DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
SMART Local 104, District 3 401(a) Plan
1794 Goodyear Avenue
Ventura, California 93003

Members of the Board:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the SMART Local 104, District 3 401(a) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SMART LOCAL 104, DISTRICT 3 401(a) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The SMART Local 104, District 3 401(a) Plan (the "Plan") was formed effective January 1, 1993, pursuant to collective bargaining agreements between SMART Local Union No. 104, District 3, formerly known as Sheet Metal Workers' International Association, Local Union No. 273 (the "Local Union") and contractors affiliated with the Tri-Counties Chapter of the Sheet Metal and Air-Conditioning Contractors National Association ("SMACNA"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the year at hourly contribution rates agreed to in the collective bargaining agreements. Participants may also contribute to the Plan in accordance with Plan rules and Internal Revenue Code ("IRC") limitations. Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

D. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Investment Valuation and Income Recognition

Participants select how contributions made on their behalf are invested from the investment options made available.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Quoted prices in active markets.

Level 2 – Inputs based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan’s investments based on the inputs used to value them:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 18,006,815	\$ -	\$ -	\$ 18,006,815
Investments Measured at Net Asset Value ^A				2,964,296
Total Assets in the Fair Value Hierarchy				\$ 20,971,111

December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 14,930,431	\$ -	\$ -	\$ 14,930,431
Investments Measured at Net Asset Value ^A				3,937,514
Total Assets in the Fair Value Hierarchy				\$ 18,867,945

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include mutual funds valued at quoted market prices in an active market.

The common/collective trust (CCTs) is valued at net asset value as its practical expedient. The stable value fund provides a guarantee of principal and interest for participant directed withdrawals. There are no unfunded commitments or significant terms of redemption.

Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

F. Payment of Benefits

Benefits payments to participants are recorded upon distribution.

G. Tax-Exempt Status

No provision for federal or state income tax is made. The Plan received its latest notice of tax-exempt status from the Internal Revenue Service on August 17, 2015. The Plan administrator and the Plan’s legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

SMART LOCAL 104, DISTRICT 3 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Tax-Exempt Status (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. Vesting

Participants are 100% vested immediately in their account.

I. Participant Account Balances

Each participants' account balance is credited with employer contributions made on his or her behalf, participant contributions, rollovers and investment earnings, less monthly administrative fees of \$14.25 per participant.

The benefit to which a participant is entitled is the benefit that can be provided from the participants' account.

J. Administration

The Plan is administered by the Board of Trustees. Reliance Trust Company is the Plan custodian and Empower Retirement ("Empower") serves as the Plan recordkeeper.

K. Forfeitures

Forfeitures of participants' accounts with balances of less than \$300 and lack of contributions for one year may be used to pay administrative costs. Any remaining forfeitures may be used for benefits. The Plan assets as of December 31, 2021 include the forfeiture balance of \$2,050; \$5,543 of forfeitures were used to pay for administrative costs during 2021.

L. Reclassifications

Certain 2020 account balances have been reclassified to conform to the current year financial statement presentation.

NOTE 3 - PLAN TERMINATION

Although there has been no expressed intent to do so, the Plan may be terminated in accordance with the provisions of ERISA (as amended) and related regulations. In the event of Plan termination, participants are 100% vested and nonforfeitable in their accounts and Plan assets will be distributed based upon the participants' account balances at that time.

NOTE 4 - RISK AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risk. Due to the level of risk associated with investments and the level of uncertainty with respect to the changes in the value of investments, it is reasonably possible that changes in risk in the near term would materially affect the amounts reported in the financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2021 and 2020 and investment income for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are issued and managed by the custodian of the Plan or its affiliates. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibition under ERISA.

Certain administrative and collection services are provided by SMACNA and Sheet Metal Benefit Plans Administrative Corporation, a tax-exempt corporation organized to administer the various pension, health and welfare, and benefit plans set up by Sheet Metal Workers' Trust Funds.

NOTE 7- PLAN AMENDMENTS

On February 6, 2020, the Plan was amended as follows:

1. Change the Plan and affiliated Local Union names,
2. eliminate the \$5,000 distribution to inactive employees in Arizona, California and Nevada for 90 days,
3. includes relevant SECURE Act provisions and new distribution rights,
4. raises the age for required minimum distributions from 70½ to 72, and
5. death distributions to a non-spouse, sick or disabled beneficiary must be paid within 10 years.

