INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of the
LifeCare, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of LifeCare, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of LifeCare, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LifeCare, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Merger

As discussed further in Note 1 to the financial statements, in 2022 a merger of the Plan was approved with an effective merger date of January 1, 2022. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LifeCare, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LifeCare, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LifeCare, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Participants and Administrator of the
LifeCare, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of LifeCare, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company and Reliance Trust Company, the custodian and trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian and trustee hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the custodian and trustee as of December 31, 2020, that the information provided to the plan administrator by the custodian and trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian and trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

LifeCare, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2021

1. Description of the Plan

The LifeCare, Inc. 401(k) Plan (the “Plan”), as amended, is a defined contribution plan that was established November 1, 1995, and covers all eligible employees, as defined by the Plan, of LifeCare, Inc. (the “Company” or “Employer”).

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan Agreement or Summary Plan Description, not included herein, for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

General

On December 31, 2020, Empower Retirement completed their acquisition of Massachusetts Mutual Life Insurance Company’s retirement plan business. Great-West Life & Annuity Insurance Company (“GWLA”) and Great-West Trust Company, LLC (“GWTC”) (collectively “Great-West”) are the custodians of the Plan, which replaced Massachusetts Mutual Life Insurance Company as a result of the acquisition effective January 1, 2021.

In 2022, Plan management approved the merger of the Plan into the IAC/InterActiveCorp Retirement Savings Plan. All Plan assets were merged into the IAC/InterActiveCorp Retirement Savings Plan with an effective date of January 1, 2022. The actual merger and transfer of assets occurred in February 2022. Following the merger, no assets remain in the Plan.

Eligibility

There is no minimum length of service required to participate in the Plan, and employees are eligible to begin participation on designated monthly enrollment dates provided that they have reached 21 years of age. Employees are eligible to receive Employer discretionary matching contributions after one year of service.

Excluded employees include collectively bargained employees, nonresident aliens with no U.S. source income or leased employees.

Contributions

Plan participants may contribute a portion of their eligible compensation to their employee deferral accounts, on a tax deferred basis. Participant contributions may not exceed the federal statutory limit as specified by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

1. Description of the Plan *(continued)*

Contributions (continued)

The Employer may make matching contributions in addition to the safe harbor matching contribution elected. The safe harbor matching contribution is made to the account of each eligible participant in an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% but do not exceed 5% of the participant's compensation. The Employer may make matching contributions equal to a discretionary percentage, to be determined by the Employer, of the participants' elective deferrals. In 2021, the Employer only made the safe harbor matching contribution to the Plan.

Participant Accounts

A participant's account is credited with the participant's contribution and allocations of (a) Employer contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, safe harbor contributions, and actual earnings thereon. Vesting in the Employer discretionary matching contribution is as follows:

Years of Service	Vesting Percentage
Less than 1	0%
1	33%
2	67%
3	100%
4	100%
5 or more	100%

Forfeited Accounts

Forfeited accounts are amounts forfeited by employees with a non-vested portion in their account that have terminated their employment and who have withdrawn from the Plan. Forfeited contributions will be used first to reduce expenses related to the administration of the Plan and then to reduce any Employer contributions. At December 31, 2021 and 2020, forfeited non-vested amounts totaled \$3,509 and \$4,428. During 2021, no forfeitures were used to reduce Employer contributions and \$1,000 of forfeitures were used to reduce Plan expenses.

1. Description of the Plan (continued)

Payment of Benefits and Withdrawals

The Plan is designed to provide benefits at the time of retirement. However, if employment with the Company is terminated because of death, disability, or any other reason, a request for distribution of a participant's vested account balance is also allowed. If a participant dies while classified as an active member of the Plan, the participant's beneficiary or beneficiaries are entitled to receive 100% of the participant's account balance. Should a participant become totally and permanently disabled while employed by the Company, the full value of the participant's account balance may be distributed upon request.

Upon termination of employment, the vested amount of the participant's account will be distributed to the participant in a lump-sum cash payment if the participant's vested account balance is less than \$5,000. If the account balance is greater than \$5,000, the participant's written consent will be required for any distribution including the election of a rollover distribution to another qualified plan. Otherwise, the plan administrator will direct the custodian to begin distribution no later than April 1 of the calendar year after the participant attains the age of 70½, or, if the participant is an active employee, 72. Upon reaching age 59½, pursuant to the Internal Revenue Code ("IRC"), participants may elect distributions from their accounts without any tax penalty.

Subject to certain limitations prescribed by the Plan and the IRC, participants may elect hardship withdrawals. In accordance with the IRC, a 10% premature distribution penalty tax may also be imposed on such withdrawals from a participant's account.

