INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Sideshow Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sideshow Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNI).

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H, line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIDESHOW INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN

The following description of Sideshow Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Sideshow Inc. (the "Company" or "Plan Sponsor"). The Plan is offered to all employees of the Company who are over the age of 18 and have completed one year of service, excluding union employees, nonresident aliens, and leased employees. Eligible employees can enter the Plan on the first day of the quarter subsequent to satisfying the eligibility requirements. The Administrative Committee is responsible for the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participant contributions

Participants may contribute a portion of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Employer contributions

The Company makes a safe harbor contribution to the Plan equal to 3% of each eligible participant's Plan compensation. Participants entitled to receive an allocation of the Company's safe harbor contribution are those who have completed one year of service and are age 18 or older. For the year ended December 31, 2021, the Company's safe harbor contributions amounted to \$370,790, which was deposited into the Plan in August 2022.

The Plan also allows the Company to make an additional discretionary contribution to the Plan, the amount of which is determined by the Company's board of directors. Participants entitled to receive an allocation of the additional discretionary contribution are those who have completed one year of service and are age 18 or older. For the year ended December 31, 2021, the Company elected to make additional discretionary contributions to the Plan amounting to \$52,200, which was allocated to certain employee group of the Company at management's discretion and was deposited into the Plan in August 2022.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's safe harbor contribution and additional discretionary contributions, if any, an allocation of investment earnings or losses, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions made to these accounts are directed by the participant into investments offered by the Plan and the allocations between investments can be changed by the participant at will.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their own contributions and the Company's safe harbor contribution, plus actual earnings thereon. Vesting in the Company's additional discretionary contributions, if any, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after 5 years of credited service or after attaining the age of 62, whichever occurs first. Participants who become totally disabled or die before normal retirement age become fully vested in their accrued benefits.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in their account during the prior 12 months. The maximum term of a note for general purpose may not exceed 5 years; however, if the loan is used for the purchase of a primary residence, the maximum term may not exceed 10 years. Participants are allowed to have up to two outstanding notes at any given time. The notes are secured by the balance in the participant's account and are charged interest at a rate equal to the prime interest rate plus 2% determined at the time the loan is taken from the Plan. Principal and interest are paid ratably through bi-weekly payroll deductions.

If a participant has an outstanding loan balance at the time its employment terminates, the entire outstanding principal and accrued interest shall be due and payable. If a participant fails to make a payment when the loans are due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan.

Payment of benefits

On termination of service due to retirement, death, disability, or other reasons, a participant will receive a lump-sum distribution if the participant's vested account balance is \$5,000 or less. If the vested balance exceeds \$5,000, a participant may elect to receive either a lump-sum distribution or a distribution in the form of an annuity, transfer the vested balance to a qualified plan, leave the vested balance in the Plan, or any combination of these methods. The Plan also provides for in-service distributions for participants after attaining the age of 59½.

The Plan allows for hardship withdrawals from participant accounts.

All withdrawals are subject to the limits specified in the Plan and by the Internal Revenue Service ("IRS").

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited accounts

As of December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$17,825 and \$12,616, respectively, and can be used at the Company's discretion to pay administrative expenses of the Plan, be allocated as additional employer contributions to participants or to reduce other employer contributions to the Plan. Forfeited non-vested accounts of terminated participants are held for the participant's rehire or five years, whichever is sooner. If the former participant is not rehired within five years, then the non-vested portion of their account balance plus earnings attributable to this portion are forfeited. During the year ended December 31, 2021, no forfeitures were used to pay administrative expenses of the Plan, allocated as additional employer contributions to participants or used to reduce the employer's additional discretionary contribution to the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are held by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (the "Custodian") in various mutual funds and a fixed annuity contract. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies utilizing information provided by the Custodian.

Purchases and sales of securities are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair value measurements

U.S. GAAP defines fair value and established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

SIDESHOW INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements (continued)

The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability; and• inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability. |
|---------|---|

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value and which are included in the fair value hierarchy. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed annuity contract: The reported values for the fixed annuity contract are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. Using a discounted cash flow valuation methodology where the interest rate for this portfolio investment contract is reset at least as frequently as annually, fair value of the investment contract, prior to contract termination, equals the contract value as reported herein.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment for benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Except for fees related to investment advisory services, which are included in administrative expenses, other investment-related expenses are included in the net appreciation in fair value of investments.

Subsequent events

In accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 4, 2022, the date on which these financial statements were available to be issued. Except as disclosed in Note 1, there were no other material subsequent events that required recognition or additional disclosure in these financial statements

NOTE 3. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2021				
Description	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 9,984,624	\$ 9,984,624	\$ -	\$ -

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Custodian, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Custodian that such information is complete and accurate.

Net appreciation in fair value of investments	<u>\$ 459,978</u>	
Interest income on notes receivable from participants	<u>\$ 7,210</u>	

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in a fixed annuity contract, the Key Guaranteed Portfolio Fund, which is managed by Great-West Life & Annuity Insurance Company, the Custodian. Therefore, transactions in this investment qualify as party-in-interest transactions. The current value of investments managed by Great-West Life & Annuity Insurance Company amounted to \$1,077,680 and \$1,066,604 as of December 31, 2021 and 2020, respectively. Notes receivable from participants are also managed by the Custodian and qualify as party-in-interest transactions.

Administrative expenses included in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021, totaling \$56,002 are comprised of: 1) fees charged to the Plan by an affiliate of the Custodian for investment management totaling \$5,169, 2) fees charged to the Plan by the Custodian for recordkeeping services totaling \$24,284, and 3) fees charged to the Plan by a financial advisor for investment advisory services totaling \$26,549.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8. TAX STATUS

The Plan has adopted a prototype plan prepared by the Plan's third-party administrator, which received its latest opinion letter from the IRS dated June 20, 2020, stating that the prototype plan is designed in accordance with the applicable sections of the IRC. Although the prototype plan (or Plan, as applicable) has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. SECURE ACT PROVISIONS

The Plan has implemented certain requirements of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). This law permits the Plan to delay the commencement date for required minimum distributions from age 70½ to age 72 beginning January 1, 2020. Written amendments to the Plan document to reflect the operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The adopted provisions are required to be executed in a Plan amendment. The Plan has not yet been amended, but it has until the last day of the Plan year that begins in 2025 to fully execute the amendment for SECURE Act.
