Independent Auditor's Report

Plan Trustees
Evangelical Children's Home's 401(k) Profit-Sharing Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Evangelical Children's Home's 401(k) Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Tel: 314-889-1100
Fax: 314-889-1101
www.bdo.com

101 South Hanley Road, Suite 800
St. Louis, MO 63105

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Fax: 314-889-1101
www.bdo.com

101 South Hanley Road, Suite 800
St. Louis, MO 63105

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Evangelical Children's Home's 401(k) Profit-Sharing Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Evangelical Children's Home's 401(k) Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document and any amendments thereto for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Evangelical Children's Home (the "Organization") age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan's Trustees are responsible for oversight of the Plan. The Trustees determine the appropriateness of the Plan's investment offerings, monitor investment performance and report to the Organization's Board of Trustees.

Plan Amendment

Effective January 1, 2021, the Plan was amended to allow Roth contributions.

Contributions

Each year, Plan participants may contribute a percentage of their pre-tax annual compensation, as defined in the Plan Document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated fund until changed by the participant.

Employees become eligible for employer matching and discretionary contributions after one year of service in which they complete 1,000 hours of service. The Organization contributes 100% of the first 3% of eligible compensation that a participant contributes to the Plan as an employer matching contribution. Additional discretionary amounts may be contributed at the option of the Organization's Board of Trustees. Participants must be employed at the end of the Plan year and must have worked at least 1,000 hours during the Plan year in order to be eligible to receive an allocation of any discretionary contributions. The Organization's discretionary contributions are allocated among eligible participants based on an age weighted factor applied to compensation. The Organization did not make any discretionary contributions to the Plan for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, including amounts rolled over from other qualified plans, the Organization's matching and discretionary contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific

Evangelical Children's Home's 401(k) Profit-Sharing Plan

Notes to Financial Statements

participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. Vesting in the Organization's contributions is based on years of continuous service. A participant is 20% vested after 2 years of service and vests an additional 20% each year until the participant is 100% vested after six years of service. In addition, participants are 100% vested upon reaching the normal retirement age of 65.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to (i) the lesser of 50 percent of their combined vested accounts or (ii) \$50,000 reduced by the highest outstanding balance of any prior loans from the plan during the prior one-year period. Loan transactions are treated as transfers between the investment funds and the loan fund. Loan terms range from 5 years for general purpose up to 10 years for the purchase of a primary residence. Participant may have one outstanding loan at a given time. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% - 6.50% as determined by the plan administrator.

Payment of Benefits

Upon termination of service due to death, disability, retirement or termination of employment, a participant or beneficiary may elect to receive the value of the vested interest in his or her account under the following benefit payment methods:

- Non-Refund Life Annuity
- Full Cash Refund Annuity
- Period Certain and Continuous Annuity
- Joint and Survivor Life Annuity
- Joint and Survivor with Period Certain and Continuous Annuity
- Lump Sum Payment

A participant may elect to begin receiving benefit distributions at any time after attaining age 59.5. If a terminated participant's vested interest in the Plan is less than \$5,000, a mandatory lump-sum distribution is made to the participant.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited accounts totaled \$17,010 and \$17,548, respectively. Forfeitures, after the payment of any charges related to forfeitures, are first used to restore the forfeited portion of account balances of re-employed participants. Any remaining forfeitures are allocated to the accounts of participants active in the Plan in the ratio of the participant's compensation to total compensation of all eligible participants for the year.

During 2021 and 2020, respectively, forfeited amounts of \$17,679 and \$3,953 were allocated to participant accounts.

Evangelical Children's Home's 401(k) Profit-Sharing Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from estimated amounts.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for additional information related to fair value measurements.

Investments in fully benefit responsive investment contracts with Mutual of America (Note 5) are valued at contract value. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less withdrawals.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Contributions

Contributions are recorded when withheld from the participant's compensation.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial

statements. Investment related expenses are included in net appreciation of fair value of investments.

3. Information Certified by Mutual of America

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA required supplemental schedule is complete and accurate.

<i>December 31,</i>	2021	2020
Pooled separate accounts	\$ 8,089,159	\$ 6,600,446
Interest accumulation account	471,298	458,295
Total investments	\$ 8,560,457	\$ 7,058,741
<i>Years ended December 31,</i>	2021	2020
Investment income:		
Net appreciation in fair value of investments	\$ 1,036,706	\$ 758,677
Dividends and interest	4,343	5,924
Total investment income	1,041,049	764,601
Interest income on notes receivable from participants	\$ 4,626	\$ 6,206

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

Evangelical Children's Home's 401(k) Profit-Sharing Plan

Notes to Financial Statements

- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Valued at the net asset value ("NAV") of units held by the Plan at year end. The NAV, as provided by Mutual of America, is used as a practical expedient to estimate fair value. The NAV is determined by dividing the net assets, at fair value, of the fund by the number of units outstanding on the day of valuation. Pooled separate accounts are comprised, primarily, of shares of mutual funds that are traded on an active market.

