INDEPENDENT AUDITOR'S REPORT

To the Members of the Employee Benefits Committee of
the Buchalter 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Buchalter 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Buchalter 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Buchalter 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buchalter 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buchalter 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buchalter 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Members of the Employee Benefits Committee of
the Buchalter 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying statement of net assets available for benefits of Buchalter 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Newport Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A - PLAN DESCRIPTION

The following description of the Buchalter 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General: The Plan is a deferred compensation plan under Internal Revenue Code Section 401(k), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). At the date of hire, eligible employees who are 18 years of age or older and employed full time may make an election to be included in the Plan. The Employee Benefits Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offers and monitors investment performance.

2. Employee Contributions: Each participant may elect to have a portion of their total gross compensation withheld, up to a maximum of $19,500 in 2021. As of December 31, 2021, individuals age 50 or over, by the end of the plan year, are allowed to make an additional $6,500 contribution for the 2021 plan year. Participants may contribute up to 80%, or 20% for highly compensated employees, of his or her total gross compensation subject to the maximum deferral allowed by IRS regulation.

3. Firm Contributions: Buchalter, APC, (the "Firm"), the Plan's sponsor, makes contributions to the profit sharing plan at its discretion. Eligible participants must be employed at December 31 of the plan year. The Firm's contribution is based on 7.5% of qualified salary for staff. The Firm's contribution for 2021 for shareholders under 41 is 10% of compensation not to exceed $29,000 and 13.28% of compensation not to exceed $38,500 for shareholders 41 or older. The contribution are typically made annually by December 31 for those employed on that date. For the year ended December 31, 2021, the Firm contributed $5,497,354 to the profit sharing plan, of which $3,836,750 entered the Plan in January 2022, therefore, the amount is recorded as employer contributions receivable.

4. Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Firm's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investment Options: Upon enrollment in the Plan, a participant may direct participant and Firm contributions as desired, in any of a variety of options offered by Newport Trust Company, the trustee, as provided by the Employer. Participants may change their investment options at any time.

6. Vesting: Participants are fully vested in their accounts at any point in time.

7. Rollovers: An employee who qualifies as part of an eligible class of employees can make Rollover contributions subject to the guidelines of the Plan.

8. Notes Receivable from Participants: Loans to participants are secured by the participant's account. The minimum loan amount is $1,000 and may not exceed the lesser of 50% of the participant's account balance or $50,000 in the aggregate for any individual participant. Loan maturity is not to exceed five years, except in cases where loans are used to acquire or construct a participant's principal residence.

NOTE A - PLAN DESCRIPTION (Continued)

In some cases, these loans may be extended up to a term of 30 years. Participants may have a maximum of two loans outstanding at one time. Loans bear interest at the trustee's prime rate plus 1% on the date the loan originated. At December 31, 2021, the rates of the loans outstanding ranged between 4.25% and 6.50%.

9. Payment of Benefits: The purpose of the Plan is to fund participants' retirement income at the normal retirement age. At normal retirement age or in the event of a disability or death, the participant's account may be distributed in a lump sum or required minimum distribution. Distributions must commence by age 70 ½. Effective January 1, 2020, under the Secure Act, required minimum distributions must commence by age 72. In the event that a participant's service is terminated due to causes other than retirement, disability or death, the participant's account distribution may be made as soon as practical or, if the participant's account balance is greater than $5,000, the participant may elect to defer distribution until age 62. In addition, participants may request hardship withdrawals, as defined in the Plan. All such withdrawals, and the terms and conditions thereof, are to be authorized by the plan administrator.

10. Plan Termination: Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Firm may determine.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates
The preparation of financial statements in accordance with the accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date of the report and for the period presented. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan

balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, which is considered a good faith approximation of fair value.

Payment of Benefits
Benefits are recorded when paid.

Expenses
Certain expenses of maintaining the Plan are paid by the Firm and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Administrative expenses incurred by the trustee and other service providers in performance of their duties are paid from the assets of the Plan. Fees related to the administration of notes receivable from participants and other participant specific fees are charged directly the participant's account and are included in administrative expenses.

Date of Management's Review of Subsequent Events
Subsequent events were evaluated through October 12, 2022, which was the date the financial statements were available to be issued.

NOTE C – INVESTMENTS AND CERTIFICATION OF TRUSTEE

The trustee, Newport Trust Company, has been granted discretionary authority to invest and reinvest the assets of the trust, subject to the investment discretion of the individual participants over the Firm contributions and participant contributions.

