INDEPENDENT AUDITORS' REPORT

October 12, 2022

Trustees of the
Five Star Equipment, Inc. Flexible Compensation Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Five Star Equipment, Inc. Flexible Compensation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Five Star Equipment, Inc. Flexible Compensation Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Five Star Equipment, Inc. Flexible Compensation Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Five Star Equipment, Inc. Flexible Compensation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Five Star Equipment, Inc. Flexible Compensation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Five Star Equipment, Inc. Flexible Compensation Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (Continued)

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

October 12, 2022

To Trustees of the
Five Star Equipment, Inc. Flexible Compensation Plan

We were engaged to audit the accompanying financial statement of Five Star Equipment, Inc. Flexible Compensation Plan, which comprise the statements of net assets available for plan benefits as of December 31, 2020, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5 and Note 6, which was certified by Massachusetts Mutual Life Insurance Company (MassMutual), the insurance company of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that MassMutual holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from MassMutual as of and for the year ended December 31, 2020, that the information provided to the plan administrator by MassMutual is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the financial statements, other than that derived from the information certified by the insurance company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

Effective December 1, 1986, Five Star Equipment, Inc., a Company governed under Pennsylvania Corporate Law ("Sponsor" and Company), adopted a retirement plan known as the Five Star Equipment, Inc. Flexible Compensation Plan. The plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Sponsor is responsible for the oversight of the Plan and determines the appropriateness of its plan's investment offerings, monitors investment performance and reviews with the plan's insurance company and retirement consultants. The plan, as restated September 1, 2015, is a defined contribution plan which covers substantially all employees of the Company who have one month of service, except for employees covered by a Collective Bargaining Agreement and non-resident aliens with no U.S. source income. The plan provides for retirement, disability, and death benefits.

Effective January 1, 2019, the Plan was amended. The amendment impacted eligibility, salary deferrals, matching contributions, vesting, and distributions.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020. The CARES Act provides coronavirus-related relief in several areas involving the Plan's administration which includes adopting the distribution and loan provisions of the Act. The Act allows participants to take COVID-19 related distributions up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020, suspension of the 2020 required minimum distributions, allowing participants to borrow up to the lesser of \$100,000 or 100% of their vested account balance for loans taken between March 27, 2020 and September 23, 2020, and suspended loan repayments due March 27, 2020 through December 31, 2020 for up to one year. In April 2020, the Plan adopted these provisions.

Effective on December 31, 2020, Empower Retirement (Empower) acquired the Plan's Massachusetts Mutual Life Insurance Company's (MassMutual) retirement business. Through this transaction, business written by MassMutual is reinsured by Great-West Life & Annuity Insurance Company (GWLA) and in New York by Great-West Life & Annuity Insurance Company of New York. Concurrently, MassMutual retroceded business it reinsures from a cedent, which MassMutual assumed in a previous transaction. Empower administers the business on MassMutual's behalf, with certain administrative services being performed by MassMutual and its affiliates during a temporary transition period.

The Plan provides that a participant may elect to defer a specific percentage of their annual compensation not to exceed \$19,500; \$26,000 for participants ages 50 or older. An eligible participant that has not affirmatively elected to defer a specific percentage will automatically be enrolled by the employer to defer an amount equal to 4% unless such participant affirmatively elects not to have the automatic deferral made on their behalf. The automatic deferral amount will increase each year by 1% of plan compensation up to a maximum of 10%, unless the participant affirmatively elects to defer a different percentage or elect not to defer. Participants direct the investment of their contributions into various investment options offered by the Plan. In addition, Five Star Equipment, Inc. can contribute to the Plan for the following amounts to those eligible: 1) A discretionary employer matching contribution in a percentage determined by Five Star Equipment, Inc. on an annual basis in accordance with the Plan's discretionary matching contribution formula. 2) Discretionary employer contribution to its employees in an

amount determined each year and allocated to each participant in accordance with the Plan's discretionary pro-rata employer contribution formula. 3) Discretionary special employer contribution - QNEC which is allocated as a uniform percentage of Plan compensation or as a uniform dollar amount. Participants may also contribute amounts representing distribution from other qualified benefit or contribution plans.

The aforementioned employers' contribution, along with the amount elected to be deferred, plan earnings (losses), and applicable expenses will be credited / debited to each participant's account. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 not to exceed 50% of participant's vested interest in the plan account balance. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest when the loan is taken out. Principal and interest are paid ratably through payroll deductions. Effective January 1, 2020, the Plan was amended to reduce the number of outstanding loans permitted by the Plan.

Forfeitures of non-vested accounts were \$17,512 and \$16,334 during the years December 31, 2021 and 2020, respectively. Forfeited amounts will be used to offset other Employer and/or matching contributions under the Plan. In addition, forfeitures may be used to pay Plan expenses. In 2021 and 2020, employer contributions were reduced by \$20,004 and \$5,888, respectively. At December 31, 2021, forfeited non-vested accounts totaled \$31,085, which includes \$20,008 plus earnings as described in Note 7 which will be used in 2022 to reduce the Plan Sponsor Employer contributions. At December 31, 2020, forfeited non-vesting accounts totaled \$13,493.

A more detailed explanation of the Plan, including but not limited to automatic enrollment, vesting and benefit provisions is provided in the Five Star Equipment, Inc. Flexible Compensation Plan Summary Plan Description.

Note 2 Summary of Significant Accounting Policies

Date of Management's Review: Pursuant to FASB ASC 855 Subsequent Events were evaluated through October 12, 2022, which is the date the financial statements were available for issue.

