administrative expenses relating to the above services are paid from Plan assets, netted against income and allocated to all Plan participants. Fees paid during the years ended December 31, 2021 and 2020 were \$1,726 and \$1,499, respectively.

403(B) THRIFT PLAN OF EVA'S VILLAGE, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

7. Fair value measurements of investments

The Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements).

The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

Level 2 – Inputs other than quoted prices that are observable for the assets or liability either directly or indirectly, including inputs that are not considered to be active;

Level 3 – Inputs that are unobservable.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad criteria data, liquidity statistics, and other factors. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the Plan. The Plan considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to the Plan's perceived risk of that investment.

The Plan's investments consist of the following at December 31, 2021:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 3,410,488</u>	<u>\$</u>	<u>\$ 3,410,488</u>	<u>\$</u>

The Plan's investments consist of the following at December 31, 2020:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 2,832,850</u>	<u>\$</u>	<u>\$ 2,832,850</u>	<u>\$</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

8. Due from sponsor

During the Plan year ended December 31, 2020, the Plan sponsor did not submit all employer contributions to the Plan. As of December 31, 2020, the Plan was due \$9,019 of employer contributions not timely deposited and \$745 of an estimated lost earnings on late and undeposited contributions.
