Midwest Host & Specialty, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Midwest Hose & Specialty, Inc. 401(k) Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Midwest Hose & Specialty, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Midwest Hose & Specialty, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Hose & Specialty, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Midwest Hose & Specialty, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest Hose & Specialty, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment as of December 31, 2021 and 2020, and schedule of reportable transactions for the years then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIDWEST HOSE & SPECIALTY, INC. 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

1. Description of the Plan

The following description of Midwest Hose & Specialty, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan’s provisions. The Plan’s original effective date is January 1, 2008 and amended January 1, 2009, February 15, 2012, January 1, 2015, October 28, 2019 and May 6, 2020. The Plan is a defined contribution 401(k) profit sharing plan, ERISA 404(c) compliant. The Plan sponsor and administrator is Midwest Hose & Specialty, Inc., LLC.

Eligibility and Contributions - Eligible employees (21 or older) may enter the Plan after a six month service requirement.

Participants may contribute on a tax deferred basis the maximum amount allowed by law up to 100% of their eligible pay or \$19,500 for 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants age 50 or above may make catch-up contributions that exceed the maximum deferred. The maximum for catch-up contributions is \$6,500 for 2021 and 2020.

The employer may contribute an amount equal to the sum of 100% of the amount of the participant’s elective deferral that does not exceed 3% of the participant’s compensation, plus 50% of the amount of the participant’s elective deferrals that exceed 3% of the participant’s compensation but do not exceed 4% of the participant’s compensation. The employer may make discretionary profit sharing contributions if they choose. The employer ceased Safe Harbor employer matching contributions effective May 6, 2020 by board resolution and resumed matching contributions in May 2021.

Vesting - Participants are immediately vested in their contributions and employer safe harbor matching contributions. Employer profit sharing contributions vest over a 6 year period.

Retirement - Normal retirement age is age 65. No early retirement provision is provided.

MIDWEST HOSE & SPECIALTY, INC. 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

1. Description of the Plan (continued)

Payment of benefits - Payment of the vested portion of the participant's account at retirement, death, disability or termination will be made in a lump sum. Distributions will be made as soon as feasible following termination of employment. If the vested account balance exceeds \$5,000, the participant must consent to the distribution before it may be made. Automatic distribution without participant consent exists for account balances less than \$5,000.

Loans - Loans are not permitted to plan participants.

Hardship distributions – Participants may withdraw money for financial hardship if they satisfy certain conditions including expenses for medical care, costs directly related to the purchase of a principal residence, tuition and related educational fees for the next twelve months of post-secondary education for participant, spouse or dependents. Other financial hardships include withdrawing amounts necessary to prevent eviction from principal residence and expenses for the repair of damage to principal residence that would qualify for the casualty deduction under the Internal Revenue Code. Salary deferrals will be suspended for at least six months after the receipt of a hardship distribution. Hardship distributions can only be made from accounts which are 100% vested.

Forfeitures - Forfeitures may be used to pay plan administrative expenses first and then to reduce or add to any employer profit sharing contribution amounts. There were no forfeitures in 2021 or 2020.

2. Summary of Significant Accounting Policies

Plan investments – American United Life Insurance Company, (“AUL”), Custodian for the Plan, holds and manages all of the Plan's investment assets. Financial information relating to Plan investments included in the accompanying financial statements is based on information provided by the Custodian. That information has not been audited by the Plan's independent auditors. Investments held by a defined-contribution plan are required to be reported at fair value. Fair value of investments in separate accounts are presented at quoted market values, hierarchy level 1, at December 31, 2021 and 2020. AUL Fixed Account (insurance company general account) is stated at contract value, fair value hierarchy level 2, at December 31, 2021 and 2020. Because contract value approximates fair value at December 31, 2021 and 2020, no adjustment is reflected on the Statement of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

2. Summary of Significant Accounting Policies (continued)

Payment of benefits - Benefits are recorded when paid.

Use of estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect: 1) the reported amounts of assets and liabilities, 2) disclosures such as contingencies, and 3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

3. Tax Status

The Plan is a pre-qualified Prototype 401(k) plan which meets the requirements of the Internal Revenue Code (IRC). The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Employer has indicated that it will take the necessary steps, if any, to maintain the Plan's qualified status. Therefore, no provision for income taxes has been included in the Plan financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

4. Party-In-Interest Transactions

Certain Plan investments are invested in funds managed by American United Life Insurance Company (AUL), the asset Custodian of the Plan. The Plan paid direct compensation of \$680 and \$1,564 and indirect compensation of \$73,203 and \$19,838 to AUL during 2021 and 2020; respectively. AUL is the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

6. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820, "Fair Value Measurements and Disclosures," (FASB ASC 820), provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets.

Quoted prices for identical or similar assets or liabilities in inactive markets.

Inputs other than quoted prices that are observable for the asset or liability.

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has as a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MIDWEST HOSE & SPECIALTY, INC. 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

6. Fair Value Measurements (continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

AUL Fixed Account options are valued at the net asset value (NAV) of the shares held by the Plan at year-end. The FASB has issued guidance on estimating fair value when investments are calculated using NAV per share, but do not have a readily determinable fair value. The guidance permits the use of the investments' NAV as a practical expedient to determine fair value.

Units are issued and redeemed daily at the investment's NAV dollar amount per unit. They allow for daily liquidity with no additional days' notice required for redemption. There are no unfunded commitments or restrictions on redemption.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:
