Independent Auditors' Report

The Plan Administrator of The Recovery Network of Programs, Inc. 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Recovery Network of Programs, Inc. 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Plan Administrator
Recovery Network of Programs, Inc. 403(b) Retirement Plan
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

The Plan Administrator
The Recovery Network of Programs, Inc. 403(b) Retirement Plan
Page 4

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Plan Administrator of The Recovery Network of Programs, Inc. 403(b) Retirement Plan

We were engaged to audit the accompanying statement of net assets available for benefits of the Recovery Network of Programs, Inc. 403(b) Retirement Plan (the "Plan"), as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life and Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the custodians as of December 31, 2020, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

403(b) Retirement Plan**

Notes to Financial Statements
December 31, 2021

1. Description of the Plan

The following description of the Recovery Network of Programs, Inc. 403(b) Retirement Plan (the “Plan” formerly known as Recovery Networks of Programs, Inc. Tax Deferred Annuity Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

General

The Plan is a 403(b) defined contribution plan, which was established by Recovery Network of Programs, Inc. (the “Company”) to provide retirement benefits for substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participation

Employees of the Company are eligible to participate in the Plan (employee deferrals) immediately upon hire. All employees are automatically enrolled in the Plan with a 2% employee deferral percentage, unless the employee elects a different percentage, even if the percentage is 0%. Employees are eligible to participate in employer discretionary contributions, which will be determined by the Employer with respect to each plan year’s eligible participations. There are no allocation requirements for participants to receive the discretionary contribution.

Contributions

Plan participants are allowed to make a pre-tax contribution up to the maximum allowed by law of their eligible salary (subject to Internal Revenue Code Section 403(b) elective deferral maximums). The Employer may contribute a discretionary base contribution to the Plan. For the 2021 plan year a contribution of \$149,437 was made to the Plan. Participants may also contribute amounts representing distributions from other qualified plans to their account at any time during the Plan year (“rollovers”).

Participants self-direct the investment of both participant and employer contributions into their accounts into various investment options offered by the Plan. If no investment election is made, contributions will be invested in a qualified default investment alternative comprised of target date funds.

Vesting

Participants are immediately vested in all amounts credited to their accounts.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contributions and (b) Plan earnings (losses) and (c) administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. Description of the Plan (*continued*)

Forfeitures

All contributions credited to participant accounts are fully vested. As a result, there are no forfeitures applicable to the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts varying amounts between a minimum of \$1,000 and a cumulative maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Participants may have up to three loans outstanding, however, they may only obtain one new loan during any consecutive 12 month period. All loans must have a definite repayment schedule, which provides for principal and interest payments to be made on a quarterly basis directly by the participant to the record keeper over a period not to exceed five years, except for loans used for the purchase of a residence that may be repaid over a period not to exceed ten years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The Plan imposes a 3% annual administrative loan charge.

Payment of Benefits

Upon the earliest of retirement, death, disability or termination of employment, participants become eligible for a lump-sum distribution of their accounts. The automatic form of benefit under the Plan is an annuity or qualified joint and survivor annuity for married participants. At age 70 ½ there is a required distribution of a portion of the account balance, based on the life expectancy of the individual. However, if a participant is still employed at the age of 70 ½, they can defer receipt of their required minimum distribution until after termination of employment. The Plan allows for involuntary cash out distributions of terminated participants with balances of \$1,000 or less. Account balances that are greater than \$1,000 but less than \$5,000 will be subject to the applicable automatic IRA rollover requirements of Code Section 401(a)(31)(B). Participants who demonstrate that a hardship (as defined under Internal Revenue Service Regulations) exists, may withdraw funds from their accounts.

Plan Expenses

The Plan permits the payment of administrative expenses to be made from the Plan's assets and for them to be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. However, substantially all administrative expenses of the Plan are paid by the Company. Expenses relating to specific participant transactions (i.e. loan setup, distribution request, annual account fee, etc.) are charged directly against the appropriate participant's account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2021 and 2020, the Plan's investments, that were valued at fair value, were valued using Level 1 inputs.

Investment Valuation and Income Recognition

All investments of the Plan are stated at fair value except for the insurance company general accounts, which are stated at contract value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price.

The insurance company general accounts are reported at contract value, which represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (*continued*)

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 11, 2022.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company and Transamerica Financial Life Insurance Company (“TFLIC”), qualified institution’s.

4. Insurance Company General Accounts

The TFLIC Fixed Fund, Government Fixed Fund and Stable Fund (the “Accounts”) are investment choices held by the general account of TFLIC. The assets in the general accounts are supported by the financial stability of TFLIC. While TFLIC declares interest rates and backs the principal and interest of these investment choices, any guarantees are subject to the claims paying ability of the insurance company. For the TFLIC Fixed Fund and Government Fixed Fund, no monies may be transferred by participants to fixed income funds (competing funds). Monies transferred to non-fixed income funds may not be transferred to fixed income funds or back for 90 days. Monies transferred back or withdrawn within the 90 day period are subject to a 5% charge. Monies withdrawn or transferred by the Employer and monies withdrawn by participants not due to benefit withdrawals, hardships and loans may be subject to a withdrawal charge. For the TFLIC Stable Fund, no monies may be transferred by participants to fixed income funds (competing funds) except at a segment maturity date. Monies transferred to non-fixed income funds may not be transferred to fixed income funds or back for three months. Monies withdrawn or transferred by the Employer at any time and/or by participants during the 6 month period preceding contract suspension may be subject to restriction and/or adjustment in accordance with contract provisions.

Because the Accounts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Accounts.

The crediting interest rate for the Fixed, Government Fixed and Stable Funds is based on a formula agreed upon with the issuer, but may not be less than 3.5%. The crediting rate is reviewed on a quarterly basis for resetting.

4. Insurance Company General Accounts (*continued*)

The Accounts represent approximately 28% and 31% of the Plan's net assets available for benefits at December 31, 2021 and 2020. The credit risk of TFLIC was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best Company (A as of June 2022), Moody's Investors Service (A1 as of June 2022) and Standard and Poor's (A+ as of June 2022).

5. Tax Status

The prototype plan document preparer received an IRS Opinion Letter dated March 31, 2017. The Company has adopted a restated prototype plan document effective March 31, 2020 which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. Although the Plan has been amended, the Company believes that the Plan is designed and currently being operated in accordance with applicable sections of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company may at any time terminate the Plan and discontinue all contributions, subject to the applicable provisions of ERISA. In the event the Plan is terminated, all participants shall become fully vested in their account balances.

7. Party-in-Interest Transactions

All investments of the Plan are managed by TFLIC. TFLIC is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Transamerica Retirement Solutions is the record-keeper for the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

8. Risks and Uncertainties

Investments securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
