INDEPENDENT AUDITORS' REPORT

To the Trustees of

TROXELL COMMUNICATIONS, INC. 401(k) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of ***Troxell Communications, Inc. 401(k) Profit Sharing Plan*** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TROXELL COMMUNICATIONS, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the Plan

The following description of the *Troxell Communications, Inc. 401(k) Profit Sharing Plan* (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General** - The Plan is a prototype defined contribution plan which covers all full time employees of Bluum USA, Inc. (formerly known as Troxell Communications, Inc.) and its subsidiary, Bluum Integration, LLC (formerly known as Integrated AV Systems, LLC) (the "Sponsor"). Employees become eligible the first day of the month following sixty days of employment. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was restated effective January 1, 2022 to rename the Plan as Bluum 401(k) Plan. In addition, the Plan restatement allows for the inclusion of the employees of Bluum of Minnesota, LLC (formerly known as Tierney Brothers, LLC), a subsidiary of the Plan Sponsor, and also institutes an employer discretionary matching contribution.

In May 2022, the assets of the Tierney Brothers, Inc. Profit Sharing Plan, totaling approximately \$8,042,000 were transferred into the Plan.

- B. Contributions** - Participants may elect to contribute a portion of their compensation on a pretax basis up to the maximum amount allowed by law. The Sponsor may make matching and nonelective profit sharing contributions to the Plan on behalf of each eligible participant at its discretion. In 2021, the Sponsor did not make matching or nonelective profit sharing contributions into the Plan.
- C. Participant accounts** - Each participant's account is credited with the participant's contributions, matching contributions and allocations of nonelective profit sharing contributions and Plan earnings. Allocations are based on participant compensation or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Investment options** - Participants may direct their contributions, matching contributions, and the nonelective profit sharing contributions at their discretion into various mutual funds, self-directed brokerage accounts and a guaranteed investment contract.
- E. Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. In the event of termination for reasons other than death, retirement, or disability a participant shall vest in the Sponsor's matching and nonelective profit sharing contributions according to the following schedule:

<u>Years of Credited Service</u>	<u>Vested %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

- F. Payment of benefits** - Upon termination of service due to death, disability, retirement at age 65, or upon reaching early retirement at a minimum of age 55 with a minimum of 6 years of credited service, a participant may elect to receive the value of the participant's vested interest in his or her account in a lump sum distribution.

TROXELL COMMUNICATIONS, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the Plan (continued)

The Plan also allows a participant to prematurely withdraw his or her contributions and any nonelective profit sharing and matching contributions from his or her account if it is determined that the withdrawal is necessary to meet an immediate and heavy financial need.

- G. Forfeitures** - Forfeited Sponsor matching and nonelective profit sharing contributions are available to reduce future Sponsor contributions, pay Plan expenses, and to be reallocated to participants' accounts. Forfeited non-vested accounts totaled \$44,085 and \$35,497 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, no forfeitures were used to pay Plan expenses.
- H. Notes receivable from participants** - Participants may borrow from their accounts a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loans are repaid at a rate of interest commensurate with the prevailing interest rate charged on similar loans. Repayments must be made at least quarterly under a level amortization schedule.
- I. Termination of the Plan** - Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants' rights to the accrued benefits shall become 100% vested.
- J. Administrative expenses** - Administrative expenses of the Plan may be paid by the Plan or the Sponsor, as provided in the Plan document.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Management's use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the management of the Plan to make estimates and assumptions that affect the reported amount of net assets and the reported amounts of additions to and deductions from net assets. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued interest.

TROXELL COMMUNICATIONS, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(2) Significant accounting policies (continued)

Risks and uncertainties - The Plan provides for various investment fund options which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits - Benefits are recorded when paid.

Subsequent events - Plan management has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

(3) Fair value measurements

Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used as of December 31, 2021 and 2020.

Mutual funds: Shares of mutual funds are valued at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

Self-directed brokerage accounts: The self-directed brokerage accounts primarily consist of common stock and interest-bearing cash. Common stocks are stated at fair value, which is based on the closing price reported on the active market on which the common stock is traded.

TROXELL COMMUNICATIONS, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(3) Fair value measurements (continued)

The Plan's investments in mutual funds and common stock are stated at fair value utilizing level 1 inputs of the fair value hierarchy.

The following table summarizes the valuation of the Plan's investments by the above categories as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 11,869,019	\$ -	\$ -	\$ 11,869,019
Self-directed brokerage accounts	609,140	-	-	609,140
Total investments at fair value	<u>\$ 12,478,159</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,478,159</u>

The following table summarizes the valuation of the Plan's investments by the above categories as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 11,431,949	\$ -	\$ -	\$ 11,431,949
Self-directed brokerage accounts	733,326	-	-	733,326
Total investments at fair value	<u>\$ 12,165,275</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,165,275</u>

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) Investment contract with insurance company

The Plan has a group annuity contract with Great-West Life & Annuity Insurance Company that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer but may not be less than 0%.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(4) Investment contract with insurance company (continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- (a) Amendments to the Plan document (including complete or partial Plan termination or merger with another plan),
- (b) Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions,
- (c) Bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or
- (d) The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

(5) Tax status

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, was in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and related trust remains tax-exempt at December 31, 2021. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

(6) Excess contributions payable

The Plan was required to return contributions received in excess of the IRC limits. At December 31, 2021 and 2020, amounts refundable by the Plan to participants for contributions made in excess of amounts allowable totaled \$57,616 and \$70,183, respectively. These amounts have been reflected as excess contributions refundable and included in benefits paid to participants in the accompanying financial statements for the year in which the contributions were made.

(7) Information certified by the custodians

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

(7) Information certified by the custodians (continued)

- Investments
- Notes receivable from participants
- Interest and dividend income on investments
- Interest income on notes receivable from participants
- Net appreciation on investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(8) Party-in-interest transactions

Certain Plan investments were managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC ("Great-West"), the custodians of a portion of the Plan's assets for the year ended December 31, 2020; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Great-West were \$27,486 for the year ended December 31, 2021.

(9) Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2021 and 2020 as reported in the accompanying financial statements to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 14,999,027	\$ 14,616,764
Plus: Excess contributions refundable	57,616	70,183
Net assets per the Form 5500	<u>\$ 15,056,643</u>	<u>\$ 14,686,947</u>

The following is a reconciliation of benefits paid to participants for the year ended December 31, 2020, as reported in the accompanying financial statements, to the Form 5500:

Benefits paid per the financial statements	\$ 2,185,160
Less: Excess contributions refundable at December 31, 2021	(57,616)
Plus: Excess contributions refundable at December 31, 2020	70,183
