## **Independent Auditor's Report**

To the Plan Administrator  
Charter HR Retirement Savings Plan  
Alexander City, Alabama

### ***Opinion***

We have audited the accompanying financial statements of the Charter HR Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the year ended December 31, 2021, and are in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

### ***Responsibilities of Management for the Financial Statements (cont.)***

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# Charter HR Retirement Savings Plan

## Notes to Financial Statements

---

### 1. Description of the Plan

The following description of the Charter HR Retirement Savings Plan (the Plan) is provided only for general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### *General*

The Plan is a multiple employer defined contribution plan as described in Section 413(c) of the Internal Revenue Code (IRC) covering eligible employees of Charter HR, Inc. (the Sponsor or the Company). The Company is a Professional Employer Organization (PEO) which provides payroll processing and human resource services to its clients. Each client of the Company has the option of adopting this Plan for the benefit of its employees (Adopting Employer). During 2021, the Adopting Employers of the plan were: Malibu Electronics, LLC, Bixler Corporation, Inc., Southern Equipment and Crew, LLC, Southern Electrical Contractors, Inc., Charter HR, Inc., Circle City Transport, Inc., Stark Foundations, Inc., Office Equipment Company, Inc., The Mule Trader, LLC, Heirloom Management, LLC, Leontine Linens, Ltd., Alabama Paper & Supply, Militaria, Inc., Griggs Equipment Company, Inc., Midway Auto, Inc., Craven & Perry PLLC, and Gulf Shores General Practice Center, P.C.

Each Adopting Employer establishes its eligibility requirements related to age and length of service for its employees in accordance with the Plan document and the IRC. The provisions of the Plan, as applicable to the Adopting Employer and its employees, are based on the selections of the Adopting Employer with respect to the variable features provided by the Plan document and the adoption agreement. The Plan was originally effective on January 1, 2011 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### *Contributions*

Participants may elect to contribute an amount of eligible compensation subject to annual limitations set forth in Section 402(g) of the IRC or as defined in each Adopting Employers adoption agreement. Employee contributions may be made on a before-tax basis or after-tax basis, as defined in each Adopting Employer's adoption agreement. Roth deferrals are allowed under the Plan, if elected by an Adopting Employer. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to the maximum allowed by the IRC. Participants may change their contribution percentages at any time or may elect to completely suspend contributions at any time. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each Adopting Employer elects the level of safe harbor, matching and/or profit-sharing contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Adopting Employer contributions, if any, are recorded in the year for which the contributions apply.

#### *Participant Accounts*

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and their Adopting Employer's contributions, if any, and Plan earnings. Participant accounts are charged for withdrawals, administrative expenses and any allocation of Plan losses. Allocations are based on participant earnings, account balances, or specific transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

# Charter HR Retirement Savings Plan

## Notes to Financial Statements

---

### 1. Description of the Plan (cont.)

#### *Vesting*

Participants are immediately vested in their voluntary contributions and the Adopting Employer's safe harbor contributions, if applicable, plus actual earnings thereon. Vesting of the remainder of their account is based on years of continuous service. Vesting schedules vary based on the Adopting Employer's elections as defined in the adoption agreement. Participants also become fully vested upon retirement age, death or becoming disabled.

#### *Forfeitures*

At December 31, 2021 and 2020, forfeited balances totaled \$1,198 and \$1,198, respectively. Forfeited balances are used to reduce future Adopting Employer contributions and to offset Plan expenses. During the year ended December 31, 2021, no forfeitures were used to offset Company contributions or offset Plan expenses.

#### *Notes Receivable from Participants*

Participants may borrow from their account up to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest as determined by the Plan administrator. The interest rate is based on the prevailing interest rate charged by persons in the business of lending money for loans that would be made under similar circumstances. The interest rates on notes receivable from participants range from 4.25% to 6.00% at December 31, 2021. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. Loans are not considered distributions and are not subject to federal or state income taxes, provided they are repaid as required. Loans are repaid through regular payroll deductions.

#### *Payment of Benefits*

Upon termination of service due to death, disability, retirement, or separation of service, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or a rollover into another qualified plan. Additionally, participants reaching 59½ years of age may receive in-service distributions from the Plan. Under certain qualifying circumstances, hardship withdrawals are permitted under the Plan.

### 2. Summary of Significant Accounting Policies

#### *Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### *Use of Accounting Estimates*

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and the disclosure of the contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

# Charter HR Retirement Savings Plan

## Notes to Financial Statements

---

### 2. Summary of Significant Accounting Policies (cont.)

#### *Investment Valuation*

The Plan's investments are stated at fair value. Fair value of financial instruments is what would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *Notes Receivable from Participants*

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

#### *Payment of Benefits*

Benefit payments are recorded when paid.

#### *Administrative Expenses*

The Plan's administrative expenses are paid by either the Plan or the Company or Adopting Employers, as provided by the Plan document. Certain expenses incurred maintaining the Plan are paid directly by the Company or Adopting Employers and are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

### 3. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy assigns the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are described as follows:

*Level 1* - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.

*Level 2* - Observable inputs other than Level 1 prices, such as a quoted price for similar assets or liabilities; quoted market prices in markets that are active; or model-derived valuation or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

*Level 3* - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

# Charter HR Retirement Savings Plan

## Notes to Financial Statements

### 3. Fair Value Measurement (cont.)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value at December 31, 2021 and 2020. There has been no changes in the methodology used at December 31, 2021 and 2020.

*Mutual Funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020.

| <i>December 31, 2021</i>               | <b>Level 1</b>      | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>        |

| Total investments at fair value        |                     |                |                | <u>\$ 3,533,757</u> |

### 4. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions (Adopting Employer) at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their account balances and such balances shall be distributed to participants and beneficiaries based on their individual accounts in the Plan as of the termination date.

# Charter HR Retirement Savings Plan

## Notes to Financial Statements

---

### 5. Income Tax Status

The Plan is based on the Volume Submitter Profit Sharing Plan with CODA (volume submitter plan) sponsored by Slavic Integrated Administration, Inc. (Slavic). The IRS has opined and informed Slavic by letter dated March 31, 2014, that the volume submitter plan is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 6. Party-In-Interest Transactions

Mid Atlantic Trust Company, the custodian, performs services, sells products, and maintains certain investments of the Plan for which fees are charged to the Plan. Party-in-interest transactions also include notes receivable from participants. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

### 7. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its investment performance, and overall financial results.

### 8. Subsequent Events

The Plan has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through October 10, 2022, which was the date the financial statements were available to be issued, and has determined that, except for the matters noted below, no significant events occurred after December 31, 2021, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.

Effective April 1, 2022, the Plan was amended and restated. As a result, no significant changes were made to the provisions or operations of the Plan. There have been two new Adopting Employers adopt the Plan which have not resulted in any funds being transferred to the Plan.
