INDEPENDENT AUDITORS' REPORT

Members of the 403(b) Committee and Participants of Atlanta Botanical Garden, Inc. 403(b) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Atlanta Botanical Garden, Inc. 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Basis for Disclaimer of Opinion on the 2021 Financial Statements (Continued)

Further, as described in Note 1 to the 2021 financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ATLANTA BOTANICAL GARDEN, INC. 403(b) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Atlanta Botanical Gardens, Inc. 403(b) Retirement Savings Plan (the "Plan"), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Atlanta Botanical Gardens, Inc. (the "Garden") established the Plan effective August 1, 2003. The Plan is a defined contribution plan covering substantially all employees of the Garden, who are age twenty-one or older and are expected to work over 1,000 hours annually. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Garden has elected to exclude certain investments that were issued to former employees before January 1, 2009 as provided by the Department of Labor's ("DOL") Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*. Each excluded investment meets the four criteria set forth by the Field Assistance Bulletin to be able to exclude these investments. The amount of the excluded investments has not been determined. Certain investments issued by Teachers Insurance and Annuity Association and College Retirement Equities Fund ("TIAA-CREF"), prior to January 1, 2009 are included in the statement of net assets available for benefits as of December 31, 2021 and 2020.

(b) Contributions

Employees may defer and contribute a percentage of their salary each year; however, total deferrals cannot exceed certain Internal Revenue Code ("IRC") limits. If a participant has attained age 50 prior to the end of the Plan year, they are eligible to make catch-up contributions up to the maximum allowed by the IRC. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Garden may also make a discretionary non-elective contribution to the Plan. In general, to be eligible for the non-elective employer contribution, the participant must be employed on the last day of the Plan year and must have worked at least 3 months and 1,000 hours during the Plan year. The non-elective employer contribution is allocated based on participants' compensation to total compensation of all participants eligible for the non-elective employer contribution.

(c) Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of the Garden's contributions and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expense, as applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

Participants' vesting in Garden discretionary non-elective contributions, and income or losses thereon, is based on continuous service during which an employee completes at least 1,000 hours of service with the Garden. The vesting percentages are as follows:

<u>Years of Vesting Service:</u>	<u>Vesting Percentage:</u>
Less than One Year	0%
One Year but less than Two Years	33%
Two Years but less than Three Years	67%
Three or More Years	100%

(e) Investment Options

The Plan provided participants with options to invest in various TIAA CREF registered investment funds, TIAA-CREF pooled separate accounts, and TIAA Traditional Annuity Contracts as well as a fixed annuity contract and various mutual funds with Great-West Life & Annuity Insurance Company ("Great-West").

(f) Payment of Benefits

A participant's contributions and Garden's contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age), termination of employment, disability, death, or proof of hardship. A participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or in annual installments.

(g) Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balances in the participants' accounts and bear interest at a rate commensurate with the local prevailing interest rates. Interest rates ranged from 4.25% to 6.50% for notes receivable outstanding at December 31, 2021. Principal and interest payments occur ratably through regular payroll deductions over a period not to exceed five years, unless the note receivable were used to purchase a primary residence, in which case the note receivable terms may not exceed the repayment period currently in effect for a commercial home loan.

(h) Forfeitures

Forfeitures of non-vested contributions may be used to reduce employer contributions of the Garden. At December 31, 2021 and 2020, forfeited non-vested account balances were not significant.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(i) Plan Expenses

Certain administrative expense of the Plan, including compensation of Plan Administration personnel with the Garden and audit and accounting fees, are paid by the Garden. TIAA and Great-West's administrative fees and investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

(b) Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

(c) Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2021 and 2020, three and four investments represented approximately 43% and 55%, respectively, of the Plan's total investments.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price).

The Plan has a group annuity contract that holds investment contracts as a part of its underlying assets. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The contract value of fully benefit-responsive investment contracts represents contributions plus earnings, less participant withdrawals and administrative expenses. The Statements of Net Assets Available for Benefits present the investment contracts at contract value at December 31, 2021 and 2020.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

(f) Subsequent Events

Management has reviewed subsequent events through the date of this report, which is the date the financial statements were ready to be issued.

NOTE 3 - INVESTMENTS (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF and Great-West have provided certifications that the financial information included in the financial statements and supplemental schedules as of December 31, 2021 and 2020 and for the year ended December 31, 2021 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedules as of December 31, 2021 and 2020 and for the year ended December 31, 2021 is covered by such certifications and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the significant assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investments

Mutual Funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value ("NAV") as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Other Registered Investments: These separate accounts are registered investments that invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. Units held in the registered investments are valued at the NAV. The NAV, as provided by TIAA-CREF, is used as a practical expedient to estimate fair value. The NAV is measured based on the fair value of the underlying investments held by the fund less its liabilities. The fair value of the underlying investments are determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. Money market account holdings are generally valued at amortized cost. On a daily basis, units in the registered investments are revalued to reflect performance of the underlying investments minus fees and charges.

NOTE 5 - TAX STATUS

403(b) Plans are not required to receive a favorable determination letter from the IRS indicating that the Plan is tax-exempt under present income tax law. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

NOTE 6 - PLAN TERMINATION

Although it has not expressed an intention to do so, the Garden has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory and recordkeeping services. Certain plan investments are managed and administered by the Plan trustee. These transactions qualify as party-in-interest transactions.

Notes receivable from participants are defined by ERISA as party in-interest transactions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 8 - VOLUNTARY COMPLIANCE PROGRAM

In prior years, the Garden determined that certain employees may not have been automatically enrolled into the Plan after meeting eligibility requirements as required by the Plan document prior to an amendment removing the automatic enrollment provision, that certain employees were not allowed to contribute from certain eligible compensation, that certain participant deferral election changes were not updated in a timely manner, and vesting was calculated incorrectly for certain participant distributions. During 2021, the Garden took corrective action under the DOL's Voluntary Compliance Program, remitting a total of \$8,552 of contributions and lost earnings to the affected individuals fully resolving these instances of non-compliance with the Plan document.
