Financial Statements and Supplemental Schedule  
Year Ended December 31, 2021  
(With Independent Auditors' Report Thereon)

## **Independent Auditors' Report**

To the Plan Administrator

Vitech Systems Group 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements*

We have performed an audit of the financial statements of Vitech Systems Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion on the 2021 Financial Statements*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan

and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

*Responsibilities of Management for the 2021 Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

*Auditor's Responsibilities for the Audit of the 2021 Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Matters

##### *2021 Supplemental Schedules Required by ERISA*

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets Held for Investment Purposes as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

##### *Auditor's Report on the 2020 Financial Statements*

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing

procedures with respect to the information certified by a qualified institution. Their report dated September 17, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## VITECH SYSTEMS GROUP 401(k) PLAN

Notes to Financial Statements

December 31, 2021

### (1) Description of Plan

The following description of Vitech Systems Group 401(k) Plan (the "Plan"), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan is a defined contribution plan adopted effective January 1, 1996, and is a 401(k) savings plan providing retirement benefits to all eligible employees of Vitech Systems Group, Inc. (the "Employer"). It is subject to the provisions of the Employment Retirement Income Security Act of 1974 ("ERISA"), as amended by the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been restated to reflect changes to certain provisions of ERISA.

Fulltime employees who have completed at least one month of service are eligible to participate in the plan. Employees receive credit for one month of service for each month in which they complete one hour of service. An hour of service is any hour for which an employee is paid or are entitled to payment. If the employee is absent from employment with the Employer because of qualified military service, the military service will count as service for purposes of meeting the Plan's eligibility requirements.

#### (b) Contributions

The Company offers an eligible employee the option to contribute to the 401K or the Roth 401K. Eligible employees may elect to defer eligible compensation on a pre-tax basis, an after-tax (Roth) basis or a combination of both. Participants may contribute up to 50% of pretax annual compensation through contributions to a regular or Roth 401(k), as defined in the Plan, and are subject to the current limit proposed by the IRC guidelines, which was \$19,500 for the Plan year ended December 31, 2021, and an additional \$6,500 catch up contribution for participants that are age 50 and older. Participants who are considered "highly compensated" (as defined by the Internal Revenue Service ("IRS")), may be limited in the amounts they contribute to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 6% of eligible compensation. If the employee does not choose a different percentage or elects to opt out of the Plan, their percentage will increase 1% each year up to a maximum of 10%. A participant's pre-tax and Roth 401(k) contributions will be separately accounted for, as will the gains and losses attributable to each. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, the Company may make discretionary contributions at the option of the Company's board of directors. There were no discretionary contributions made for the year ended December 31, 2021.

Participants are immediately vested in their contributions plus actual earnings thereon. Participant vesting in employer discretionary or matching contributions, if any, is as follows:

| <b>Years of service for Vesting</b> | <b>Vesting Schedule</b> |
|-------------------------------------|-------------------------|
| Less than 3 years                   | — %                     |
| 3 years or more                     | 100                     |

## **VITECH SYSTEMS GROUP 401(k) PLAN**

Notes to Financial Statements

December 31, 2021

Any employer discretionary contributions are also 100% vested immediately, if a participant terminates employment with the Company because of permanent disability, if they attain age 65 while employed by the Company or in the event of a participant's death while employed by the Company. If a participant leaves the Company for any other reason, the participant will be vested in employer discretionary contributions after five years' service. There were no non-elective contributions.

### **(c) Forfeited Accounts**

Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions and may be used to pay administrative expenses, with any excess being credited to the remaining participants' accounts. No forfeitures were used to reduce any Company contributions for the years ended December 31, 2021 and 2020. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$152,975 and \$141,056, respectively.

### **(d) Participant Accounts**

Each participant's account is credited with the participant's contributions and allocation of (a) the Company's contribution and (b) Plan investment results and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. Participants direct the investment of their accounts among the investments offered by the Plan. The Plan currently offers mutual funds, pooled separate accounts, a common collective trust and a money market fund as investment options for the participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **(e) Investment Options**

Upon enrolling in the Plan, participants are responsible for designating how contributions are apportioned among the Plan's investment options. The Plan currently offers eight mutual funds, twenty-one pooled separate accounts, a common collective trust and a money market fund as investment options for the participants. Participants may elect to change their investment options daily. Employees who enrolled in the Plan through the auto-enrollment will automatically invest in a designated balanced fund until changed by the participant.

### **(f) Distributions**

Distributions from the Plan may be requested in either a lump sum payment or under a systematic withdrawal plan beginning upon the attainment of age 59 ½. Distributions of non-Roth funds must begin upon the attainment of age 70 ½. Hardship withdrawals will be allowed in accordance with the Plan document.

