INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Exceptional Children's Foundation 401(k) Plan
Culver City, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Exceptional Children's Foundation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Exceptional Children's Foundation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Exceptional Children's Foundation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Exceptional Children's Foundation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Exceptional Children's Foundation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of the year) as of December 31, 2021, ("supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Exceptional Children's Foundation 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Exceptional Children's Foundation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by Exceptional Children's Foundation (the "employer", "Organization" or "ECF") pursuant to Section 401(a) and related provisions of the Internal Revenue Code ("IRC"), was established effective January 1, 2009 to provide retirement benefits to eligible employees. The Plan was most recently amended and restated effective January 1, 2016. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or proven financial hardship. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws.

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, related to participant loans and distributions. Qualifying participants impacted by coronavirus were able to borrow up to the lesser of \$100,000 or 100% of their vested account balance. Participants were able to take coronavirus-related distributions up to the lesser of \$100,000 or 100% of their vested account balance. Ordinary income taxes may be paid over a three-year period. Participants were permitted to repay coronavirus related distributions over a three-year period. The Organization has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2021.

Plan Administration

The Organization is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. ECF has delegated certain responsibilities for the operation and administration of the Plan. ECF has contracted with Massachusetts Mutual Life Insurance Company ("MassMutual") and Reliance Trust Company ("Trustee") to provide record-keeping, and administrative services to the Plan.

Effective December 31, 2020, MassMutual was acquired by Empower Retirement ("Empower"). As a result of the acquisition, Empower replaced Mass Mutual as recordkeeper and Great-West Life & Annuity Insurance Company ("GLAIC"), an affiliate of Empower, became the asset custodians of the investments.

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

Employees become eligible to participate in the Plan and make salary deferral contributions and receive employer contributions upon hiring. Employees covered under the Plan include all employees, except those who are union employees, nonresident aliens, leased employees, merger and acquisition employees, and Puerto Rico based employees. Employees are eligible to participate in the Plan upon their commencement date. In order to be eligible for employer matching contributions, the employee must complete at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year.

Contributions

Each year, participants may contribute a portion of their pre-tax annual compensation as defined in the Plan, and the maximum amount allowed by the IRC. Maximum allowed deferral amount was \$19,500 for the year ending 2021. Participants age 50 or over may also contribute an additional \$6,500 in catch-up contributions to the Plan for the year ending 2021. The Plan automatically enrolls all eligible employees in the Plan at a deferral rate of 3% of eligible compensation.

The Organization will match each participant's contributions up to 1% of eligible compensation as defined by the Plan document. For the year ended December 31, 2021, employer matching contributions were \$111,443.

Participant accounts

Each participant's account is credited with the participant's contributions (including rollovers from other qualified retirement plans), and an allocation of (a) the Organization's contribution, if applicable and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participants' earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct their investments in the investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Participants are fully-vested by reasons of employment termination, normal retirement age, death or disability.

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

The vesting schedule for the employer contribution is as follows:

<u>Years of Service</u>	<u>Percentage</u>
1	20 %
2	40 %
3	60 %
4	80 %
5	100 %

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's accounts and bear a reasonable rate of interest as determined by the Plan administrator. The repayment of principal plus interest is generally required by the Plan to be made through payroll deductions over five years unless the loan is used for the purchase of a primary residence. Loans outstanding during the year ending 2021 carried interest rates between 4.25% and 6.50%. Participants may not have more than one loan at a time.

Administrative Expenses

Certain administrative expenses of the Plan, including auditing expenses, were paid by ECF for the year ending 2021. Other administrative expenses, including investment management services, are paid out of the assets of the Plan. Investment fees, which may vary according to the individual funds selected, are paid out of the assets of the Plan.

Administrative expenses cover the routine Plan expenses for investment advisory and management services. The Plan requires that certain expenses related to the Plan be paid directly by the Organization, but permits certain expenses incurred to administer the Plan to be paid from Plan assets. The Organization does not require reimbursement from the Plan for these expenses. For the year ending 2021, the Plan paid investment advisory and management fees of \$29,367.

1. DESCRIPTION OF THE PLAN (continued)

Benefit payments

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. If a participant's account balance is equal to or less than \$5,000, the balance will be distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefit plan is requested. If the account balance is greater than \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan or postpone payment to a later date and remain in the Plan as described in the Plan documents.

The Plan allows participants to obtain a distribution to satisfy any of the following immediate and heavy financial needs: (1) medical expenses; (2) purchase of a principal residence; (3) to prevent eviction from principal residence; (4) to pay for education expenses; (5) funeral expenses; or (6) repair the damage on principal residence.

