INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Pearce Industries, Inc. 401(k) Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pearce Industries, Inc. 401(k) Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

PEARCE INDUSTRIES, INC. 401(k) RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Pearce Industries, Inc. 401(k) Retirement and Savings Plan (the “Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Plan Restatement

Effective April 1, 2021, the trustee and record-keeper changed from Charles Schwab Trust Bank (Charles Schwab) and Schwab Retirement Plan Services Inc., respectively, to Great-West Trust Company, LLC (Great-West) and Empower Retirement (Empower), respectively. The Plan was amended and restated April 1, 2021 to adopt a pre-approved defined contribution plan sponsored by Great West. Any changes to Plan provisions as a result of the amendment and restatement are described below. All of the Plan assets were transferred to Empower on March 31, 2021 and April 1, 2021 into comparable funds offered by Empower. The conversion initiated a blackout period beginning March 25, 2021 and continuing through the week of April 11, 2021. During this period, participants could not access their accounts and could not initiate transactions such as contribution changes, investment changes, or withdrawals. Payroll deductions continued during this period and were reflected in participants accounts once the transfer was complete.

General

The Plan is a defined contribution plan covering all employees of Pearce Industries, Inc. and its affiliate, Waukesha-Pearce Industries, LLC (collectively, the “Company”), excluding union employees, leased employees, and non-resident aliens. Employees are eligible to participate in the Plan immediately upon completion of one month of service and the attainment of age 19. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several temporary relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the Plan document. The Plan adopted certain provisions included in the CARES Act and will amend the Plan retroactively in accordance with Internal Revenue Service (IRS) regulations.

Contributions

Participants may elect to make pre-tax salary and/or Roth after-tax deferral contributions to the Plan of 1% to 100% of eligible compensation, up to the maximum allowed under the appropriate sections of the Internal Revenue Code (IRC). Effective April 1, 2021, there are no additional Plan imposed limits other than the maximum allowed under the appropriate sections of the IRC. Participants age 50 or over during the plan year may also make catch-up contributions. The Plan had an automatic savings increase program in which a participant’s affirmative pre-tax deferral percentage shall be increased by 1% until their deferral percentage is 2%. Effective April 1, 2021, the automatic savings increase program was removed from the Plan.

PEARCE INDUSTRIES, INC. 401(k) RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

The Company may make a discretionary matching contribution of a percentage of each participant's pre-tax salary or Roth after-tax deferral contributions, excluding catch-up contributions. Effective January 1, 2021, the Company elected to match 25% of each participant's salary deferral contributions that are up to a maximum of 6% of such participant's eligible compensation earned each payroll period.

In addition, the Company may make a discretionary nonelective contribution to be allocated based on the eligible compensation for the allocation period of all benefitting participants. Discretionary nonelective contributions are allocated to participants who worked at least one hour during the year and are employed by the Company on the last day of the plan year in accordance with Plan provisions. Effective April 1, 2021 there is no minimum service requirement for the discretionary nonelective contribution. For the year ended December 31, 2021, the Company made a nonelective contribution in the amount of \$1,110,370 which was funded during 2022, net of forfeitures used.

The Plan allows rollover contributions from eligible retirement plans qualified under the appropriate sections of the IRC. In-plan Roth rollovers are also allowed. The Plan is participant directed and participants may change their contribution amounts and investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. In addition, participants are charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their contributions and the appreciation or depreciation thereon. Vesting in the discretionary matching and nonelective contributions portions of their accounts plus earnings thereon is based on years of service. Participants vest 20% after one year of service and then 20% per year until they are 100% vested after five years of service. A participant shall be immediately vested upon death, retirement, or termination of employment due to total and permanent disability.

Payment of Benefits

Normal retirement age under the Plan is 62. Upon retirement, disability, death, or termination of service with the Company, participants may receive their distributions in a lump-sum payment or other method as defined in the Plan. The Plan also permits hardship distributions and certain in-service withdrawals.

PEARCE INDUSTRIES, INC. 401(k) RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Plan participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance in the Plan or \$50,000, reduced by the excess, if any, of the highest outstanding balance of loans from the Plan by the participant during the one-year period ending on the day before the date on which such loan is made. Interest rates on loans are stated at a reasonable rate. Effective April 1, 2021, reasonable rate was defined as 1% over the Prime Rate published in the Wall Street Journal. Loans are repaid in level installments through payroll deductions for periods ranging up to five years. Loans are secured by the participant's vested account balance to the extent of the principal amount of the loan plus accrued interest. Participants may only have one loan outstanding.

Forfeitures

Forfeitures of nonvested employer contributions may be used to pay Plan expenses, reduce employer contributions, or reallocate to participants as elected by the Company. The forfeitures balance at December 31, 2021 and 2020 was \$76,354 and \$83,357, respectively. During 2021, forfeitures of \$17,545 and \$83,357 were used to pay administrative expenses and reduce the discretionary nonelective contribution, respectively. Forfeitures of \$76,354 were used in 2022 to reduce the 2021 discretionary nonelective contribution.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

PEARCE INDUSTRIES, INC. 401(k) RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the trustees. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. At December 31, 2021 and 2020, no allowance was considered necessary by management.

Payment of Benefits

Benefit payments are recorded when distributed.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, withdrawals, and certain administrative fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

PEARCE INDUSTRIES, INC. 401(k) RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Participant-Directed Brokerage Account: Account primarily consists of mutual funds and common stocks that are valued at the closing price reported by the active market on which the individual securities are traded.

Money Market Deposit Account: Consists of the Schwab Bank Savings which is deposited in an FDIC-insured money market deposit account at Charles Schwab Trust Bank to earn interest.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Collective Trust Funds: Valued at NAV based on the underlying unit value reported by the trustee based on the fair value of the underlying investments less liabilities. The collective trusts consist of the Putnam Stable Value Fund and State Street Target Retirement funds. The Putnam Stable Value Fund is invested in high quality guaranteed investment contracts and similar investments issued by insurance companies, banks, and other financial institutions to preserve principal and achieve high current income. The fund also invests in security-backed investment contracts, including insurance separate accounts. The State Street Target Retirement funds seeks an investment return that approximates, as closely as practicable, before expenses, the performance of a custom benchmark index over the long-term. The target-date portfolios provide diversified exposure to stocks, bonds, and cash. The collective trust funds held by the Plan provide for daily redemptions by the Plan with no advance notice requirement. The Plan has no unfunded commitments and no contractual obligations to further invest in the funds.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Total investments at fair value	<u>\$48,201,052</u>	<u>\$4,043,677</u>		<u>\$52,244,729</u>

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab, the trustee as of December 31, 2020 through March 31, 2021, and Great-West, the trustee from April 1, 2021 through December 31, 2021, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021, and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by entities affiliated with Charles Schwab, the trustee of the Plan through March 31, 2021. The Plan invests in a stable value fund managed by Putnam Fiduciary Trust Company, an affiliate of Great-West, the trustee of the Plan effective April 1, 2021. Therefore, these investments qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

PEARCE INDUSTRIES, INC. 401(k) RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 6 - TAX STATUS

Effective April 1, 2021, the Plan adopted a pre-approved defined contribution plan sponsored by Great-West, which obtained its latest opinion letter dated June 30, 2020 in which the IRS stated that the pre-approved document satisfies the applicable provisions of the IRC. Prior to April 1, 2021, the Plan had adopted a non-standardized prototype plan, which obtained its latest opinion letter dated June 19, 2014 in which the IRS stated that the prototype plan document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 10, 2022, the date the financial statements were available to be issued.
