Board of Trustees
Cole's Salon, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Cole's Salon, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Cole's Salon, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cole's Salon, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

(Continued)

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matter

The financial statements of Cole's Salon, Inc. 401(k) Plan for the year ended December 31, 2020 were audited by another auditor who expressed an unmodified opinion on those statements on October 7, 2021.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cole's Salon, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Cole's Salon, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cole's Salon, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

The following description of the Cole's Salon, Inc. 401(k) Plan (Plan) provides only general information regarding the Plan. Participants should refer to the Plan documents for a more complete description of Plan provisions.

General

The Plan is a defined contribution profit sharing plan covering substantially all employees age 19 or older. Employees with at least 160 hours in 60 days of service are eligible to participate in the Plan. After meeting eligibility requirements, individuals may participate starting on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Contributions

The Plan allows participant contributions up to 100% of pretax annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Additional employer discretionary contributions are determined annually by the participating employers' Boards of Directors. No employer discretionary contributions were elected for 2021. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocation of the employers' discretionary contribution, allocation of Plan expenses, and net earnings from the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. Each participant is entitled to the benefit that could be provided from his or her vested account balance.

The Plan has allowed for the provisions of the CARES Act in regards to distributions, loans and required minimum distributions. The Plan will be amended for these changes by December 31, 2022.

Vesting

Participants are immediately vested in their contributions and employer discretionary contributions plus actual earnings thereon.

Payment of Benefits

Upon termination of service, a participant with a non-forfeitable accrued benefit exceeding \$5,000 can elect to receive either a lump-sum amount equal to the participant's vested account balance or installments over a period of time not to exceed the participant's assumed life expectancy (or the participant's and their beneficiary's assumed life expectancies). Prior to separation from service, a participant reaching age 59½ can elect to receive all or a portion of their vested account balance or defer payment until retirement.

(Continued)

Cole's Salon, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

1. **PLAN DESCRIPTION** (Continued)

Payment of Benefits (Continued)

Upon termination of service, participants with non-forfeitable accrued benefits between \$1,000 and \$5,000 can elect to receive a distribution in a lump sum or roll over the vested balance into another retirement plan. If no election is made, distributions will automatically roll over into a newly established individual retirement account.

Upon termination of service with non-forfeitable accrued benefits below \$1,000, participants receive a lump-sum distribution.

Notes Receivable from Participants

Under terms of the Plan, participants may borrow up to the lesser of \$50,000 or 50% of their account balance. Loans are secured by the participant's account balance, subject to regulations, and are due in a time period not to exceed 15 years, with interest at rates comparable to local prevailing rates. Principal and interest is paid ratably through bi-weekly payroll deductions.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value using quoted market prices, if available. See Note 3 for further discussion of investment valuation inputs.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

Gains and losses (realized and unrealized) are included in statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Net appreciation includes the Plan's gains on investments purchased, sold, and held during the year.

Payment of Benefits

Benefits are recorded when paid.

(Continued)

Cole's Salon, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and redemptions are charged directly to the participant's account and are included in investment and administrative expenses.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits. As a result of the spread of COVID-19 (Coronavirus) economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably determined at this time.

The Plan had investments totaling \$28,294,019 and \$25,086,034 that were concentrated in three funds, as of December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income from these notes is recorded when earned. Delinquent notes receivable from participants are reclassified as loans in default and are recorded as distributions at the time they are deemed uncollectible.

Mutual Funds

4. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles established a framework for measuring fair value based on a hierarchy that prioritizes valuation inputs as referenced below:

Level 1	Inputs using quoted prices in active markets for identical assets or liabilities
Level 2	Significant other observable inputs including quoted prices for similar assets in active or inactive markets, inputs that are derived from or corroborated by observable market data by correlation or other means, or inputs other than quoted prices that are observable for the asset
Level 3	Significant unobservable inputs

4. FAIR VALUE MEASUREMENTS (Continued)

Valuation levels are not necessarily an indication of associated risk.

The following table summarizes the Plan's investments that are accounted for at fair value on a recurring basis:

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Alerus is the trustee as defined by the Plan. Alerus is a related party, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Alerus for all accounting and investment management services totaled \$6,592 for the year ended December 31, 2021.

6. INCOME TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

7. ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the participating employers. No such officer or employee receives compensation from the Plan.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net assets available for benefits and the changes in net assets available for benefits per the financial statements agree to Schedule H of Forms 5500 as of and for the years ended December 31, 2021 and 2020.
