INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Fitesa 401(k) Retirement Savings Plan
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Fitesa 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fitesa 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Fitesa 401(k) Retirement Savings Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fitesa 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fitesa 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fitesa 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Fitesa 401(k) Retirement Savings Plan
Greenville, South Carolina

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of the Fitesa 401(k) Retirement Savings Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by The Principal Life Insurance Company, the trustee of the Plan assets, except for comparing such information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America, and, in my opinion, are presented

in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FITESA 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of Fitesa 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established on March 1, 2012, by the Plan Sponsor, Fitesa Simpsonville, Inc. (the “Company”). The plan is intended to encourage and assist employees in adopting a regular savings program and to help provide additional security for their retirement.

The Plan is a defined contribution plan covering eligible employees of the employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investments offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

Participant accounts

Each participant has an individual account established and maintained under the Plan that is credited with the participant’s contributions and withdrawals, company matching contributions and plan earnings or losses. Plan earnings or losses are allocated among the participants’ account balances in the proportion that each participant account balance bears to the aggregate of all participant account balances. Transactions fees charged for participant loans and distributions are allocated directly to that participant’s account. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Payment of benefits

Upon retirement, disability, death or termination, participants (or their beneficiaries) may elect to receive the value of their account by any one or more methods of payment authorized by the Plan, which includes a lump-sum amount or a series of installment payments over a specified time defined by the Plan. Participants may also choose to have their account balances transferred directly to another qualified plan or individual retirement account. Participants, who terminate employment with an account balance of less than \$1,000, or who requests distributions of less than \$1,000, automatically receive lump-sum distributions.

Participants may request withdrawals from their accounts based upon financial hardship as defined in U.S. Treasury regulations, subject to the approval of the Saving Plan Committee. In the event such a withdrawal is made, the distribution is subject to 20% federal withholding and a 10% excise tax if the participant has not attained the age 59½.

Note 1. Description of the Plan (Continued)

Contributions

Upon employment, employees of the employer may begin participation on the first day of each month following the day of employment. Each participant may contribute on a pretax basis 1% to 85% of his or her compensation to the Plan, as defined by the plan document subject to the limitations in the Internal Revenue Code (IRC). For 2021, participant deferrals could not exceed \$19,500, unless the participant has reached age 50 before the end of the Plan year, therefore making them eligible for an additional catch-up contribution up to \$6,500 in 2021.

If the participant does not complete a salary deferral agreement, make investment elections, or decline to participate within thirty (30) days of eligibility, the employer automatically enrolls the employee into the Plan and withholds four percent (4%) of the eligible earnings from the participant's paycheck each payroll period. The automatic contributions to the Plan will be invested in a default investment fund selected by the Company unless the participant makes an investment election.

The safe harbor matching contribution will be determined on an annual basis; however, on a pay period basis, the Company has chosen to make the qualified safe harbor matching contribution on behalf of each eligible participant equal to 100% of the first 4% of the participant's compensation contributed to the Plan. Participants are eligible for matching immediately following their date of hire. Contributions are limited by Section 401(k) of the Internal Revenue Code (IRC). The Plan permits rollover contributions from other qualified plans; however, rollover contributions are not eligible for the Company matching contributions.

Notes receivable from participants

Participants may borrow from a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000. Most notes must be repaid within five years, with the exception of a notes established for the purchase of a principal residence, which can be repaid over a period of not more than ten years.

Interest rates range from 4.25% to 6.50% as of December 31, 2021. A participant may only have two loans outstanding at any given time. An outstanding note receivable becomes due upon termination, or when a required loan payment is not made. Any unpaid balance becomes a deemed distribution. Principal and interest are paid ratably through bi-weekly payroll deductions.

Forfeited accounts

Upon termination, participants are fully vested in their participant deferrals, employer match and any nonelective contributions made by the employer. Therefore, forfeitures are not applicable to this plan.

Vesting

Participants are immediately 100% vested in their voluntary contributions, the employer match on pretax contributions, employer nonelective contributions and actual earnings thereon.

Note 2. Summary of Significant Accounting Policies

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported changes in net assets available for benefits during the reporting year and period. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

One of the investment options offered by the Plan, the Wells Fargo Stable Return Fund N (the "Stable Return Fund"), is a common collective trust that is fully invested in Wells Fargo Stable Return Fund G, which holds investments in general insurance contracts and security-backed contracts which are deemed to be fully benefit-responsive. The Plan reports its investment in the Stable Return Fund at fair value using the net asset value (NAV) of the units held by the fund at year-end as a practical expedient. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The Stable Return Fund does not invest directly in fully benefit-responsive contracts, and therefore the Plan is not required to include in the financial statements the disclosure requirements for investments in fully benefit-responsive contracts or stable value funds.

There were no changes in the valuation methodologies used at December 31, 2021 compared to prior year. See Note 5 for further discussion of the fair value investments.

