INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Committee
Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan
Findlay, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT (continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

INDEPENDENT AUDITORS' REPORT (continued)

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan trustees instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HITACHI ASTEMO FINDLAY, INC. ASSOCIATES' RETIREMENT SAVINGS PLAN
Notes to Financial Statements and Schedules
December 31, 2021 and 2020

A – DESCRIPTION OF PLAN

The following description of the Hitachi Astemo Findlay, Inc. Associates' Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all non-union employees of Hitachi Astemo Findlay, Inc. (the Company) who are age eighteen or older. The Company, formerly Nissin Brake Ohio, Inc., became part of a joint venture and changed its name in January of 2021. The Plan and the related trust agreement were established effective November 1, 1990, to provide retirement benefits and are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions to the Plan: The Plan provides for participants to defer an unlimited amount of their compensation, as defined by the Plan. The amount of a participant's contributions for any Plan year may not exceed certain limits which are set forth in the Plan and the IRC. Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and profile series as investment options as well as a guaranteed interest rate option for participants.

The Company will also make a matching contribution equal to 50% of the amount of each participant's contribution. In applying the 50% match, however, only contributions up to 6% of a participant's compensation will be considered. The Company may also elect to make a discretionary profit sharing contribution. No such contribution was made in fiscal year 2021.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of the company's contribution, and charged with an allocation of any administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefits that can be provided from the participants vested account.

Eligibility and Vesting: Employees become eligible as participants in the Plan on the earlier of January 1, April 1, July 1 or October 1 following 30 days of service and attainment of age 18. Eligible employees do not include employees covered by a collective bargaining agreement.

Participants are immediately vested in their salary deferral and earnings thereon. Company matching and discretionary contributions and earnings thereon are vested at 20% per year for five years.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 6.25 percent, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Participants may only have one loan outstanding at a time.

Forfeitures: Forfeited nonvested accounts totaled \$55 at year end and will be used to reduce future employer contributions or pay plan expenses. Forfeitures in the amount of \$0 were used to pay plan expenses during 2021.

HITACHI ASTEMO FINDLAY, INC. ASSOCIATES' RETIREMENT SAVINGS PLAN
Notes to Financial Statements and Schedules
December 31, 2021 and 2020

A – DESCRIPTION OF PLAN (continued)

Distribution of Benefits: Participants eligible to receive benefit distributions can elect to receive the distribution in a single lump sum payment or in installments over a period not to exceed a participant's life expectancy. In addition, the Plan includes a provision for participants to make withdrawals from their account under certain "hardship" circumstances, subject to approval by the Plan Committee. However, after a hardship distribution, a participant is ineligible to make salary deferral contributions for a period of 6 months.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Administrative Expenses: All administrative expenses are paid by the Plan unless paid by the Company.

B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition: Investments are stated at fair value as reported by the Plan's custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note J for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Realized and unrealized appreciation (depreciation) is included in investment income.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants: Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest and are classified as notes receivable from participants.

Subsequent Event: The Company has evaluated all subsequent events through October 12, 2022, the date the financial statements were available to be issued.

Notes to Financial Statements and Schedules
December 31, 2021 and 2020

B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Event (continued): Due to national and world-wide disruptions caused by COVID-19, the Plan may be adversely impacted. There has been heightened market risk and volatility associated with the pandemic and this could materially affect participants' account balances. At this time, any financial impact of potential COVID-19 related disruptions is not known.

The Plan is subject to the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) which were passed into law in 2020. Plan management is monitoring these acts.

C – PLAN INVESTMENTS

The Plan's investments consist of the following:

	2021
Mutual funds	\$27,467,221
Guaranteed interest fund	1,256,308

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,809,701. Mutual funds appreciated \$3,795,142 and the Guaranteed interest fund appreciated \$14,559 during the year.

D – INFORMATION CERTIFIED BY THE ASSET CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.108-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan has received certification from the Asset Custodian that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020
- Investments activity, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021
- The Schedule of Assets Held for Investment Purposes as of December 31, 2021 as shown on Schedule I

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

HITACHI ASTEMO FINDLAY, INC. ASSOCIATES' RETIREMENT SAVINGS PLAN
Notes to Financial Statements and Schedules
December 31, 2021 and 2020

E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

F – REQUIRED SCHEDULE INFORMATION

There is no information to be reported for the following schedules as of December 31, 2021, or for the period then ended.

- a. Non-exempt transactions
- b. Loans or fixed income obligations
- c. Leases in default or classified as uncollectible
- d. Investment assets both acquired and disposed of within the plan year
- e. Reportable transactions

G – TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Company believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, that the Plan is qualified, and the related trust is tax exempt. Plan management believes there are no uncertain tax positions that would require recognition of a liability or disclosure in the financial statements. The Plan's returns are subject to examination by the Internal Revenue Service, generally for three years after the date the return is filed.

H – PLAN ADMINISTRATION

The Plan is administered by a committee appointed by the Company and Empower Retirement Services, the Plan's third-party administrator. The Great-West Life & Annuity Insurance Company is the Plan's custodian and holds all Plan assets and executes all Plan transactions.

I – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held in funds managed by Great-West Life & Annuity Insurance, the Plan's asset custodian and recordkeeper. Therefore, transactions with Great-West qualify as party-in-interest.

Certain administrative functions are performed by employees of the Company (who may also be participants in the Plan) at no cost to the Plan.

These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory or administrative exceptions from the Code and ERISA's rules on prohibited transactions.

J - FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within Level 1 of the valuation hierarchy.

Guaranteed interest fund: Measured at fair value, which is contract value that approximates fair value, on a recurring basis. The guaranteed investment fund uses a discounted cash flow valuation methodology where the interest rate for the portfolio investment contract is reset at least as frequently as annually. Contract value reported by the asset custodian and is classified as Level 2.

Notes to Financial Statements and Schedules
December 31, 2021 and 2020

J - FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Level 1	Level 2	Level 3	Total
