INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Fingerprint Marketing, Inc. 401(k) Plan
Saratoga Springs, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Fingerprint Marketing, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Fingerprint Marketing, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT *(Continued)*

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fingerprint Marketing, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fingerprint Marketing, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fingerprint Marketing, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT *(Continued)*

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at Year End) – Unaudited is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Fingerpaint Marketing, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FINGERPAINT MARKETING, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of Plan:

The following brief description of the FingerPaint Marketing, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution retirement plan covering substantially all employees of FingerPaint Marketing, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan became effective February 8, 2008.

The Plan was restated effective November 2, 2015 for the Pension Protection Act of 2006 (“PPA”).

The Plan was amended effective January 1, 2020 to be a safe-harbor plan, and was also amended on the same date to include 1798, LLC as a designated employer within the controlled group.

Effective April 3, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 2, 2020. A CARES Act distribution allows the Plan’s participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on January 1, 2020 and before December 31, 2020. In addition, effective April 3, 2020, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020. The Company intends to amend the Plan document by the required deadline of December 31, 2022.

The plan was amended October 1, 2020 to include Photo 51, LLC as a designated employer within the controlled group.

The plan was amended August 1, 2021 to include Leaderboard Branding, LLC and Splice Agency, LLC as designated employers within the controlled group.

Eligibility – Generally, all non-union, US resident employees (excluding interns) of the Company who have attained age 21 are eligible to participate in the Plan immediately upon being hired.

Contributions – Eligible employees may contribute between 1% and 90% of their annual eligible compensation on a pre-tax basis and after-tax (Roth) basis, or a combination of both, as defined by the Plan, subject to Internal Revenue Service limitations. Participants who are age 50 or older may elect to defer additional amounts called “catch-up” contributions. Rollover contributions from another qualified retirement plan or special individual retirement plan are permitted. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company will provide a matching contribution equal to 100% of elective deferral contributions that are not over 3% of compensation, plus 50% of elective deferral contributions which are over 3% but are not over 5% of compensation. The Company made \$2,130,514 and \$1,331,989 in matching contributions in 2021 and 2020, respectively.

Automatic Enrollment – Upon hire, employees are given a salary deferral agreement to elect to make elective deferrals into the Plan or to decline enrollment. If the agreement is not received once the employee becomes eligible to participate, the employee will have 3% automatically withheld and contributed into a default investment fund selected by the Company as a pre-tax contribution. A notice will be provided prior to the first automatic contribution.

(1) **Description of Plan, continued:**

Participant Accounts – Accounts are participant directed. Account balances are tracked in units and the value is updated with the daily market price. As of any business day, accounts are charged or credited with earnings (dividends, capital gains, expenses, and market fluctuations) as well as account activity such as contributions, loans, distributions, and hardships.

Vesting – Participants are immediately vested in their voluntary contributions and earnings or losses thereon. Vesting in the Company's contribution portion of their account is based on years of service. Using a graded vesting schedule, a participant becomes 100 percent vested in the Company's matching contributions after five years of service.

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of (a) \$50,000 or (b) 50% of their account balance. Loan terms range from 1-5 years or up to 25 years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account. The interest rates for 2021 and 2020 ranged from 4.25% to 7.50%. Principal and interest are paid ratably through weekly payroll deductions. The Company adopted the Coronavirus-related distributions relief related to participant loans. For 180 days following March 27, 2020, Plan participants were allowed to take a loan in an amount equal to 100% of the vested 401(k) balance, up to a maximum of \$100,000.

Withdrawal Privileges – Prior to termination, a participant may withdraw all or any portion of his vested account, excluding earnings on elective deferrals, in the event of undue financial hardship. The participant's request for a withdrawal shall include his statement and documentation proving that such a hardship exists and explain its nature. To qualify as a financial hardship withdrawal it must be determined that the withdrawal is to meet an immediate and financial need of the participant and the amount of the withdrawal is not reasonably available from other sources of the participant. Hardship withdrawals are limited to the following: financial needs arising on account of a college education, purchase of a principal residence, major medical expenses, prevention of eviction or foreclosure, burial or funeral expenses, and damage to a principal residence due to fire, storm or other casualty. The Plan Administrator has established uniform, nondiscriminatory guidelines to use in determining if such a condition of undue financial hardship exists. The Plan Administrator's determination shall be final. The participant has no legal or equitable right to such a withdrawal unless the immediate and financial need as defined has been demonstrated.

