INDEPENDENT AUDITOR'S REPORT

To the Benefits Committee,
Huron, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Huron Retirement Savings & Investment Plan for Employees Represented by UAW Local 9699 (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedules Required by ERISA

The supplementary schedules, schedule H, part IV, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2021 and schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of The Huron Retirement Savings & Investment Plan for Employees Represented by UAW Local 9699 (the "Plan"), as amended and restated effective January 1, 2009 provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that is sponsored by Huron, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan enables employees represented by UAW Local 9699, formerly UAW Local 213, who have attained age 18 and have worked at least 1,000 hours during a consecutive 12-month period, to participate via systematic savings through payroll deductions. Plan participants may elect to have their contributions invested, in whole or in part, in several available investment options with varying degrees of risk.

Employee Contributions

A participating employee may contribute up to 100% of compensation to the Plan, not to exceed \$19,500 for the years ended December 31, 2021 and 2020. Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the Internal Revenue Service ("IRS"), which is not to exceed \$6,500 for the years ended December 31, 2021 and 2020.

Employer Contributions

The Plan provides for employer matching contributions on behalf of each member who is an eligible employee. The match is 50% of the member's compensation deferral in each payroll period, provided the total matching contribution does not exceed 2% of the participant's compensation for the Plan year. The employer matching contribution for the year ended December 31, 2021 amounted to \$45,049.

The Plan allows for discretionary profit-sharing contributions. The amount of the contribution will be determined by the Company and agreed to in the union agreement. Contributions are 2% of gross pay. Profit sharing contributions for the year ended December 31, 2021 amounted to \$279,975.

Participant Accounts

Each participant's account is credited with participant contributions, employer contributions and net Plan earnings, and charged with an allocation of administrative expenses.

Investment income is reinvested in the same fund in which it was earned. Net Plan earnings are allocated to each participant's account on a daily basis based upon the earnings (or losses) of the particular fund or funds in which the participant's account is invested.

Vesting

Participants are immediately vested in employee contributions plus actual earnings. Required employer matching contributions are fully vested upon three years of service. Discretionary employer profit sharing contributions vest to the participants as follows; a participant is credited with 100% vesting on a graded scale of 10% in the first year and 20% per year beginning after the second year.

**The Huron Retirement Savings & Investment Plan for
Employees Represented by UAW Local 9699
Notes to Financial Statements
December 31, 2021 and 2020**

Notes Receivable from Participants

Participants may borrow, from their accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced in excess of the highest balance of existing loans during the preceding 12 months over the current loan, or 50% of the vested account balance. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence and bear interest over the prime rate on the effective date of the loan. The interest rate is fixed for the entire repayment period. At December 31, 2021 and 2020, the interest rates applied to all loans ranged from 4.25% to 6.50%.

Payment of Benefits

Benefits under the Plan are distributable upon death, disability, retirement, or termination of employment. Upon approval by the Plan administrator, participants may also make withdrawals of voluntary employee contributions.

Forfeited Accounts

If a participant elects to withdraw his or her entire account balance from the Plan prior to becoming vested, any employer contributions and investment earnings thereon in his or her account are forfeited. These forfeitures may be used for restoration of a participant's forfeiture account upon rehire, to pay administrative expenses of the Plan and to reduce future Company contributions.

At December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$13,200, and \$5,600, respectively. These accounts will be used to reduce future employer contributions and to pay Plan expenses. During 2021, \$6,966 in forfeitures were used to reduce employer contributions.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any increment in various investment options offered by the Plan. The Plan currently offers various mutual funds and common trust fund investment options.

Participants may change their investment options at any time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**The Huron Retirement Savings & Investment Plan for
Employees Represented by UAW Local 9699
Notes to Financial Statements
December 31, 2021 and 2020**

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, including contingencies. Accordingly, actual results may differ from these estimates.

