INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator,
Central States 401(K) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Central States 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Central States 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central States 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

Other Matter – December 31, 2020 Financial Statements

The financial statements of the Central States 401(k) Plan were audited by Lindquist, LLP, who joined WithumSmith+Brown, PC effective January 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Lindquist, LLP not to perform, and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 30, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CENTRAL STATES 401(k) RETIREMENT SAVINGS PLAN

Notes to Financial Statements

1. Description of Plan

The following description of the Central States 401(k) Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - Central States, Southeast and Southwest Areas Health & Welfare and Pension Funds ("Funds" or "Employer") serve as both the Plan's sponsor and administrator, and are charged with oversight of the Plan. The Funds have an Investment Committee which controls and manages the operation and administration of the Plan. The Plan is a defined contribution plan covering all eligible employees of the Funds who are age 21 or older. The Funds appointed Charles Schwab Bank ("Schwab") to serve as the trustee and custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Participants may make contributions from their annual pretax compensation subject to certain limits. Participants may contribute up to a maximum of \$19,500 for 2021 and 2020. Participants age 50 and older may contribute an additional \$6,500 for 2021 and 2020. In addition, participants are permitted to roll over distributions of any amount from qualified plans.

The Plan utilizes an automatic enrollment feature. In the absence of any affirmative election by new employees, they will be deemed to have elected a pay reduction of 3% of pretax compensation per pay period. Effective July 1, 2019, the initial default percentage for new employees was 5% and is increased by 1% each April 1st until a maximum of 15% is reached. Automatic contributions are invested in the age-appropriate Schwab Managed Retirement Fund.

All employees receive a 100% matching contribution for each dollar contributed by the employee that is up to 3% of their weekly eligible pay and a 50% matching contribution for each dollar contributed by the employee that is between 3% and 5% of their weekly eligible pay. If hourly bargaining unit employees do not contribute enough to receive at least \$535 in matching employer contributions by year end, they are paid the difference in the form of a taxable cash payment.

Participant Accounts - Individual accounts are maintained for each participant. Each participant's account is credited with the participant's and the Employer's contributions less withdrawals and administrative fees, as applicable, and allocations of Plan net investment income (loss). Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Plan assets attributable to participant and Employer contributions and the earnings thereon are fully vested at all times.

Investment Options - Participants direct the investment of their balances and future contributions into various investment options. The Plan offers several mutual funds and common collective trust funds including domestic and international stock, corporate and U.S. fixed income, and target-date funds. Participants also have the option to open a self-directed brokerage account in which they may invest in investments not offered by the Plan.

Notes Receivable from Participants - Participants may borrow from their accounts up to 50% of their vested account balances and are limited to a single loan outstanding at any time. Loans may not be less than \$1,000 nor greater than \$50,000. Terms may range from one to five years for loans other than for the purchase of a primary residence and up to 20 years for loans for the purchase of a primary residence. The loans are secured by the participant's account balance with interest rates based on current market conditions on date of issue. Interest rates range from 3.25% to 5.50% for loans taken in 2021 and 2020. Principal and interest are paid through after-tax payroll deductions over the term of the loan.

Payment of Benefits - Active participants are allowed withdrawals after age 59½. On termination of service for any reason, a participant (or their beneficiary in the event of death) may elect to receive a lump sum payment, roll their account over into an alternative retirement plan or IRA, or keep their account open if the market value is greater than \$5,000. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½.

COVID-19 Provisions - On April 15, 2020, in response to the COVID-19 pandemic, the Plan agreed to certain changes under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Specifically, the Plan adopted temporary emergency distribution provisions to allow Plan participants to access the money in their individual accounts. Participants must meet certain requirements to qualify for these emergency distribution provisions, which were available until December 30, 2020 (and until September 23, 2020 for increased loan requests).

2. Summary of significant accounting policies

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan utilizes various investment options, including mutual funds, common collective trust funds and brokerage accounts. Securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the financial markets, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Common collective trust funds are stated at fair value as determined by the issuer of the common collective trust funds based on the net asset value of the underlying investments.

Purchases and sales of securities are recorded on a trade date basis. Management fees and operating expenses charged to the Plan for investments in the mutual funds and common collective trust funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction in the net appreciation in fair value of investments. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Contributions - Contributions for the plan year not posted by Schwab by year end are recorded as receivables on

Benefits - Benefits are recorded when paid. Benefits payable to participants who have elected to withdraw from the Plan but have not been paid at December 31, 2021 and 2020 were \$598,061 and \$34,016, respectively.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. The administrative expenses presented in the Statement of Changes in Net Assets Available for Benefits are related to loan, recordkeeping and audit fees.

Subsequent Events – Subsequent events were evaluated through the date on which the financial statements were available to be issued. This date is approximately the same as the independent auditor's report date.

3. Related party transactions

Certain Plan investments are managed by affiliates of Schwab, who is the trustee and custodian as defined by the Plan; therefore, these transactions qualify as exempt parties-in-interest. Fees paid by the Plan for investment management services, recordkeeping fees and administrative expenses were included as a reduction of the return earned on each investment. Additionally, notes receivable from participants are considered to be exempt party-in-interest transactions.

4. Plan termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

5. Trustee certification

The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Schwab and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate. Investment amounts in Note 6 as well as all information included in the supplemental schedule have been certified by Schwab and are unaudited.

	2021	2020
Investments in mutual funds and common collective trust funds	\$ 107,868,572	\$ 91,565,705
Notes receivable from participants	1,516,487	1,342,659
Self-directed brokerage accounts	6,052,111	4,958,239
Investment income:		
Net appreciation in fair value of investments	10,709,160	
Dividends and interest	3,235,319	
Self-directed brokerage accounts	680,650	
Interest on notes receivable from participants	54,011	

6. Fair value of investments

In accordance with the accounting guidance for fair value measurements and disclosures, the Plan is required to present its investments in a hierarchy as follows: Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's policy is to recognize significant transfers between levels at the time in which an event or change in circumstances occurs. There were no significant transfers in or out of Levels 1, 2 or 3 during the years ended December 31, 2021 and 2020.

Total fair value of investments				<u>\$ 96,523,944</u>

The Plan utilizes net asset value ("NAV") per share (or its equivalent), as a practical expedient, to measure fair value when the investment does not have a readily determinable fair value and the net asset value is calculated in a manner consistent with investment company accounting. The fair value of the following investments were measured using NAV (or its equivalent):

Investment	Fair Value (In thousands)		Redemption Frequency	Redemption Notice Period	Remaining Commitment 12/31/2021	Remaining Commitment 12/31/2020
	12/31/2021	12/31/2020				
Common collective trust funds - balanced	\$ 29,754,874	\$ 23,601,647	Daily	N/A	-	-
Common collective trust funds - large company stock	3,875,058	2,772,796	Daily	N/A	-	-

These investment funds are direct filing entities with the Department of Labor; therefore, information regarding investment strategy is not disclosed.

7. Tax status

The Plan is a non-standardized prototype plan sponsored by Schwab and adopted by the Employer. Schwab received an opinion letter from the Internal Revenue Service ("IRS"), dated September 21, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan administrator has not requested its own determination letter from the IRS. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.