Forfeited accounts

Forfeitures of employer matching contributions may occur if a participant terminates employment prior to the full vesting period. These amounts may be used to reduce future employer contributions or pay for Plan operating expenses. Total forfeited non-vested accounts that were available for such purposes totaled \$43,367 and \$29,003 as of December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, forfeitures of \$94 were used to pay administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan and supplemental schedule have been prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). This basis differs from U.S. GAAP primarily because contributions are recognized when received rather than when earned, forfeitures are recognized when applied to reduce matching employer contributions rather than when forfeited, and corrective distributions are recognized when paid instead of when the underlying obligation is incurred.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Exceptional Children's Foundation 401(k) Plan
Notes to Financial Statements
Modified Cash Basis
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of the investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis and changes therein.

Investment valuation and income recognition

The Plan's investments are stated at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment in the guaranteed interest account ("GIA") is a fully benefit responsive account valued at contract value as reported by the Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants are recorded when they are received by the Plan and coincide with the date the contributions have been separated from a participant's pay by the Organization, which is the pay date.

Organization matching contributions are recorded when they are received by the Plan and coincide with the year in which the Organization records the contributions in its general ledger.

Rollover contributions are recorded when they are received by the Plan and allocated to participants' accounts.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when received. No allowance for credit losses was recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and, upon the occurrence of a distributable event, the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses for the Plan are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through October 10, 2022, the date the financial statements were available to be issued.

Effective July 21, 2022, the Plan had a Cycle 3 Restatement to be in compliance with the legislative and regulatory changes set forth in IRS notice 2017-37. The Plan adopted the Volume Submitter Non-Standardized Defined Contribution Pre-Approved Plan. No Plan provisions were modified as a result of this restatement. The IRS issued an opinion letter dated June 30, 2020 supporting the Plan's adoption.

3. FAIR VALUE MEASUREMENTS

Accounting standards require that fair value be determined based on the price that would be received for an asset or paid to transfer a liability ("exit price") in the principal or most advantageous market, in an orderly transaction between market participants. Such fair value is a market-based measurement, not an entity-specific measurement. U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are as follows:

- *Level 1* - inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- *Level 3* - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Notes to Financial Statements
Modified Cash Basis
December 31, 2021 and 2020

3. FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes to the methodology used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price reported on the active market of which the funds are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investment in a guaranteed interest account is valued at contract value and is not disclosed in the fair value hierarchy under accounting standards.

As of December 31, 2021 and 2020, there were no restrictions on redemptions or unfunded commitments for any of the major types of investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 6,011,358</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,011,358</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 5,019,800</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,019,800</u>

4. GUARANTEED INVESTMENT CONTRACT

The Plan has a Group Annuity Contract (the "Contract") with MassMutual under which MassMutual maintains certain participant directed contributions in a GIA which is commingled with the general assets of MassMutual. The GIA is considered fully benefit-responsive and is reported at contract value, as determined by MassMutual, in the Plan's financial statements. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The GIA can be terminated by MassMutual if the total fair value of the investments or the annual contribution amounts fall below minimum levels as stated in the contract. The GIA can also be terminated by either the Organization or MassMutual for additional reasons as defined in the Contract. Certain events, such as the premature termination of the Contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with MassMutual. The Plan administrator believes the occurrence of such events (which would also limit the Plan's ability to transact at contract value with Plan participants) is not probable.

The crediting interest rate for the contract at December 31, 2021 and 2020, was 1.21% and 1.50%, respectively.

5. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee, determined to be a qualified institution by the Plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits - modified cash basis as of December 31, 2021 and 2020 and;
- Net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021; and,
- Investments and notes receivable from participants reflected on the supplemental schedule of assets (held at end of year) as of December 31, 2021.

Accordingly, as requested by the Plan administrator, the Plan's auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and schedule of assets (held at end of year).

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similar to a related party as defined in accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. We did not identify any related parties to the Plan that were not also considered to be party-in-interest. The Plan did not enter into any material related party transactions during the plan year related to compensation, arrangements, expense allowances or similar items.

Party-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. As such, transactions conducted by the Trustee and its affiliates and the Organization, on behalf of the Plan, qualify as exempt party-in-interest transactions. During the year ended December 31, 2021 and 2020, the total amount of broker commissions and administrative charges paid to the trustee were \$29,367 and \$22,495, respectively, and are shown as administrative expenses in the accompanying statement of changes in net assets available for benefits - modified cash basis.

8. TAX STATUS

The Plan used a volume submitter plan sponsored by Thomson Reuters Services. Thomson Reuters Services received a favorable opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014, which states that the document satisfies the applicable provisions of the IRC and is acceptable for use by employers for the benefit of their employees. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. See Note 2, Subsequent Events for the adoption of the Volume Submitter Non-Standardized Defined Contribution Pre-Approved Plan on July 21, 2022.
