ACR Homes, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of ACR Homes, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions, as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

The following description of the ACR Homes, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan's summary plan description and plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by ACR Homes, Inc. and ACR HealthCare Services (collectively, the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the requirements of Section 401(k) of the Internal Revenue Code (IRC). The Company is the sponsor and administrator of the Plan. Fidelity Management Trust Company (Fidelity) is the trustee (the Trustee). The Trustee is responsible for holding the investment assets of the Plan and making distributions according to the Plan's provisions. In addition, the Trustee provides recordkeeping services for the Plan.

Coronavirus Aid, Relief and Economic Security Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. The provisions of the CARES Act affecting employer-sponsored retirement plans were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

- **Coronavirus-Related Distributions** – Qualified individuals, as defined in the CARES Act, were permitted to take a coronavirus-related distribution of up to the lesser of \$100,000 or 100% of their vested account from the Plan, without incurring a 10% early withdrawal penalty. Eligible distributions were permitted to be taken until December 30, 2020. Distributions may be repaid to an eligible retirement plan within three years or a participant may elect to include these distributions in taxable income on a pro rata basis over three years.
- **Participant Loans** – Qualified individuals with loans outstanding were permitted to suspend 2020 loan repayments through December 31, 2020. Additionally, qualified individuals were eligible to borrow up to a maximum equal to the lesser of \$100,000 or 100% of their vested account balance during 2020 (an increase from \$50,000 and from 50% of their vested account balance previously permitted), with repayments suspended until 2021.

Eligibility

Participants can enter the Plan on the first day of the month coinciding with or immediately following satisfaction of the Plan eligibility requirements. Employees who are covered by a collective bargaining agreement, who are independent contractors or who are nonresident aliens and do not receive earned income from the Company, are excluded from participation in the Plan. Employees must be at least 21 years old to participate in the Plan.

Contributions

Each year, participants may contribute up to 60% of pre-tax annual compensation (salary reduction contributions), as defined in the Plan, as well as subject to the appropriate IRC limits. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). If the participant is 50 years of age or older, they may elect to defer additional amounts (catch-up contributions). Participants may also contribute post-tax contributions (Roth contributions).

Each year, the Company may make a discretionary matching contribution on behalf of eligible participants, based on eligible wages. In order to receive the discretionary matching contribution, the participants must have worked at least 1,000 hours during the plan year and be employed on the last day of the Plan year, unless termination is due to death, disability or retirement. No discretionary matching contributions were made for the year ended December 31, 2021.

ACR Homes, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements
December 31, 2021 and 2020

Each year, the Company may make a discretionary nonelective contribution allocated to all eligible participants. In order to receive the discretionary nonelective contribution, the participants must have worked at least 1,000 hours during the plan year and be employed on the last day of the Plan year, unless termination is due to death, disability or retirement. No discretionary nonelective contribution was made for the year ended December 31, 2021.

Participant Accounts

Participants may direct the balance of their account into any combination of the investment options offered by the Plan. Company profit sharing contributions are directed to the Plan's investment options based on the participant's investment elections.

Each participant account is credited with the participant's elective deferral contributions (salary reduction, catch-up and Roth), rollover contributions and an allocation of the Company's discretionary matching and nonelective contributions and plan earnings/losses (net of administrative expenses). Allocations are based on participant earnings on account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Company discretionary matching and nonelective contributions are subject to a six year graduated vesting schedule. Company contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2 years	0%
2 years but fewer than 3	20%
3 years but fewer than 4	40%
4 years but fewer than 5	60%
5 years but fewer than 6	80%
6 years or more	100%

Participants are immediately vested in their salary reduction, rollover, catch-up and Roth contributions plus earnings thereon. For purposes of determining the extent to which a participant is vested, a year of service is a consecutive twelve-month period in which the participant is employed by the Company. Each participant also becomes 100% vested on termination of service due to death, disability or upon normal retirement age, as defined in the Plan.

Forfeited Accounts

Forfeitures are used to offset administrative expense or to reduce future Company contributions. In 2021, forfeitures of \$16,431 were used to pay administrative expenses. Unallocated forfeitures were \$18,638 and \$8,688 as of December 31, 2021 and 2020, respectively.

