INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Ohiopyle Prints, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed audits of the financial statements of Ohiopyle Prints, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of Ohiopyle Prints, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Capital Bank and Trust Company, a qualified institution, as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in note 10 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified by Capital Bank and Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ohiopyle Prints, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ohiopyle Prints, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures, responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ohiopyle Prints, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ohiopyle Prints 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In forming our opinion, on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We have audited the December 31, 2020 financial statements, and in our report dated September 17, 2021, we expressed an unmodified opinion on those 2020 financial statements.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Ohiopyle Prints, Inc., 401(K) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

Ohiopyle Prints, Inc. ("Company") adopted a prototype defined contribution plan that was developed by the Vargo Company, on January 1, 1988. The Plan covers all full-time employees of the Company who have one year of service and are age twenty-one or older. The most recent restatement of the prototype plan was effective May 1, 2015. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On December 3, 2020, the Company restated the Plan in its entirety by adopting a prototype defined contribution plan that was developed by American Fund Distributors, Inc. with administrative services provided by Capital Bank and Trust Company.

Contributions:

Each year, participants may contribute a portion of their salaries to the plan on a pretax basis, subject to annual limits under the Internal Revenue Code. Effective December 3, 2020, participants may contribute after tax Roth deferrals in addition to pretax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a money market fund and mutual funds as an investment for participants. The Company contributes a match to the Plan, along with a discretionary profit sharing contribution.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balances. The benefit of which a participant is entitled is the benefit that can be provided from the participant's vested account.

See Independent Auditors' Report.

OHIOPLYE PRINTS, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable From Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at various rates determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures:

Forfeitures of non-vested Company contributions are used to reduce future company contributions. At December 31, 2021, there were \$444 of outstanding forfeitures to be applied against the Company's contributions.

Administrative Expenses:

Investment management and plan administration fees are paid directly and indirectly by the Plan. Other expenses incurred in the administration of the Plan are paid directly by the Company.

Hardship Withdrawals:

Participants may request a hardship withdrawal which must be approved by the Plan Administrator and must meet the rules and reasons permitted by the Internal Revenue Service regulations.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the plan at year end.

The Plan presents in the Statement of Changes in Net Assets the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Capital gain distributions and dividend income from mutual funds are included in the line item for dividends.

Payment of Benefits:

Benefit payments to participants are recorded upon distribution.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

Note 3. Plan Changes

The Company changed the matching contribution for the 2018 Plan year. The match was changed to a 50% match on participant deferrals up to 4% of compensation. Prior to 2018, the match had been 25% match on participant deferrals up to 4% of compensation.

In August 2020, the Plan Sponsor decided to terminate their relationship with the Vargo Company and transfer the administrative functions to Capital Bank and Trust Company. Effective December 3, 2020 the Plan was restated.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There were no significant transfers of investments between levels during the year ended December 31, 2021.

Note 4. Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market Fund: Valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund is deemed to be actively traded.

Mutual Funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021.

	<i>Assets at Fair Value as of December 31, 2021</i>			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 36,067	\$ -	\$ -	\$ 36,067
Mutual Funds	5,138,967	-	-	5,138,967
Investments at Fair Value	<u>\$ 5,175,034</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,175,034</u>

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2020.

	<i>Assets at Fair Value as of December 31, 2020</i>			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 35,969	\$ -	\$ -	\$ 35,969
Mutual Funds	4,188,818	-	-	4,188,818

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. Federal Tax Status

The Internal Revenue Service determined by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8. Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 22, 2022, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 9. Related Party Transactions

Certain assets of the Plan are managed by the Capital Bank and Trust Company. Capital Bank and Trust is the trustee and custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan is under the control of a Trustee, who is the majority owner of the Company and utilizes Capital Bank and Trust, formerly The Vargo Company, as a recordkeeper, an independent employee benefit administration and consulting firm. Participant accounts are maintained by Capital Bank and Trust. Some administrative expenses are paid directly by the Plan and others are paid by the Company.

Prior to December 3, 2020, The Vargo Company provided certain administrative services to the Plan per an agreement between the Company and The Vargo Company. The Vargo Company received revenues from American Funds, whose mutual funds are managed by a subsidiary of Capital Bank and Trust. The revenue is used to offset the amount of the base fee that would normally be charged to the Plan.

Note 10. Information Prepared and Certified by Trustee

The information related to investments disclosed in the accompanying financial statements and supplemental schedule including all investments held at December 31, 2021 and net appreciation in value of investments, dividends and interest for the year ended December 31, 2021 was obtained or derived from data that has been prepared and certified to as complete and accurate by Capital Bank and Trust Company, a qualified institution, and the trustee of the Plan.

Note 11. Prohibited Transactions - Late Deposits

During the year ended December 31, 2021, the Company failed to timely remit the participant contributions that had been withheld from a payroll that had been made during October 2021. The error was discovered in January 2022, and the Company remitted the money to the plan, which consisted of participant contributions withheld in the amount of \$26. Late deposits of participant contributions are deemed to be prohibited transactions between the plan and the plan sponsor, a party in interest, under Department of Labor regulations.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

Note 12. Excess Contributions Payable

During calendar year 2021 the plan failed the actual deferral percentage test. As a result, the plan refunded \$13,108 of employee deferrals, employer match of \$2,842 and related investment gain of \$1,665 by the end of the first quarter in 2022.

Note 13. Revenue Recognition

Revenue is recognized when control of the promised services is transferred to the customer in an amount that reflects the consideration expected in exchange for those services. The Financial Reporting Executive Committee ("FinREC") issued pending content guidance for employee benefit plans. Per the FinREC guidance, the cash inflows generated by the Plan would not be considered revenue from customers due to the unique relationships created through a multi-employer benefit plan. Therefore, the cash inflows do not meet the requirement to be reported as revenue under ASC 606. No changes in the reporting of revenue are necessary for the Plan.

In order to meet the requirements of GAAP, the Plan adopted ASC 606 using the modified retrospective method. The reported results for the fiscal year ended December 31, 2021 reflect the application of the guidance of ASC 606 while the reported results for the fiscal year ended December 31, 2020 were prepared under the guidance of ASC 605.

There was no material impact to any of the line items within the Plan's Statement of Changes in Net Assets Available for Benefits or Statements of Net Assets Available for Benefits as a result of applying ASC 606 for the fiscal year ended December 31, 2021.

Note 14. Coronavirus Impact

In March 2020, the World Health Organization made the assessment that the outbreak of the coronavirus could be characterized as a pandemic. The coronavirus crisis had a major impact on the United States economy and financial markets. Some states mandated temporary work stoppages in order to try to contain the outbreak. Overall, the financial markets have been more volatile than usual. Since the coronavirus outbreak is an ongoing problem, investments may be more volatile than usual and there may be less work available due to regional outbreaks which could cause lower than expected contributions and larger benefit payments.

The federal government passed legislation that allowed benefit plans to make changes to allow participants to access to their retirement savings more easily. The Plan did not adopt any of these provisions.