Withdrawal Provisions – The Plan also provides for in-service distributions for participants that have attained age 59 ½. Such participants will be entitled to receive a distribution of all or a portion of their vested contributions.

Payment of Benefits – Upon termination of service, disability, death or retirement, participants may elect to receive a lump sum or installments equal to the value of their accounts. Upon termination of service, the participants may also elect to roll over the funds into an IRA or to another employer's tax qualified plan. If the participant's account balance exceeds \$5,000 (excluding any rollover contributions plus earnings) he or she may also elect to receive installments or defer receiving payments until age 70 ½. If the participants account balance is between \$1,000 and \$5,000 and they do not elect to receive a lump-sum or a direct rollover, the balance will automatically be rolled over into an IRA established by an IRA provider selected by the Company. If the participants account balance is \$1,000 or less and they do not elect to receive a lump-sum or a direct rollover, the balances will automatically be cashed out in the form of a lump-sum.

FINGERPAINT MARKETING, INC. 401(K) PLAN

Notes to Financial Statements, continued

(1) Description of Plan, continued:

Administrative Services – The Plan states that costs incurred in administering the Plan may be paid by the Company, but if not paid by the Company when due, the costs shall be paid from the assets of the Plan. Administrative fees for loan and distribution processing are charged to the participant. The administrative fees paid (credited) from the assets of the Plan amounted to \$131,394 and \$84,560 in 2021 and 2020, respectively.

Forfeitures – Forfeitures of participants' non-vested account balances shall become available for payment of administrative expenses or to reduce employer contributions.

(2) Summary of Significant Accounting Policies:

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles.

Investments held by a defined contribution plan are required to be reported at fair value, except for common collective trust funds. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to common collective trust funds because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants – Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Use of Estimates – The preparation of the Plan's financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the date of the financial statements and the changes in net assets available for plan benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Investment Valuation and Income Recognition – Investments are reported at fair value, except for common collective trust funds, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See "Fair Value Measurements" below for discussion of fair value. Notes receivable from participants are valued at cost, which approximates fair value. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned. Security transactions are recorded on a trade-date basis. Gains or losses on sales of securities are based on average cost.

The Plan presents in the statements of changes in net assets available for plan benefits the net appreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Benefit Payment Recognition – Benefits are recorded when paid.

FINGERPAINT MARKETING, INC. 401(K) PLAN

Notes to Financial Statements, continued

(2) Summary of Significant Accounting Policies, continued:

Fair Value Measurements – The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Valued at the NAV of the underlying securities. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, and can be redeemed on a daily basis.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

(3) **Information Certified by the Trustee (Unaudited):**

The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FINGERPAINT MARKETING, INC. 401(K) PLAN

Notes to Financial Statements, continued

(4) Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all amounts credited to the accounts of the participants shall vest and become non-forfeitable. The employer shall direct the Trustee to make or commence distribution to, or on behalf of, each participant the value of his or her account balance in the Plan.

(5) Tax Status:

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

(6) Party-In-Interest Transactions:

Plan investments are managed by Principal Trust Company, the Trustee of the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Notes receivable from participants totaling \$160,597 and \$148,495 at December 31, 2021 and 2020, respectively, also qualify as party-in-interest transactions.

(7) Plan Mergers:

Effective August 1, 2021, the Oasis Retirement Savings Plan; the portion of the assets applicable to Leaderboard Branding, LLC, and the Splice Agency, LLC 401(k) Plan merged into the Plan. Plan assets were transferred to the trustee of the Plan subsequent to the plan merger.

(8) Subsequent Events:

For the year ended December 31, 2021, the Company evaluated subsequent events for potential recognition and disclosure through September 30, 2022, the date the financial statements were available to be issued. As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impact could occur though such potential impact is unknown at this time.

The plan was amended and restated effective February 18, 2022 for the Cycle 3 restatement and other legislative and regulatory changes.

(9) Adoption of New Accounting Pronouncement:

In July 2019, the AICPA Auditing Standards Board (ASB) issued Statement on Auditing Standards (SAS) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*. SAS No. 136, as deferred one year by SAS No. 141, is effective for annual reporting periods ending on or after December 15, 2021. The update addresses the auditor's responsibility to form an opinion on the financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 (ERISA). The update also addresses the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements. The Plan adopted SAS 136 for the year ended December 31, 2021.
