Independent Auditor's Report

To the Trustees
Blackhawk Community Credit Union 401(k) Plan and Trust
Janesville, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Blackhawk Community Credit Union 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Blackhawk Community Credit Union 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Blackhawk Community Credit Union 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Blackhawk Community Credit Union 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Blackhawk Community Credit Union 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Blackhawk Community Credit Union 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Blackhawk Community Credit Union 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Blackhawk Community Credit Union 401(k) Plan and Trust

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Blackhawk Community Credit Union 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Blackhawk Community Credit Union (the "Employer"). An employee becomes eligible to participate in the Plan after reaching the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 100% of pretax or after tax annual compensation, as defined by the Plan and subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation on a pre-tax basis, which increases to 6% after four years unless changed by the participant. During 2021, the Employer made safe harbor matching contributions of 100% of a participants' elective deferrals up to 5% of eligible compensation. Additional profit sharing amounts may also be contributed at the discretion of the Employer. In order to share in the discretionary profit sharing contributions, participants must be employed on the last day of the Plan year, or complete more than 500 hours of service during the Plan year, unless termination is due to death, disability, or retirement. No such profit sharing contributions were made by the Employer during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer safe harbor matching contributions, as well as allocations of Employer discretionary profit sharing contributions, and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Blackhawk Community Credit Union 401(k) Plan and Trust

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer contributions are as follows.

Discretionary profit sharing contributions are vested based on the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	- %
2 years	20 %
3 years	40 %
4 years	60 %
5 years	80 %
6 or more years	100 %

Safe harbor matching contributions are vested based on the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	- %
2 years	100 %

Notwithstanding the above, participants shall become 100% vested in their Employer contribution portion of their account upon attaining normal retirement (age 64), early retirement (age 50 and at least six years of service), their death, or becoming totally or permanently disabled.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Note repayment terms range from one to five years (longer if the note is made for the purchase of a primary residence). The notes are secured by the vested balance in the participant's account and bear interest at a reasonable rate determined by the Plan administrator. Participants are allowed to have only one note outstanding. At December 31, 2021, the interest rate on outstanding notes was 4.25-6.50%. Principal and interest are paid ratably through payroll deductions.

Blackhawk Community Credit Union 401(k) Plan and Trust

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either the value of the vested interest in his or her account in the form of a lump-sum distribution, substantially equal installments, or partial withdrawals. Distributions to terminated participants with vested account interests of \$1,000 or less are made as a lump-sum distribution without the participant's consent. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants, while still employed, may receive an in-service distribution from their 100% vested accounts upon attaining age 59 ½ or may receive a hardship distribution from their salary deferral account, subject to Plan provisions.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0. Forfeitures are used to reduce future Employer contributions or to pay administrative expenses of the Plan in accordance with the plan document. During the year ended December 31, 2021, Employer contributions were reduced by \$10,340 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts (FBRICs)). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Blackhawk Community Credit Union 401(k) Plan and Trust

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

Expenses

The Employer pays certain administrative expenses on behalf of the Plan which are excluded from these financial statements. Fees related to benefit payments and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 29, 2022, the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 1 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Blackhawk Community Credit Union 401(k) Plan and Trust

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Mutual funds held in pooled separate accounts: Fair value of mutual funds held in pooled separate accounts is based on quoted net asset values of underlying investments held by the pooled separate accounts adjusted by an asset charge. The underlying mutual funds held in pooled separate accounts are open-ended mutual funds registered with the U.S. Securities and Exchange Commission.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds held in pooled separate accounts	\$ -	\$ 11,194,905	\$ -	\$ 11,194,905
Total investment assets at fair value	\$ -	\$ 11,194,905	\$ -	\$ 11,194,905

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds held in pooled separate accounts	\$ -	\$ 9,089,039	\$ -	\$ 9,089,039
Total investment assets at fair value	\$ -	\$ 9,089,039	\$ -	\$ 9,089,039

Note 4: Information Prepared and Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by CMFG Life Insurance Company, the Custodian of the Plan.

Blackhawk Community Credit Union 401(k) Plan and Trust

Notes to Financial Statements

Note 5: Fully Benefit-Responsive Investment Contracts (FBRICs)

The Plan invests in a FBRIC with CUNA Mutual Group (CMG) in the form of a guaranteed investment contract (GIC). CMG maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. CMG is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The GIC is carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contractor issuer or otherwise. The crediting rate is based on the best interest rate that is consistent with the performance of CMG's general account assets.

Certain events limit the Plan's ability to transact at contract value with CMG including plan termination and other events as specified in the GIC. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the participants or the issuer are probable of occurring. The GIC does not permit CMG to terminate the agreement prior to the scheduled maturity date.

Note 6: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by CMFG Life Insurance Company or its affiliates. CMFG Life Insurance Company is the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan for the contract administrator fees were \$2,399 for the year ended December 31, 2021.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from prohibited rules of ERISA.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

Blackhawk Community Credit Union 401(k) Plan and Trust

Notes to Financial Statements

Note 8: Plan Tax Status

The IRS has determined and informed the Employer by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