The methodology described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value leveling table has been excluded from these financial statements as all investments, except those valued at contract value, are measured at NAV as the practical expedient.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

Notes to Financial Statements

(a) Asset allocation funds, as categorized by the Plan's custodian, invest primarily in equity shares of other funds of investment companies and fixed income investment company funds. Each fund has a target allocation percentage in equity investment companies and fixed income investment companies ranging from 60% - 80% and 20% - 40%, respectively.

(b) Balanced funds, as categorized by the Plan's custodian, invest a portion of its assets in equity securities, fixed income securities and money market securities in an attempt to provide a complete investment fund in a single product. The funds investment percentage in each type of security range from 10% - 60%.

(c) Equity funds, as categorized by the Plan's custodian, invest in equity securities of U.S. companies with long-term capital appreciation based upon a risk-based approach. These securities normally include common stock, such as growth and value stocks, and when deemed necessary, securities of domestic and foreign companies. Typically, at least 80% of the funds total assets will be invested in equity securities.

(d) Fixed income funds, as categorized by the Plan's custodian, invest primarily in publicly traded, investment-grade debt securities. At least 80% of each funds' total assets are invested in investment-grade securities issued by U.S. corporations or by the U.S. Government or its agencies, such as bonds, notes, debentures, zero coupon securities and mortgage-backed securities.

(e) The money market fund, as categorized by the Plan's custodian, invests in money market instruments that meet certain retirements. The dollar weighted average maturity of the instruments the fund holds will be short-term, 60 days or less.

(f) The real estate fund, as categorized by the Plan's custodian, employs an indexing investment approach by investing in stocks of large, mid-size, and small U.S. companies within the real estate sector.

(g) Retirement funds, as categorized by the Plan's custodian, invest in share of other services of investment company funds in proportions that are balance to achieve current income and capital appreciation appropriate for the asset allocation associated with its approximate year of retirement which is included in each funds' name (target retirement date) or current income and preserve the value of the investment of retired individuals (retirement income fund).

5. Interest Accumulation Account

The Plan offers an interest accumulation account with the custodian as an investment option for participants which has the following characteristics (i) there are no front- or back-end charges, so investments in the Interest Accumulation Account are completely liquid, (ii) the interest rate credited to investments in the interest accumulation account is a current rate and is not dependent upon the length of time the assets are invested, (iii) requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the custodian having to liquidate securities in order to generate a payment and (iv) the redeemable value of the fund is the reported contract value as there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Notes to Financial Statements

6. Concentrations of Significant Investments

As of December 31, 2021, and 2020, the Plan's investments in the Mutual of America Life Insurance Company 2020 Retirement Fund accounted for 16% and 18% of the Plan's total investments, respectively.

7. Related Party Transactions and Party In Interest Transactions

Certain Plan investments are managed by Mutual of America Life Insurance Company, the custodian, and therefore, these transactions qualify as exempt party in interest transactions and are exempt from the prohibited transaction rules of ERISA. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments as they are paid through revenue sharing rather than a direct payment. The Plan made direct payments to Mutual of America for the years ended December 31, 2021 and 2020, in the amounts of \$4,135 and \$1,833, respectively, which were not covered by revenue sharing. The Organization pays any other fees related to the Plan's operations.

8. Income Tax Status

The IRS had determined and informed the Organization by a letter dated May 4, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan sponsor is responsible for reviewing the annual Required Amendments List ("RAL") issued by the IRS for individually designed plans to retain qualified tax status. Although the Plan has been amended, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The macroeconomic impacts stemming from the conflict in Ukraine, and the potential impact and duration of the COVID-19 pandemic, continuing supply chain issues and rising inflation has continued to cause volatility in the markets. Any future impact on investments of the Plan remains uncertain.

10. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to reduce or discontinue its contributions at any time and to terminate the Plan subject to the

Evangelical Children's Home's 401(k) Profit-Sharing Plan

Notes to Financial Statements

provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:

	2021	2020
Net assets available for benefits, per the financial statements	\$ 8,659,016	\$ 7,175,798

Net assets available for benefits, per the Form 5500	\$ 8,637,626	\$ 7,155,380

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the years ended December 31, 2021 and 2020, respectively to Form 5500:

	2021	2020
Change in net assets available for benefits, per the financial statements	\$ 1,483,218	\$ 936,524
Less: current year employee receivables	(15,802)	(14,778)
Less: current year employer receivables	(5,588)	(5,640)
Add: prior year employee receivables	14,778	-
Add: prior year employer receivables	5,640	4,396
Change in net assets available for benefits, per the Form 5500	\$ 1,482,246	\$ 920,502

12. Subsequent Events

The plan trustees have evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

Subsequent to year-end on January 1, 2022, the Plan was amended and restated for regulatory purposes. No significant changes were made to the Plan provisions.