On May 6, 2020, the Plan was amended to adopt automatic suspension of 2020 required minimum distributions when the participant affirmatively elects to continue.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 21, 2022, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator (“you”) in completing the Form 5500 Schedule C¹ by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan’s service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

¹Please refer to the Schedule C of the Form 5500 and its instructions (available at: <http://www.dol.gov/ebsa/5500main.html>), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. The list includes any investment option held by the plan on at least one month end during the 2021 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each fund, multiply the rate of fees received from each fund by your plan's year-end balance (or if the fund was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the fund at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
SMART Local 104, District 3 401(a) Plan
1794 Goodyear Avenue
Ventura, California 93003

Members of the Board:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the SMART Local 104, District 3 401(a) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SMART LOCAL 104, DISTRICT 3 401(a) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The SMART Local 104, District 3 401(a) Plan (the "Plan") was formed effective January 1, 1993, pursuant to collective bargaining agreements between SMART Local Union No. 104, District 3, formerly known as Sheet Metal Workers' International Association, Local Union No. 273 (the "Local Union") and contractors affiliated with the Tri-Counties Chapter of the Sheet Metal and Air-Conditioning Contractors National Association ("SMACNA"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the year at hourly contribution rates agreed to in the collective bargaining agreements. Participants may also contribute to the Plan in accordance with Plan rules and Internal Revenue Code ("IRC") limitations. Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

D. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Investment Valuation and Income Recognition

Participants select how contributions made on their behalf are invested from the investment options made available.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Quoted prices in active markets.

Level 2 – Inputs based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan’s investments based on the inputs used to value them:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 18,006,815	\$ -	\$ -	\$ 18,006,815
Investments Measured at Net Asset Value ^A				2,964,296
Total Assets in the Fair Value Hierarchy				\$ 20,971,111

December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 14,930,431	\$ -	\$ -	\$ 14,930,431
Investments Measured at Net Asset Value ^A				3,937,514
Total Assets in the Fair Value Hierarchy				\$ 18,867,945

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include mutual funds valued at quoted market prices in an active market.

The common/collective trust (CCTs) is valued at net asset value as its practical expedient. The stable value fund provides a guarantee of principal and interest for participant directed withdrawals. There are no unfunded commitments or significant terms of redemption.

Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

F. Payment of Benefits

Benefits payments to participants are recorded upon distribution.

G. Tax-Exempt Status

No provision for federal or state income tax is made. The Plan received its latest notice of tax-exempt status from the Internal Revenue Service on August 17, 2015. The Plan administrator and the Plan’s legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

SMART LOCAL 104, DISTRICT 3 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Tax-Exempt Status (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. Vesting

Participants are 100% vested immediately in their account.

I. Participant Account Balances

Each participants' account balance is credited with employer contributions made on his or her behalf, participant contributions, rollovers and investment earnings, less monthly administrative fees of \$14.25 per participant.

The benefit to which a participant is entitled is the benefit that can be provided from the participants' account.

J. Administration

The Plan is administered by the Board of Trustees. Reliance Trust Company is the Plan custodian and Empower Retirement ("Empower") serves as the Plan recordkeeper.

K. Forfeitures

Forfeitures of participants' accounts with balances of less than \$300 and lack of contributions for one year may be used to pay administrative costs. Any remaining forfeitures may be used for benefits. The Plan assets as of December 31, 2021 include the forfeiture balance of \$2,050; \$5,543 of forfeitures were used to pay for administrative costs during 2021.

L. Reclassifications

Certain 2020 account balances have been reclassified to conform to the current year financial statement presentation.

NOTE 3 - PLAN TERMINATION

Although there has been no expressed intent to do so, the Plan may be terminated in accordance with the provisions of ERISA (as amended) and related regulations. In the event of Plan termination, participants are 100% vested and nonforfeitable in their accounts and Plan assets will be distributed based upon the participants' account balances at that time.

NOTE 4 - RISK AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risk. Due to the level of risk associated with investments and the level of uncertainty with respect to the changes in the value of investments, it is reasonably possible that changes in risk in the near term would materially affect the amounts reported in the financial statements.

SMART LOCAL 104, DISTRICT 3 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2021 and 2020 and investment income for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are issued and managed by the custodian of the Plan or its affiliates. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibition under ERISA.

Certain administrative and collection services are provided by SMACNA and Sheet Metal Benefit Plans Administrative Corporation, a tax-exempt corporation organized to administer the various pension, health and welfare, and benefit plans set up by Sheet Metal Workers' Trust Funds.

NOTE 7- PLAN AMENDMENTS

On February 6, 2020, the Plan was amended as follows:

1. Change the Plan and affiliated Local Union names,
2. eliminate the \$5,000 distribution to inactive employees in Arizona, California and Nevada for 90 days,
3. includes relevant SECURE Act provisions and new distribution rights,
4. raises the age for required minimum distributions from 70½ to 72, and
5. death distributions to a non-spouse, sick or disabled beneficiary must be paid within 10 years.

On May 6, 2020, the Plan was amended to adopt automatic suspension of 2020 required minimum distributions when the participant affirmatively elects to continue.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 21, 2022, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