Risks and Uncertainties

The Plan provides participants with the option to invest in various investment options. All investment securities are exposed to some type of risk, including, but not limited to, exposure to changes in interest rates, market fluctuations, economic conditions, and currency devaluation. Due to the level of risk associated with certain investment securities, it is possible that changes in near term risk factors could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Administrative Services

The expenses necessary to administer the Plan including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor are paid by the Company. Participants are charged services fees for any loan and distribution transactions they request. Transaction fees incurred by the trustee and registered investment companies are absorbed in investment income and are not readily determinable.

3. INVESTMENTS CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the ERISA with respect to information certified as complete and accurate by PNC Bank, National Association ("PNC"), the trustee, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by the ERISA, for the years ended December 31, 2021 and 2020.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**The Huron Retirement Savings & Investment Plan for
Employees Represented by UAW Local 9699
Notes to Financial Statements
December 31, 2021 and 2020**

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: The investments held by registered investment companies consist of shares of mutual funds and are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Common Collective Trust ("CCT"): Contract value of the CCTs represents contributions made under the contract, plus earnings, less Plan withdrawals and administration expenses. Investments in wrapper contracts are reported at fair value as determined using a discounted cash flow model, which considers recent fee bids as determined by recognized dealers, discount rate and the duration of the underlying portfolio securities. Net asset value ("NAV") of the underlying funds is reported by the investment advisor using the audited financial statements of the collective trust at year-end.

The investment in CCTs is valued as a practical expedient utilizing the net asset valuation. The use of NAV is deemed appropriate as the CCTs do not have a finite life, unfunded commitments relating to the types of investment, or significant restrictions on redemptions. The practical expedient is used for valuation, unless it is probable that the Plan will set a portion of the investment at an amount different from the net asset valuation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021			
	Level 1	Level 2	Level 3
Registered investment companies	\$ 7,162,545	\$ -	\$ -
Investments measured at net asset value *			357,115
Investments, at fair value			\$ 7,519,660
2020			
	Level 1	Level 2	Level 3
Registered investment companies	\$ 6,088,956	\$ -	\$ -
Investment measured at net asset value *			534,071
Investments, at fair value			\$ 6,623,027

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of assets available for benefits.

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31:

	<u>2021</u>	<u>2020</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust	\$ 357,115	\$ 534,071	\$ -	Daily	Daily

5. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested. All participants shall receive a total distribution of their accounts as described in the Plan.

6. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Plan administrator, by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. This also provided guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition requirements. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. DELAYED DEPOSIT OF EMPLOYEE CONTRIBUTIONS

DOL regulations require that salary deferrals to a 401(k) plan and loan repayments that are withheld from employees' paychecks must be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month following the month in which the participant contributions are withheld.

The Plan failed to remit certain deposits timely, in the amount of \$5,707 and \$6,728, over the course of the 2021 and 2020 Plan years, respectively. The Plan will take corrective actions related to these deposits outside of the Voluntary Fiduciary Correction Program ("VFCP") which consists of restoring lost interest income and earnings on participants' contributions.

8. PARTIES-IN-INTEREST

The Plan issues notes to participants, which are secured by the participants' account balances. These transactions qualify as exempt party-in-interest transactions. PNC received certain direct fees, which amounted to \$36,281 for the year ended December 31, 2021. Investment transactions and other fees incurred by the Plan are absorbed in investment income and are not readily determinable.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The financial statements utilize the accrual basis of accounting, whereas Form 5500 is reported on the cash basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 on December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 7,894,306	\$ 6,973,231

Add: Prior year contributions receivable	<u>5,033</u>	<u>164,723</u>	<u>169,756</u>
Balance per Schedule H of Form 5500	<u>\$ 243,928</u>	<u>\$ 361,284</u>	<u>\$ 605,212</u>

The following is a reconciliation of the net change in net assets per the financial statements to Schedule H of Form 5500 at December 31, 2021:

Total change in net assets per the financial statements	\$ 975,382
Net effect of contributions receivable	<u>37,118</u>
Total change in net assets per Schedule H of Form 5500	<u>\$ 1,012,500</u>

10. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 10, 2022, the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that there have been no subsequent events that have occurred that require disclosure in the financial statements.