Payment of Benefits

Distributions to terminated, disabled or retired participants or beneficiaries of deceased participants, are made in the form of a single lump-sum payment equal to the value of the participant's vested account. Participants who become disabled are considered 100% vested in their account. A participant may withdraw any part of their vested balance at any time after they attain the age of 59½. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan. Account balances of terminated participants that have less than \$5,000 are automatically distributed.

Notes Receivable From Participants

The Plan allows for participant loans. Participants may borrow from their investment accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant loans reduce the balance of a participant's account and are maintained by the Plan as a note receivable from participant. Loan terms range from one to five years or up to 10 years for the purchase of a principal residence. These loans are secured by the balance in the participant's account and bear interest at the market rate at the time of borrowing, as determined by the Company. As of December 31, 2021 the interest rates on outstanding loans ranged from 4.50% to 5.50%. As of December 31, 2020 the interest rates on outstanding loans ranged from 3.25% to 5.50%. Participants pay principal and interest ratably through payroll deductions over the life of the loan.

As previously described in the CARES Act footnote above, CARES Act loan provisions allowed qualified individuals to suspend their loan repayments through December 31, 2020 and temporarily increased the maximum amount allowed for borrowing.

Termination of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to, at any time, discontinue its contributions or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all account balances will be distributed in accordance with the terms of the Plan.

Administrative Expenses

The Company may pay certain administrative expenses on behalf of the Plan. Fees specific to the participant's investment selections and accounts are charged against that participant's account balance.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the accrual method of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to use estimates and assumptions that affect the accompanying financial statements and disclosure. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value as determined by the Trustee using quoted market prices and calculated net asset value. Refer to Note 4 for details on inputs, valuation techniques and fair value measurement level within the fair value hierarchy.

Net appreciation (depreciation) in fair value of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the period or the cost of the investment, if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest and dividend income is recorded on the cash basis, which approximates accounting principles generally acceptable in the United States of America.

ACR Homes, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements
December 31, 2021 and 2020

Risks and Uncertainties

Investments, in general, are subject to various risks, including credit, interest and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan investments are not insured by FDIC or similar coverage.

As of December 31, 2021 and 2020, the Plan had investments of \$7,874,313 and \$6,786,637, that were concentrated in the following funds:

2021	2020
BlackRock LifePath Index 2030 Fund Class K	BlackRock LifePath Index 2030 Fund Class K
BlackRock LifePath Index 2040 Fund Class K	BlackRock LifePath Index 2040 Fund Class K
BlackRock LifePath Index 2045 Fund Class K	BlackRock LifePath Index 2045 Fund Class K
BlackRock LifePath Index 2050 Fund Class K	BlackRock LifePath Index 2050 Fund Class K

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Benefits

Benefits are recorded when paid.

3. Information Prepared and Certified by the Trustee

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020 and the supplementary Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021 and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access.

ACR Homes, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements
December 31, 2021 and 2020

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measure.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total

ACR Homes, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements
December 31, 2021 and 2020

- (a) In accordance with Subtopic 820-10, certain investments in common collective trusts that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective trusts are valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment advisors reserve the right to temporarily delay the withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner.

While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value measurement at the reporting date. There has been no change in methodologies used at December 31, 2021 and 2020.

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2021				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Invesco Stable Value III	\$ 244,046	N/A	Daily	Up to 12 months

Notes to Financial Statements
December 31, 2021 and 2020

5. Related-Party and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by the Trustee and therefore, these transactions qualify as party in interest transactions. Fees paid directly by the Plan for investment management services amounted to \$75,155 for the year ended December 31, 2021 and are party in interest transactions. Fees of \$18,020 were netted against investment income. Additionally, the Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

6. Income Tax Status

Prior to January 21, 2021, the Plan adopted a qualified trust prototype plan which obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan was restated on January 21, 2021, on a nonstandardized pre-approved plan document sponsored by FMR, LLC which is subject to a determination letter effective June 30, 2020. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Reconciliation of Financial Statements to Form 5500

The financial statements have been prepared using the accrual method of accounting while the Plan's Form 5500 has been prepared using the modified cash-basis method of accounting. The reconciliation between the financial statements and Form 5500 as of December 31, 2021 and 2020 and for the year ended December 31, 2021 is as follows:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits as presented on these financial statements	\$ 13,614,416	\$ 12,156,410
Adjustment for participant profit sharing contribution	-	(290,000)
