Independent Auditors' Report

To the Retirement Committee of the
Century Care Management, Inc. Duncan Companies 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Century Care Management, Inc. Duncan Companies 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Century Care Management, Inc. Duncan Companies 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MEMBERS

AMERICAN INSTITUTE OF CPA'S

N.C. ASSOCIATION OF CPA'S

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Century Care Management, Inc. Duncan Companies 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Century Care Management, Inc. Duncan Companies 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Century Care Management, Inc. Duncan Companies 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Century Care Management, Inc. Duncan Companies 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Century Care Management, Inc. Duncan Companies 401(K) Plan

Notes to the Financial Statements

Note A - Description of Plan

The following description of the Century Care Management, Inc. Duncan Companies 401(K) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all employees of the controlled group of companies (the "Company") listed below who have one year of service, are age twenty-one or older, and who are not members of the Baylor class of employees. The controlled group of companies consists of Century Care Management, Inc. (the Plan Sponsor), Cumberland Care, Inc., Century Care of Laurinburg, Inc., Coastal Management Opportunities, Inc., Century Care of New Bern, Inc., Century Care of Fayetteville, Inc., Century Care of the Crystal Coast, Inc., Adams Farm Living and Rehab, Heartland Living and Rehab, DGS Healthcare Elkin, Inc., and Murphy Rehabilitation, Inc. The Plan is subject to the provisions of ERISA. The Board of Directors of these entities is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.
2. *Contributions.* Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan is referred to as a "safe harbor 401(k) plan." The safe harbor contribution equals 100% of a participant's deferral contributions that do not exceed 4% of compensation plus 50% of a participant's compensation from 4% to 6% of compensation. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. A participant is not eligible to share in the allocation of the Company discretionary profit sharing contribution unless he has been credited during the Plan year with at least 501 hours of service and is an employee of the Company on the last day of the Plan year. Contributions are subject to certain IRS limitations.
3. *Participant Accounts.* Each participant's account is credited with the participant's contributions and Company safe harbor contributions, as well as allocations of the Company's profit sharing contribution (if applicable) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. *Vesting.* Participants are immediately vested in their voluntary contributions and the Company's safe harbor contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions and matching contributions that were made prior to 2003, as well as earnings/losses thereon, is based on continuous years of service. A participant is 100% vested after six years of credited service.

Century Care Management, Inc. Duncan Companies 401(K) Plan

Notes to the Financial Statements

5. *Payment of Benefits.* On termination of service, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution, or if the participant's vested account balance is greater than \$200, he or she may also elect to roll it over into an IRA. If no election is made, and the participant's vested account balance is less than \$1,000, a lump sum distribution will be automatically made to the participant. If no election is made, and the participant's vested account balance exceeds \$1,000 but does not exceed \$5,000, the vested account balance will be automatically rolled over to an IRA. If no election is made and the participant's vested account balance exceeds \$5,000, the participant's account balance will remain in the Plan, unless certain minimum distributions are required. Hardship withdrawals and in-service distributions are allowed by the Plan in accordance with Plan provisions and Internal Revenue Service regulations. Participants are entitled to all their accounts under the Plan upon death, disability, or retirement at or after age 65.
6. *Forfeited Accounts.* At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$114, respectively. Forfeitures are first used to pay reasonable Plan expenses, and then are used to reduce employer contributions in the same Plan year. The Company used \$235 and \$892 of forfeitures to pay administrative expenses in 2021 and 2020, respectively.
7. *CARES Act.* On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. Among other things, the CARES Act provided immediate and temporary relief for retirement plan participants. As permitted by the CARES Act, the Plan opted to implement the following provisions for qualified individuals, as defined by the CARES Act:

Through December 31, 2020, qualified individuals were permitted to take a distribution in an amount up to \$100,000 from the Plan without an early distribution penalty. Participants who took a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
8. *Unallocated Assets.* At December 31, 2021, unallocated assets totaled \$56,142. These funds consisted of participant and Company safe harbor contributions held in a non-interest bearing cash suspense account until allocation of the funds to participants was completed. There were no unallocated assets at December 31, 2020.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Century Care Management, Inc. Duncan Companies 401(K) Plan

Notes to the Financial Statements

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Recordkeeping fees, as well as fees related to the administration of distributions, as applicable, are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2022, the date the financial statements were available to be issued.

Note C – Investments

Certain information related to cash and investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including cash and investments held at December 31, 2021 and 2020 and net appreciation in fair value of investments, interest, and dividends for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Branch Banking & Trust Company (the Trustee of the Plan from January 1, 2020 through February 28, 2021) and Ascensus (the agent for the Trustee from March 1, 2021 through December 31, 2021).

The information certified includes the following:

	December 31	
	2021	2020
Investments	\$ 15,880,934	\$ 13,282,568
Cash	56,142	-
Investment income (loss)	1,916,334	2,613,352

Century Care Management, Inc. Duncan Companies 401(K) Plan

Notes to the Financial Statements

Note D – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at the net asset value (NAV) of units of a bank collective trust, as published by the issuer in its audited financial statements. The NAV is based on the fair value of the underlying assets held by the fund less its liabilities. The NAV of the fund approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Note E – Related-Party and Party in Interest Transactions

Certain Plan investments held by the Plan were managed by Branch Banking & Trust Company (BB&T). BB&T was the trustee and recordkeeper for the Plan through February 28, 2021, and, therefore, these transactions qualify as party in interest transactions.

Fees incurred by the Plan for the investment management services through February 28, 2021 were paid by direct payment to BB&T. As described in Note B, the Plan made direct payments to BB&T totaling \$9,628 and \$48,811 during 2021 and 2020, respectively. The Plan Sponsor paid directly any other fees related to the Plan's operations through February 28, 2021.

Certain Plan investments held by the Plan are managed by Ascensus and Ascensus Trust Company. Ascensus Trust Company is the trustee for the Plan and Ascensus is the recordkeeper for the Plan effective March 1, 2021, and, therefore, these transactions qualify as party in interest transactions.

Century Care Management, Inc. Duncan Companies 401(K) Plan

Notes to the Financial Statements

Effective March 1, 2021, Ascensus provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Ascensus. Ascensus receives revenue from mutual fund service providers for services Ascensus provides to the funds. This revenue is used to offset certain amounts owed to Ascensus for its administrative services to the Plan.

If the revenue received by Ascensus from such mutual fund service providers exceeds the amount owed under the MSA, Ascensus remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, the Plan received \$12,918 of revenue sharing from Ascensus. The Plan or Plan Sponsor may make a payment to Ascensus for administrative expenses not covered by revenue sharing. As described in Note B, the Plan made direct payments to Ascensus totaling \$37,526 during 2021.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note G - Tax Status

The Company adopted the BB&T prototype non-standardized profit sharing plan effective January 1, 2016. The IRS determined and informed BB&T by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) and that any employer adopting this form of the plan will be considered to have a plan qualified. Although the Plan was amended since receiving the opinion letter, the Plan administrator believes that the Plan was designed and was operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

The Company adopted the Ascensus LLC non-standardized pre-approved profit sharing plan effective May 1, 2021. The IRS has determined and informed Ascensus LLC by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) and that any employer adopting this form of the plan will be considered to have a plan qualified. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Century Care Management, Inc. Duncan Companies 401(K) Plan

Notes to the Financial Statements

Note H – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The continued global economic uncertainty associated with the novel coronavirus (COVID-19) pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