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103.-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors' not to perform any auditing procedures with respect to the information certified by Newport Trust Company, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedules.

Total investments, cash and equivalents, and notes receivable from participants held and certified by Newport Trust Company, the trustee, in the accompanying Statements of Net Assets Available for Benefits were $162,185,551 and $148,868,119 as of December 31, 2021 and 2020, respectively.

Investment income and interest on notes receivable, net of investment expenses, from participants was $17,476,042 for the year ended December 31, 2021, and was certified by Newport Trust Company.

NOTE D - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs consist of observable inputs other than quoted prices for identical assets.

Level 3 Inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The following is a description of the valuation methodologies used for assets measured at fair value:

Level 1 Fair Value Measurements
Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common stocks and exchange– traded funds: Valued based on the closing prices reported on the active market on which the individual securities are traded.

Level 2 Fair Value Measurements
Corporate bonds and government bonds: Valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

Level 3 Fair Value Measurements
Partnership's/joint ventures: Valued based on fair value at the partnership level based on the current year income/ (loss) and if there were any contributions or withdrawals during the year. The income is determined based on the partnership's method of accounting, which could be different than the accounting method used by the Plan.

Other loans: Other loans are reported at their unpaid principal balance plus any accrued but unpaid interest, which is considered a good faith approximation of fair value.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In determining the reasonableness of these methodologies, the Employee Benefits Committee evaluates a variety of factors including economic conditions and industry and market developments. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following table set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual funds	$ 117,309,676	$ -	$ -	$ 117,309,676

Government bonds	-	-	-	-
Partnership's/joint ventures	-	-	24,912	24,912
Other loans	-	-	536,079	536,079
Total investments at fair value	$ 154,503,323	$ 2,722,675	$ 560,991	$ 157,786,989

Assets at Fair Value as of December 31, 2020

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual funds	$ 106,883,015	$ -	$ -	$ 106,883,015
Exchange-traded funds	17,606,846	-	-	17,606,846
Common stocks	15,535,666	-	-	15,535,666
Corporate bonds	-	3,096,777	-	3,096,777
Government bonds	-	30,739	-	30,739
Partnership's/joint ventures	-	-	10,028	10,028
Other loans	-	-	536,079	536,079
Total investments at fair value	$ 140,025,527	$ 3,127,516	$ 546,107	$ 143,699,150

The following table reconciles the beginning and ending balance of fair value measurements using significant unobservable inputs (Level 3) for the years ended December 31, 2021 and 2020:

December 31, 2021	Other Loans	Partnership/Joint Ventures	Total
Beginning balance	$ 536,079	$ 10,028	$ 546,107
Gains and (losses) realized and unrealized	-	14,884	14,884
Ending balance	$ 536,079	$ 24,912	$ 560,991

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

December 31, 2020	Other Loans	Partnership/Joint Ventures	Total
Beginning balance	$ 536,079	$ 11,836	$ 547,915
Gains and (losses) realized and unrealized	-	(1,808)	(1,808)
Ending balance	$ 536,079	$ 10,028	$ 546,107

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2021 and 2020, there were no transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Newport Trust Company (NTC). NTC is the trustee and record-keeper for the Plan and therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2021, administrative expenses paid by the Plan to NTC for recordkeeping services were $19,024.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments. The Plan also made direct payments to service providers.

Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Firm. No officer or employee received compensation from the Plan for these services.

NOTE F – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31,2021 and 2020:

	2021	2020
Net assets available for benefits per the financial statements	$ 166,022,301	$ 148,868,119
Employer contributions receivable	(3,836,750)	-
Net assets available for benefits per the Form 5500	$ 162,185,551	$ 148,868,119

NOTE F – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31,2021:

Net increase in employer contributions per the financial statements	$ 5,497,354
Net effect of current year receivables	(3,836,750)
Net increase in employer contributions per Form 5500	$ 1,660,604

NOTE G - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 30, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE H - RISKS AND UNCERTAINTIES

Plan investments are subject to market fluctuations and interest rate changes that may materially affect their fair value. Certain investment options could include contracts with insurance companies and other financial institutions. These contracts could impose a contract penalty on withdrawals or exchanges from the fund caused by extraordinary events.

The Plan invests, through mutual funds in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments.

COVID-19

In March 2020, the World Health Organization declared the outbreak of the novel coronavirus (COVID-19) has affected global economic activity and contributed to uncertainty in financial markets. Because values of the Plan's investments will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, is also uncertain.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented all required provisions.