Expenses

Administrative fees incurred in connection with loans and participant activity charges are borne by the individual and deducted from their respective Plan assets. Plan administration fees are borne by the Company. Investment related expenses are included in the net asset value of the respective investment vehicle and, consequently, those expenses are not separately reflected but are a component of net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. The loans bear interest at the prime rate in effect at the date of execution plus 1% and are secured by the participant's account. The loans plus interest are repaid through payroll deduction in equal payments over the term of the loan (up to five years or up to fifteen years for the purchase of a principal residence). A participant may have no more than one outstanding loan from the Plan at any time. Upon termination of service, the principal and accrued interest shall be immediately due and payable.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. Summary of Significant Accounting Policies *(continued)*

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2021 and 2020, all investments, that were measured at fair value, were valued using level 1 inputs.

Investment Valuation and Income Recognition

All of the Plan's investments are valued at fair value, except for the insurance company general account which is recorded at contract value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. All mutual funds of the Plan are deemed to be actively traded. The insurance company general account is valued at contract value, which represents contributions plus credited interest less participant withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (continued)

Accounting of Uncertainty of Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Plan is subject to routine examinations by taxing jurisdictions, however, there are currently no examinations for any periods in progress.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 10, 2022. See Note 1 for Plan merger.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2021, and net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West and Reliance Trust Company, qualified institutions. Massachusetts Mutual Life Insurance Company (“MassMutual”) and Reliance Trust Company, the custodian and trustee of the Plan as of December 31, 2020, certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompany statement of net assets available for benefits as of December 31, 2020.

4. MassMutual Capital Preservation

The MassMutual Capital Preservation investment option is a market value separate account investment option with a general investment account guarantee that provides a stated rate of return and insulates participants’ accounts from daily fluctuations in the market. Under the terms of the Capital Preservation group annuity contract, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance at contract value. Great-West reserves the right to impose or not impose the deferral period based on circumstances at the time of notice of termination. Based on current practices, participant withdrawals are permitted during the deferral period provided there is continuity of Plan operations, including but not limited to Great-West’s continuing role as the Plan’s record-keeper.

Notes to Financial Statements

4. MassMutual Capital Preservation (*continued*)

Certain events may limit the ability of the Plan to currently transact at contract value and may result in a deferral of the payment at contract value for up to twelve months. Such events include but may not be limited to the following: (1) removal of a group of participants from Plan coverage as a result of temporary absence, change in position or other occurrence qualifying as a temporary break in service under the Plan; (2) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the Employer; (3) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Employer's business; (4) removal from the Plan of one or more groups or classifications of participants; (5) partial or complete termination of the Plan; or (6) Plan disqualification.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Since the MassMutual Capital Preservation investment option is fully benefit-responsive, it is stated at contract value on the statements of net assets available for benefits. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the MassMutual Capital Preservation investment option.

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The credit risk of the custodian, Great-West, was evaluated by nationally recognized statistical rating agencies as of December 31, 2021 as follows: A.M. Best Company, Inc. (A+), Moody's Investors Service (Aa3), Standard and Poor's (AA), and Fitch Ratings (AA).

5. Party-in-Interest Transactions

Certain Plan investments are managed by Great-West, the custodian. MassMutual Retirement Services ("MMRS"), a division of MassMutual, was the custodian of the Plan in 2020, and therefore, these investment holdings qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

LifeCare, Inc. 401(k) Plan

Notes to Financial Statements

5. Party-in-Interest Transactions (*continued*)

The Plan had an agreement with MassMutual whereby MassMutual would pay the Plan's investment advisor, UBS Financial Services Inc., on behalf of the Plan. The payments came from MassMutual and are not a plan asset. Each month, MassMutual calculated the eligible credits by multiplying the value of the Plan's assets as of the last business day of the month by 1/12th of the annual reimbursement credit percentage, which is 0.25%. For the year ended December 31, 2021, the eligible credits used to be paid to UBS Financial Services Inc. on behalf of the Plan totaled \$48,744.

6. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants would be 100% vested in their account balance.

7. Tax Status

The Plan was formed using a prototype plan designed by the custodian. The IRS has determined and informed the custodian by letter dated March 31, 2014 that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

8. Prohibited Transactions

During 2021, the Company failed to remit to the Plan certain participants' contributions and loans totaling \$4,112 within the period prescribed by the DOL's Rules and regulations due to administrative errors. The Company is making the necessary corrections to satisfy both the DOL and IRS guidance for this matter subsequent to December 31, 2021. These amounts are reported on Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions in 2021 as not corrected for the year ended December 31, 2021.

During 2021, the Company corrected certain delinquent participant contributions and loans totaling \$500 related to the 2020 Plan year. These delinquent participant contributions were due to administrative errors. This amount is reported on Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions in 2021 as corrected during the year ended December 31, 2021.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
