INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Extra Sportswear Ltd. 401(K) Plan
Sayreville, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Extra Sportswear Ltd. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Extra Sportswear Ltd. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Extra Sportswear Ltd. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Extra Sportswear Ltd. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Extra Sportswear Ltd. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Extra Sportswear Ltd. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) on page 14 as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Extra Sportswear Ltd. 401(K) Plan
Sayreville, New Jersey

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Extra Sportswear Ltd. 401(K) Plan (the "Plan"), which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2020, the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee, as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

1. Description of Plan

The following description of the Extra Sportswear Ltd. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Sutton Warehousing, Inc. and affiliates related by common ownership (the "Company" or the "Employer") who have completed one year of service, 1,000 hours, and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Impact of COVID-19

On March 11, 2020, the World Health Organization declared COVID-19 a "pandemic." COVID-19 has spread rapidly, with a high concentration of confirmed cases in the U.S. and other countries. The COVID-19 pandemic has had, and is expected to continue to have, a substantial negative impact on businesses around the world and on global, regional, and national economies.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was enacted and signed into law in the wake of the COVID-19 pandemic. Certain provisions of the CARES Act allow eligible participants the following:

- Penalty-free distribution of up to \$100,000 until December 28, 2020 with payment of taxes on the distribution to be spread out over a three-year period.
- Loan repayments due were allowed to be temporarily suspended until December 31, 2020. Interest continued to accrue during this period. Loan payments resumed in January 2021 and the loan(s) were re-amortized to account for the suspension.
- Loans were allowed to be taken up to the lesser of \$100,000 (reduced by the highest outstanding loan balance during the prior 12 months) or 50% of a participant's vested account balance. This increased loan amount was available for loans taken by September 17, 2020. Plan limitations on the number of outstanding loans permitted and other requirements still applied.

Eligible participants included those who were diagnosed with COVID-19 by a test approved by the Centers for Disease Control and Prevention ("CDC"); participant's spouse or dependents who were diagnosed with COVID-19 by a test approved by the CDC; or participants who experienced adverse financial consequences from quarantine, furlough, layoffs, reduced work hours, inability to work due to lack of child care, or the closing or reduced hours of a business owned or operated by the participant on account of COVID-19.

Written amendments to the Plan to reflect Cares Act and other changes during 2021 have been made, in accordance with applicable law and Internal Revenue Service guidance.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

1. Description of Plan (Continued)

Contributions	Each year, participants may contribute up to 60% of pretax annual compensation and 1% to 100% of employer paid bonuses, both as defined in the Plan, subject to an annual limitation set forth in the Internal Revenue Code (the "Code"). Participants who have attained age 50 before the end of the plan year are eligible to make catch up contributions per the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employer contributions are discretionary. During 2021 and 2020, the Company contributed 25% of the first 5% of base compensation that a participant contributed to the Plan. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations, as set forth in the Code.
Participant Accounts	Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings (losses), and is charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined, except for auditing fees which are charged equally to all participants with account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
Vesting	Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of service. Participants vest 20% per year of service and are 100% vested after five years of credited service.
Investment Options	All investments are participant directed to mutual funds or money market funds.
Notes Receivable From Participants	Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates 1% over the prime interest rate as determined by the plan administrator. Interest rates on existing loans are 4.25% to 6.50%. Principal and interest is paid ratably through monthly payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the plan document. Refer to "Impact of COVID-19" above for a description of certain provisions allowed by the CARES Act to eligible participants who were making loan payments or who borrowed from the Plan during 2020.
Payment of Benefits	The Plan provides for normal retirement at age 63. The Plan permits distribution to participants upon termination of services, disability or death. Withdrawals from the Plan may also be made upon circumstances of financial hardship. Refer to "Impact of COVID-19" above for a description of certain provisions allowed by the CARES Act to eligible participants who took a distribution during 2020.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

1. Description of Plan (Continued)

Forfeited Accounts Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. During the years ended December 31, 2021 and 2020, no forfeitures were used to reduce employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting The financial statements of the Plan are prepared on a modified cash method of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States. Under the modified cash basis of accounting, contributions and interest and dividends are recognized when received rather than when they are earned and benefits and expenses are recognized when paid rather than when the obligation is incurred, except for investments which are presented at fair value.

Use of Estimates The preparation of financial statements in conformity with the modified cash method of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and
Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an investment or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recognized when received. Net appreciation or depreciation includes the Plan's gains or losses on investments bought or sold as well as held during the year.

**Notes Receivable
from Participants**

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in "Net appreciation (depreciation) in fair value of investments."

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Money Market Fund: Valued at the net asset value of shares held by the plan at the year end.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

3. Fair Value Measurements

(Continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4. Information Certified By Plan Custodian/Trustee

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2021 and 2020, and for the years then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the trustee/custodian and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee/custodian that such information is complete and accurate.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

6. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Party-in- Interest Transactions

Certain Plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the trustee/custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions. Other fees and expenses such as plan administration fees may be deducted directly from investment returns in accordance with applicable investment options selected by the participant. In addition, providers of other administrative fees (i.e., accounting) paid by the employer/plan are considered a party-in-interest as defined by ERISA.

