19. The Plan has satisfactory title to all owned assets which are recorded at fair value, and there are no liens, encumbrances, or security interests requiring disclosure in the financial statements.
20. We have no—
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.
21. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
22. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
23. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements including the 3 levels of the fair value hierarchy and investment classes that are reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
24. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions, including purchases and sales, may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

25. All required amendments to and filings of plan documents with the appropriate agencies have been made.

26. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code ("IRC") and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan.
27. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan, except as disclosed in the supplemental information section.
28. The Plan has complied with the fidelity bonding requirements of ERISA.
29. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
30. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
31. We have made available to you all minutes of the meetings of plan administration for the period from January 1, 2021, to the date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared.
32. We have obtained the service auditor's report from our service organization(s). We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operations for the year ended December 31, 2021.
33. On June 30, 2020, the IRS stated that the volume submitter plan adopted by the Plan, as then designed, qualifies under section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the volume submitter plan has been amended since the opinion letter was received; however, the plan administrator and the Plan's trustee believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
34. The Plan has received certifications from the trustees as disclosed in Note 4 to the financial statements. The trustees are qualified to issue these certifications under section 2520.103-8 of the U.S. Department of Labor's Rules and Regulations.
35. All newly hired employees are notified timely of their eligibility and are given enrollment information with adequate time to enroll at their earliest monthly entry date.
36. The Plan has operated in accordance with all plan documents, ERISA, and the IRC.
37. We are in agreement with the adjustments as disclosed in Note 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500.

38. We have reviewed and approved all adjustments summarized in the accompanying schedule that were made to the financial statement records for the period covered by this letter.
39. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
40. In regard to the nonattest services (including nonattest services to affiliates), we have:
- a. Assumed all management responsibilities.
 - b. Overseen the services by designating an individual who possesses suitable skill, knowledge, or experience.
 - c. Evaluated the adequacy and results of the services performed.
 - d. Accepted responsibility for the results of the services.

 - b. Posting any standard, adjusting, cash-to-accrual, or correcting journal entries that you have proposed and we have approved
 - c. Preparation of reconciliations,
 - d. Valuation and disclosure of investments including methodology and leveling

Furthermore, we have reviewed and approved the financial statements and related notes.

41. We acknowledge our responsibility for presenting Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are fairly presented in conformity with U.S. GAAP and the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental information has not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental information.
42. In 2022, we intend to correct the delinquent 2021 participant contributions of approximately \$2,500 utilizing the self-correction method.
