INDEPENDENT AUDITOR'S REPORT

October 5, 2022

To the Plan Administrator of the
Nazareth College of Rochester
Defined Contribution Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Nazareth College of Rochester Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NAZARETH COLLEGE OF ROCHESTER DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of the Nazareth College of Rochester Defined Contribution Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all employees of Nazareth College of Rochester (the College) who meet certain eligibility requirements. The Plan is administered by the authorized officers of the College. Teachers Insurance and Annuity Association (TIAA) is the recordkeeper of the Plan's assets and an insurance company of the Plan. College Retirement Equities Fund (CREF) is also an insurance company of the Plan. TIAA, FSB, is the directed custodian of certain assets of the Plan record kept by TIAA. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to begin salary deferrals upon hire and receive College contributions after completing two years of service and obtaining age 21, unless they are part of a group of excluded employees.

Contributions

Active participants may make voluntary pre-tax contributions in the form of salary reductions and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 403(b).

Provided that the Participant has made the required elective deferral of 2% of compensation, the College will make contributions as a percentage of compensation based upon years of eligible service on the following schedule: 5% of eligible compensation if the employee has less than five years of eligible service, 7% of eligible compensation if the employee has greater than five years of eligible service.

Vesting

Participants are immediately vested in their voluntary contributions, College contributions, and actual earnings/losses thereon.

Participant Accounts

Each participant's account is credited with the participant's contribution, the College's contribution, an allocation of Plan earnings/losses on all contributions, and an allocation of administrative expenses. Allocations of Plan earnings/losses and administrative expenses are based on participant account balances according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Vested funds are paid to participants when they retire or terminate employment with the College. Benefits may be paid out in a single lump sum or in periodic installments over a period that is not greater than or equal to the life expectancy of the participant.

Plan Loans

Plan loans are issued directly from the funds owned by TIAA and CREF and are not issued directly from a participant's account. Accordingly, these loans are not presented as part of the plan assets in the accompanying statement of net assets available for benefits. A portion of the participant's account equal to 110% of any outstanding loan is held in collateral in case of default. Interest rates on plan loans range from 4.00% to 4.65%. As of December 31, 2021 and 2020, total plan loans outstanding to the Plan was \$104,086 and \$185,431, respectively.

Notes Receivable from Participants

Effective September 2020, the Plan no longer offers collateralized loans. Instead, participants are allowed to borrow against their respective account balance. Participants may borrow up to the lesser of 50% of their vested account balances, or \$50,000 reduced by the highest outstanding loan balance incurred by the participant during the 12-month period ending on the day before the date on which the loan was made. Loans are repayable over periods not to exceed five years, except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at the prime rate plus 1%. Defaulted loans are deemed as distributions to the extent the law allows.

Hardship Withdrawals

Hardship withdrawals from the plan are permitted from a participant's account. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments

Investments are reported at fair value, except for fully benefit-responsive fixed annuity contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

Annuity Contracts

The Plan utilizes Retirement Annuity (RA) contracts with TIAA, which are included in the non benefit-responsive fixed annuity contracts in the statements of net assets available for benefits. TIAA maintains plan contributions in separate accounts. Under RA contract terms, lump-sum withdrawals are not available. All withdrawals and transfers from the account must be spread over 10 annual installments (over 5 years for withdrawals after termination of employment).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Annuity Contracts (Continued)

The Plan has fully benefit-responsive fixed annuity contracts. TIAA maintains the Plan contributions in separate accounts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The accounts are credited with contributions and earnings on the underlying investments and are charged for Plan withdrawals. Earnings on the underlying investments are guaranteed by TIAA at a rate of 3%.

Fair Value Measurement - Definition and Hierarchy

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are based on quoted prices (unadjusted) in active markets for identical assets and liabilities that the Plan has the ability to access at the measurement date.
- Level 2 inputs are based on quoted market prices for markets that are not active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 inputs are based on pricing inputs that are unobservable for the assets and reflect certain assumptions to determine fair value.

The following is a description of the valuation methodology used for assets measured at fair value.

Registered Investment Companies and Variable Annuity Accounts: Include money market and mutual funds valued at the net asset value of shares held at year end based on quoted prices in active markets. Included in registered investment companies are variable annuity contracts, which are valued at year end based on quoted prices in active markets.

Pooled separate accounts: A separate account of TIAA and CREF invested in real estate properties and real estate related investments that is valued based on external property appraisals and using values obtained from independent pricing sources. Unit values are calculated daily.

Non benefit-responsive fixed annuity contracts: Value is calculated as accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals.

There were no changes in valuation methodologies used during 2021 and 2020.

A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 5.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the financial statements.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by Plan participants through a reduction of investment income.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. COVID-19

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic. The global pandemic caused by the virus disrupted world-wide economic activity.

In April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allowed the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, in April 2020, the Plan adopted the loan and loan deferral provisions of the CARES Act. A CARES Act loan allowed Plan participants to take a COVID-19 related loan from the Plan up to the lesser of \$100,000 or 100% of their vested account balance beginning on or after March 27, 2020 and before September 23, 2020. The loan deferral provisions allowed Plan participants to defer payments on current and new loans through December 31, 2020. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The overall short-term and long-term consequences of COVID-19 on a national, regional, and local level are unknown, but there is the potential of a noteworthy negative economic impact. The impact of this situation on the Plan Sponsor, the Plan, and its future results and financial position is not presently determinable.

4. CERTIFIED INVESTMENT INFORMATION

5. FAIR VALUE MEASUREMENTS (Continued)

Non Benefit-Responsive Fixed Annuity Contracts

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the ASC 820 fair value hierarchy at December 31:

<u>Type</u>	<u>2021 Fair Value</u>	<u>Valuation Technique</u>	<u>Significant Unobservable Inputs</u>	<u>Range</u>
TIAA Traditional Non Benefit - Responsive Fixed Annuity Contracts	<u>\$ 36,963,732</u>	Discounted cash flow and theoretical transfer (exit value)	Risk-adjusted discount rate applied *	RA - 3.00% - 3.80%

<u>Type</u>	<u>2020 Fair Value</u>	<u>Valuation Technique</u>	<u>Significant Unobservable Inputs</u>	<u>Range</u>
TIAA Traditional Non Benefit - Responsive Fixed Annuity Contracts	<u>\$ 38,190,880</u>	Discounted cash flow and theoretical transfer (exit value)	Risk-adjusted discount rate applied *	RA - 3.00% - 4.45%

* Unobservable inputs include discount rate applied.

The plan administrator assesses the fair value measurement policies and procedures applied by TIAA on a continuing basis. Periodically, the plan administrator, with assistance from an independent third-party, determines if the current valuation techniques used in the fair value measurements are still appropriate.

6. PARTY-IN-INTEREST TRANSACTIONS

TIAA and CREF are the insurance companies and issuers of the annuity contracts of the Plan. TIAA, FSB is a directed custodian of certain assets of the Plan. As such, transactions between TIAA, CREF, TIAA, FSB, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

7. TAX STATUS

The Plan is exempt from federal and state income tax under Section 403(b) of the Internal Revenue Code. Beginning in June of 2013, the IRS determination letter process has opened for 403(b) prototype plans and volume submitters to apply for a determination letter. The Plan sponsor is assessing the applicability of the determination process.

The Plan is required to operate in accordance with the Internal Revenue Code to maintain its tax exemption. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the College has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would remain 100% vested in their accounts.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the year ended December 31, 2021 and 2020.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 5, 2022, which is the date the financial statements were available to be issued.