9. Subsequent Events

The Company has evaluated events and transactions that occurred between December 31, 2021 and October 12, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Extra Sportswear Ltd. 401(K) Plan
Sayreville, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Extra Sportswear Ltd. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Extra Sportswear Ltd. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Extra Sportswear Ltd. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Extra Sportswear Ltd. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Extra Sportswear Ltd. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Extra Sportswear Ltd. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) on page 14 as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Extra Sportswear Ltd. 401(K) Plan (the "Plan"), which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2020, the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee, as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

1. Description of Plan

The following description of the Extra Sportswear Ltd. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Sutton Warehousing, Inc. and affiliates related by common ownership (the "Company" or the "Employer") who have completed one year of service, 1,000 hours, and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Impact of COVID-19

On March 11, 2020, the World Health Organization declared COVID-19 a "pandemic." COVID-19 has spread rapidly, with a high concentration of confirmed cases in the U.S. and other countries. The COVID-19 pandemic has had, and is expected to continue to have, a substantial negative impact on businesses around the world and on global, regional, and national economies.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was enacted and signed into law in the wake of the COVID-19 pandemic. Certain provisions of the CARES Act allow eligible participants the following:

- Penalty-free distribution of up to \$100,000 until December 28, 2020 with payment of taxes on the distribution to be spread out over a three-year period.
- Loan repayments due were allowed to be temporarily suspended until December 31, 2020. Interest continued to accrue during this period. Loan payments resumed in January 2021 and the loan(s) were re-amortized to account for the suspension.
- Loans were allowed to be taken up to the lesser of \$100,000 (reduced by the highest outstanding loan balance during the prior 12 months) or 50% of a participant's vested account balance. This increased loan amount was available for loans taken by September 17, 2020. Plan limitations on the number of outstanding loans permitted and other requirements still applied.

Eligible participants included those who were diagnosed with COVID-19 by a test approved by the Centers for Disease Control and Prevention ("CDC"); participant's spouse or dependents who were diagnosed with COVID-19 by a test approved by the CDC; or participants who experienced adverse financial consequences from quarantine, furlough, layoffs, reduced work hours, inability to work due to lack of child care, or the closing or reduced hours of a business owned or operated by the participant on account of COVID-19.

Written amendments to the Plan to reflect Cares Act and other changes during 2021 have been made, in accordance with applicable law and Internal Revenue Service guidance.

Notes to Financial Statements Years Ended December 31, 2021 and 2020

1. Description of Plan (Continued)

Contributions	Each year, participants may contribute up to 60% of pretax annual compensation and 1% to 100% of employer paid bonuses, both as defined in the Plan, subject to an annual limitation set forth in the Internal Revenue Code (the "Code"). Participants who have attained age 50 before the end of the plan year are eligible to make catch up contributions per the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employer contributions are discretionary. During 2021 and 2020, the Company contributed 25% of the first 5% of base compensation that a participant contributed to the Plan. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations, as set forth in the Code.
Participant Accounts	Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings (losses), and is charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined, except for auditing fees which are charged equally to all participants with account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
Vesting	Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of service. Participants vest 20% per year of service and are 100% vested after five years of credited service.
Investment Options	All investments are participant directed to mutual funds or money market funds.
Notes Receivable From Participants	Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates 1% over the prime interest rate as determined by the plan administrator. Interest rates on existing loans are 4.25% to 6.50%. Principal and interest is paid ratably through monthly payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the plan document. Refer to "Impact of COVID-19" above for a description of certain provisions allowed by the CARES Act to eligible participants who were making loan payments or who borrowed from the Plan during 2020.
Payment of Benefits	The Plan provides for normal retirement at age 63. The Plan permits distribution to participants upon termination of services, disability or death. Withdrawals from the Plan may also be made upon circumstances of financial hardship. Refer to "Impact of COVID-19" above for a description of certain provisions allowed by the CARES Act to eligible participants who took a distribution during 2020.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

1. Description of Plan (Continued)

Forfeited Accounts Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. During the years ended December 31, 2021 and 2020, no forfeitures were used to reduce employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting The financial statements of the Plan are prepared on a modified cash method of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States. Under the modified cash basis of accounting, contributions and interest and dividends are recognized when received rather than when they are earned and benefits and expenses are recognized when paid rather than when the obligation is incurred, except for investments which are presented at fair value.

Use of Estimates The preparation of financial statements in conformity with the modified cash method of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and
Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an investment or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recognized when received. Net appreciation or depreciation includes the Plan's gains or losses on investments bought or sold as well as held during the year.

**Notes Receivable
from Participants**

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in "Net appreciation (depreciation) in fair value of investments."

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Money Market Fund: Valued at the net asset value of shares held by the plan at the year end.

EXTRA SPORTSWEAR LTD. 401(K) PLAN

Notes to Financial Statements Years Ended December 31, 2021 and 2020

3. Fair Value Measurements

(Continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4. Information Certified By Plan Custodian/Trustee

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2021 and 2020, and for the years then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the trustee/custodian and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee/custodian that such information is complete and accurate.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

6. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Party-in- Interest Transactions

Certain Plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the trustee/custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions. Other fees and expenses such as plan administration fees may be deducted directly from investment returns in accordance with applicable investment options selected by the participant. In addition, providers of other administrative fees (i.e., accounting) paid by the employer/plan are considered a party-in-interest as defined by ERISA.

9. Subsequent Events

The Company has evaluated events and transactions that occurred between December 31, 2021 and October 12, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.
