Lifelong: Health For All
Lifelong-Health For All 401(k) Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Lifelong-Health For All 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Lifelong-Health For All 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifelong-Health For All 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lifelong-Health For All 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifelong-Health For All 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Lifelong-Health For All 401(k) Plan (Formerly Lifelong AIDS Alliance 401(K) Plan). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LIFELONG-HEALTH FOR ALL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Lifelong-Health For All 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of eligible employees of Lifelong: Health For All (Lifelong). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan changes

Lifelong reserves the right to amend or terminate the Plan at any time. However, no such amendment or termination shall deprive any participant of any vested interest in the Plan. In the event of plan termination, participants will become fully vested in their accounts.

Eligibility and vesting

Employees must be at least age 18 to participate in the Plan.

Participants are 100% vested in their own contributions at all times.

Participants are 100% vested in employer contributions after the participant is credited with one full year of service, without regard to hours of service or partial years, or upon reaching retirement age, death, or becoming disabled while still a participant of the Plan.

Contributions

Lifelong's matching contribution was equal to 50% of each eligible qualified employee contribution during the pay period, not to exceed 3% of compensation for such period (resulting in a maximum of 1.5% of the employee's compensation) for employees within the first 5 years of employment. Upon reaching 5 years of continuous employment, the matching contribution was equal to 66.67% of each eligible qualified employee contribution during the pay period, not to exceed 3% of compensation for such period (resulting in a maximum of 2% of the employee's compensation).

Each active participant may elect to make pre-tax deferral employee contributions to the Plan up to the annual limits set by the Internal Revenue Service.

Participants may also contribute amounts representing distributions from other qualified plans (participant rollover contributions).

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE A – DESCRIPTION OF PLAN (Continued)

Participant accounts

Each participant's account is credited with the participant's contributions, Lifelong's contributions, Plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on a participant's account balance. A participant is entitled to the benefit that can be provided from the participant's vested account. A participant may direct all contributions in any of the investments offered by the custodian that are approved by the Plan. Investment options may be changed at any time by participants via a toll-free number or internet access.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. If a participant's vested account balance is \$20,000 or less, the participant may be allowed to borrow the lesser of \$10,000 or 100% of the participant's vested account balance. Loan terms cannot exceed five years unless the loan proceeds are used for purchasing a primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions. Participant loans receivable were \$30,814 and \$26,638 as of December 31, 2021 and 2020, respectively.

Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, the Plan allows distributions to a participant, while still employed at Lifelong, for financial hardships, as defined by the Plan document, or upon the participant's request after reaching the requisite age of 59 1/2 years (per IRS regulations).

Administrative expenses

Administrative expenses recorded in the financial statements of the Plan relate to investment advisory and recordkeeping services. Certain other administrative expenses related to Plan administration may be paid by Lifelong as allowed under the provisions of the Plan.

Forfeitures

Forfeitures may be used to reduce future employer contributions. During 2021 and 2020, there were \$842 and \$0, respectively, in forfeitures of benefits.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan have been prepared on an accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America as applied to defined contribution plans and in accordance with the Plan agreement.

Valuation of investments and investment income recognition

The Plan's investments are carried at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends, if any, are recorded on the ex-dividend date. The net appreciation (depreciation) in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Fair value measurements

In accordance with financial accounting standards, a three-tiered hierarchy of input levels is used for measuring fair value. Financial accounting standards defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Valuation techniques utilized to determine fair value are consistently applied.

The three tiers of inputs used for fair value measurements are as follows:

Level 1: Fair values are based on quoted prices in active markets for identical assets and liabilities.

Level 2: Fair values are based on observable inputs that include: quoted market prices for similar assets or liabilities; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets.

Level 3: Fair values are calculated by the use of pricing models and/or discounted cash flow methodologies and may require significant management judgment or estimation. These methodologies may result in a significant portion of the fair value being derived from unobservable data.

Contributions

Contributions from participants are recorded in the period in which they are withheld from the participants' compensation. Matching contributions from Lifelong are recorded in the period in which the related participant contributions are recorded.

Payment of benefits

Benefits paid to participants are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE C - ERISA 103(a)(3)(c) AUDIT

The audit for the year ended December 31, 2021 was an ERISA 103(a)(3)(c) audit. The certification provided by Fidelity Management Trust Company, Plan Trustee, applies to the investment assets, transactions, and income as well as to the schedules of investments.

NOTE D - FAIR VALUE MEASUREMENTS

Assets carried at fair value on a recurring basis (at least annually) are as follows:

	Quoted Prices in Active Markets <u>Level 1</u>	Other Observable Inputs <u>Level 2</u>	Unobservable Inputs <u>Level 3</u>	<u>Total</u>
As of December 31, 2021:				
Investments in registered investment companies	\$ 3,399,337	\$ -	\$ -	\$ 3,399,337
	<u>\$ 3,399,337</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,399,337</u>
As of December 31, 2020:				
Investments in registered investment companies	\$ 2,879,649	\$ -	\$ -	\$ 2,879,649
	<u>\$ 2,879,649</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,879,649</u>

NOTE E - TAX STATUS

The Plan has adopted a volume submitter prototype available from its third party administrator. The prototype received a favorable determination from the Internal Revenue Service (the IRS) on March 31, 2008 in which the IRS stated that the prototype as then designed was in compliance with applicable requirements of the Internal Revenue Code (the IRC). The Plan has been amended since the date of the favorable determination letter. The Plan has not received a determination letter as to the qualified status of the Plan's Adoption Agreement (including amendments). However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of registered investment companies managed by Fidelity Management Trust Company. These transactions qualify as exempt party-in-interest transactions.

NOTE G - PLAN AMENDMENTS

During 2021, the Plan was amended to change the name of the plan from Lifelong AIDS Alliance 401(k) Plan to Lifelong-Health For All 401(k) Plan, consistent with the change to the Sponsor organization's name change.

The IRS has determined and informed the Plan Trustee by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE H - SUBSEQUENT EVENTS

Management has evaluated events occurring subsequent to December 31, 2021 through October 4, 2022, which is the date the financial statements were available to be issued, and has recognized in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at December 31, 2021, including the estimates inherent in the processing of financial statements.