Plan administration

Participant and employer contributions are remitted to the trustee, who invests the cash received as directed by the participants. The trustee accounts for contributions, interest and dividend earnings, termination benefits, and unrealized gains and losses daily. Administrative expenses of the Plan for the years ended December 31, 2021 were \$192,329. Investment related expenses are included in the net appreciation of the fair value of the investments.

Certain administrative functions of the Plan are performed by employees of the Company. The Company employees do not receive compensation from the Plan. All administrative fees are paid by the Plan.

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Fair value measurements

The fair value hierarchy established by the standard on fair value measurements includes three levels which are based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different

Note 2. Summary of Significant Accounting Policies (Continued)

levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. In accordance with the standard on fair value, the Plan's financial assets and liabilities that are recorded on the Statements of Net Assets Available for Benefits are categorized based on the inputs to the valuation techniques as follows:

Level 1. Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that we have the ability to access.

Level 2. Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 3. Financial assets and liabilities whose values are based on model inputs that are unobservable.

The following is a description of the valuation methodologies used for these items, as well as the general classification of such items pursuant to the fair value hierarchy:

Mutual funds – Valued at the net asset value (NAV) of shares held by the plan at year end and classified with Level 1 in the fair value hierarchy table in Note 5.

Common Collective Trust – The investment is valued at the respective net asset values (“NAV”) as reported by such trust funds, which are reported at fair value. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Payment of benefits

Benefits are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Management reviews the notes receivable activity regularly to determine if outstanding balances are uncollectible or impaired. Management deems any loan with payments over 60 days past due to be uncollectible. It is unlikely a note receivable principal balance will be impaired because the note is secured by the participant's vested balance. When a participant's loan is defaulted it is reported on the Form 5500 as a deemed distributed loan and the note receivable balance is removed from the Statement of Net Assets reported on the Form 5500.

Note 3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the accompanying statement of net assets available for benefits.

Note 4. Information Prepared and Certified by Trustee (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule as of and for the years ending December 31, 2021 and 2020 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by The Principal. Accordingly, the trustee has certified that the following data included in the accompanying financial statements is complete and accurate:

	At December 31,	
	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 53,196,688	\$ 42,402,836
	<u>For the Year Ended</u>	
	<u>December 31, 2021</u>	
Unrealized gains on investments	\$ 6,593,175	
Interest and dividend income	1,089,855	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 5. Investments

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value at December 31, 2021.

<u>Investment Category</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 50,371,114	\$ 50,371,114	\$ -	\$ -

Collective investment trusts at NAV(a)	<u>2,825,574</u>			
Total	<u>\$ 53,196,688</u>			

Note 5. Investments (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value at December 31, 2020.

<u>Investment Category</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 39,940,849	\$ 39,940,849	\$ -	\$ -
Total in fair value hierarchy	39,940,849	\$ 39,940,849	\$ -	\$ -
Collective investment trusts at NAV(a)	<u>2,461,987</u>			
Total	<u>\$ 42,402,836</u>			

- (a) In accordance with ASC Topic 820, the investments in common collective trust funds are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 6. Plan Termination

While the Company has not expressed any intent to do so, they reserve the right to terminate the Plan at any time subject to the provisions of ERISA.

Note 7. Tax Status

The Plan operates under the non-standardized pre-approved profit-sharing plan with cash or deferred arrangement (CODA) provisions established by The Principal Life Insurance Company. The Internal Revenue Service (IRS) has issued a determination letter dated June 30, 2020, accepting the form of the plan. The IRS considers employers who adopt and adhere to the terms and provisions of the plan as meeting the requirements for qualifications in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan's trustee and the Plan Administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management has evaluated the tax positions taken by the plan and if a tax liability (or asset) exists for uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2021, there were no uncertain position taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Party-In-Interest Transactions

Delinquent participant contributions represent non-exempt party-in-interest transactions. Plan management identified certain instances of delinquent participant contributions related to the year ended December 31, 2021. As reported on Form 5500 Schedule H, Line 4a – Schedule of Delinquent Participant Contributions

for the year ending December 31, 2021, certain participant contributions totaling \$212,571 were not remitted to the trust within the period specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company.

Participants are considered parties in interest as defined by ERISA. However, loans to plan participants or beneficiaries are exempt from prohibited transaction rules.

Note 9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$54,465,029	\$43,427,376
Add: Contributions receivable from sponsor/participants	1,826	4,585
Deduct: Other	<u>(6,660)</u>	<u>(2,317)</u>
Net Assets available for benefits per Form 5500	<u>\$54,460,195</u>	<u>\$43,429,644</u>

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements to the net decrease in net assets per Form 5500 at December 31, 2021:

Net increase in net assets available for benefits per financial statements	\$11,037,653
Deduct: Other	<u>(7,073)</u>
Net increase in net assets available for benefits per Form 5500	<u>\$11,030,580</u>

Note 10. Subsequent Events

The Company has evaluated events and transactions occurring subsequent to the balance sheet date of December 31, 2021, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 3, 2022, the date these financial statements were issued, and there were no subsequent events that required disclosure in these financial statements.