### **(g) Payments of Benefits**

Benefit payments are based upon the participant's vested interest in Plan assets and are payable in accordance with various Plan options. Benefits payments are calculated based on the value of Plan assets as of the date of the distribution. Benefits are recorded when paid.

On termination of services due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

### **(h) Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$500 up to the lesser of 50% of their account or \$50,000. However, the \$50,000 amount in the preceding sentence is reduced by the highest outstanding loan balance the participant had under the Plan during the previous 12-month period. Loans transactions are treated as a transfer to (from) the investment fund from (to) the participant's loan fund. The loan term shall not exceed the earlier of termination or five years, or for a 30-year term if for the purchase of a primary residence.

The loans are secured by the remaining balance of the participant's account and bear interest at a rate commensurate with the local prevailing rates as determined by the Loan Administrator. Principal and interest are to be paid ratably over the term of the loan through payroll deduction. Loans mature through March 31, 2031.

### **(i) Plan Termination**

While the Company has not expressed any interest to discontinue the 401(k) option, it is free to do so at any time and to terminate the Plan subject to the provisions of ERISA. If the 401(k) option were terminated, the net assets of the 401(k) option would be distributed to the participants in proportion to their respective interest in the fund vehicles. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## **(2) Summary of Significant Accounting Policies**

### **(a) Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

### **(b) Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of mutual funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments included the Plan's gains and losses on investments bought and sold as well as investments held during the period.

### **(c) Net Appreciation in Investment Value**

The Plan's net appreciation in investment value includes both the realized and the unrealized appreciation in the fair value of the investments.

### **(d) Administrative Expenses**

Certain administrative expenses of the Plan are paid from plan forfeitures. The Plan incurred expenses of \$10,219 for the year ended December 31, 2021.

### **Notes to Financial Statements**

December 31, 2021

#### **(e) Note Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Principal and interest from the repayment of loans are allocated to participants' investment accounts in accordance with each participant's investment election in effect at the repayment date. Related fees are recorded as fees on notes receivable from participants and are recorded when earned. No allowance for credit losses has been recorded at December 31, 2021 or 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

#### **(f) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **(g) Risks and Uncertainties**

The Plan provides for various investment options in any combination of stock, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.

### **(3) Information Prepared and Certified by Trustee**

The Plan's investment options were managed by Principal Trust Company, the trustee of the Plan.

The Plan administrator has elected the method of compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2021 and 2020, and investment income and interest income on notes receivable from participants for the year ended December 31, 2021, that are disclosed in the accompanying financial statements and supplemental schedules, were obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Principal Trust Company, the trustee of the Plan.

### **(4) Tax Status**

On November 1, 2016, the Plan adopted a volume submitter form of a prototype plan sponsored by Principal Life Insurance Group. The volume submitter plan received an opinion letter from the Internal Revenue Service dated August 8, 2014 as the volume submitter plan's qualified tax status stating that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The volume submitter plan opinion letter has been relied upon by this Plan.

The Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. The plan administrator is not aware of any events that have occurred that might

### Notes to Financial Statements

adversely affect the Plan's qualified status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(5) Fair Value Measurements**

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts:* Consists of mutual funds and variable annuities and are valued at the quoted prices held by the Plan at year-end. Prices quoted are the NAV of the shares of the investments which are based on the fair value of the underlying securities. A daily NAV is available through the issuer.

## Notes to Financial Statements

December 31, 2021

**Stable value collective trust fund:** This investment is a stable value fund that invests in a fully benefit-responsive investment contract and is valued at the net asset value of units of the collective trust. The fund is solely invested in Principal Stable Value Institutional Fund, a collective trust fund which invests in investment and security-backed contracts. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflected of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at a given reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

### (7) Related Party Transactions

Certain plan investments are shares of mutual funds managed by Principal Investments, LLC and Principal Life Insurance Company. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Notes to Financial Statements

### **(8) Nonexempt Transactions**

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain Plan contributions during 2020 were not remitted to the Plan within the time frame specified by 29 CFR 2510.3-102 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, thus constituting nonexempt transactions between the Plan and the Company. Management corrected the delinquent 2020 participant contributions under the Voluntary Fiduciary Compliance Program during 2021.

### **(9) Subsequent Events**

The plan administrator has evaluated events and transactions subsequent to the statements of net assets available for benefits date through the date of the independent auditor's report of October 12, 2022 for potential recognition or disclosure in the financial statements. Effective January 1, 2022, the Plan Document was amended to add an employer matching contribution of 6%, capped at \$1,000 for the 2022 plan year.

It was noted that there was an unintentional delay by the Plan Sponsor in submitting employee contributions to the Plan. The 49-day delay on the submission of the withholding amount of \$855 resulted in lost interest of \$4 that was paid in 2021. The Participants' contributions have been credited and the lost interest has been reimbursed to the Plan.