Basis of Accounting: The financial statements of the plan are prepared using the accrual method of accounting.

Investment Contract with Insurance Companies: Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully Benefit-Responsive Investment Contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of the investment contract.

NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies are determined utilizing information provided by the insurance company. The pooled separate account and registered investment companies (mutual funds) are as follows:

Investments in mutual funds are valued based on quoted Net Asset Values (NAV) of the shares held by the Plan at year end. The mutual funds held by the Plan are registered with the U.S. Securities and Exchange Commission. The Fund must publish their daily net assets value and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Investments in pooled separate accounts are valued on a Net Asset Value (NAV) per unit basis which approximates their fair value. The pooled separate accounts are credited with earnings on the underlying investments and charged for Plan benefits paid and deductions for investment expenses, risk, profit, and annual administrative fees. Redemptions may occur on a daily basis. The use of NAV as fair value is deemed appropriate as the pooled separate accounts do not have a finite life, unfunded commitments related to investments, or significant restrictions on redemptions. See Note 6 for further discussion of Fair Value measurements.

Interest Income: Interest Income is recorded on the Guaranteed Interest Account and loan amounts on the accrual basis.

Dividend Income: Dividend Income is recorded based on the ex-dividend date and is reported by Empower.

Net Appreciation in Fair Value of Investments: Dividends, realized and unrealized gains for the underlying funds are factored into the value of the pooled separate accounts and mutual funds reported by Empower.

Employer Contributions: Discretionary contributions by Five Star Equipment, Inc. are made on a voluntary basis and are accrued based upon amounts actually computed.

Notes Receivable from Participants: Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020 no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent asset and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivables from participants are charged directly to the participant's account and are included in administrative expenses. In 2021 and 2020, investment related expenses are included in net appreciation of fair value of investments.

On January 1, 2020, the Plan adopted Accounting Standards Update 2018-13, *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The objective of this guidance is to improve the effectiveness of disclosure requirements for fair value measurement. This standard did not have a significant impact on the Plan's financial statements and related disclosures.

Note 3 ERISA Section 103(a)(3)(c) – Certification of Investments

Certain information related to the investments at fair value and at contract value disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and net appreciation in fair value of investments and interest for the year ended December 31, 2021 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, as custodian.

Certain information related to the investments at fair value and at contract value disclosed in the accompanying financial statements, including investments held at December 31, 2020 and net appreciation in fair value of investments and interest for the year ended December 31, 2020 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by MassMutual.

Note 4 Non-Participant Directed Investments

The following represents the change in net assets for Non-Participant Directed Investments at December 31, 2021:

Participant Loans Advanced	\$ 18,300
Participant Loans Repaid	(24,159)
Interest Income from Participant Loans	2,582
Transfers to Participant Directed Investments	(2,578)
	<u>\$ (5,855)</u>

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5 Investment Contract with Insurance Company

Through the group annuity contract, the Plan offers a guaranteed account (GIA) as a stable value investment option. Participant accounts invested in the GIA are paid out at contract value for participant-initiated transactions such as transfers to other investment options, loans, and other distributions. The GIA account balances are maintained in Great West's general investment account and there are no reserves against the contract value of this account for credit risk of Empower.

As described in Note 2, because the investment contract agreement is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for plan benefits at contract value. Contract value, as reported to the Plan by Empower represents contributions made under the contract, plus credited interest earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the investment contract at December 31, 2021 and 2020 was \$3,297,741 and \$3,516,024, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent (3%). Such interest rates are reviewed semiannually for resetting on February 1 and August 1 of each year. As of December 31, 2021, and 2020, the guaranteed interest rate was 3.00% and 3.00%, respectively.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include but may not be limited to the following: (1) removal of a group of participants from Plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business; (5) removal from the plan of one or more groups or classifications or participants; (6) partial or complete plan termination.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events, as set forth in the Investment Contract Agreement, allow the issuer to terminate the contract with the Plan.

Note 6 Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for Investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. As of December 31, 2021, and 2020, the Plan did not have any Level 2 or 3 inputs.

The valuation methodologies used for assets measured at fair value are discussed further in Note 2. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following tables set forth, by level within the Fair Value hierarchy, the Plan's investing at Fair Values as of December 31, 2021 and 2020:

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

Note 7 Other Current Liabilities

In 2020, the Plan Sponsor remitted incorrect contributions totaling \$20,008 to the Plan. The error consisted of \$17,097 in excess employee and \$2,911 in excess employer contributions. The excess employee and employer contribution remittances were not withheld from the participant's compensation. The remittance error occurred over two (2) payroll periods in 2020 and was corrected in March of 2021. The correction plan included notifying affected participants of the error and reducing the participants accounts for the excess contributions incorrectly remitted and applied. Accordingly, \$20,008 plus earnings was forfeited in March of 2021. As of December 31, 2021, the Plan Sponsor did not reduce their 2021 Employer Contributions by the amount forfeited in March 2021. Accordingly, the liability to the Plan Sponsor is still outstanding as of December 31, 2021.

Note 8 Related Party Transactions

The Plan's investments are maintained under an investment contract agreement with Empower. Empower is considered a party-in-interest, therefore these transactions qualify as party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 10 Risks and Uncertainties

The Plan invests in various investments through Empower. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 10 Risks and Uncertainties (Continued)

In December 2019, COVID-19 was discovered in Wuhan, China. On January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization (WHO) declared the outbreak a “public health emergency of international concern,” and on the next day, the United States (US) Secretary of Health and Human Services declared the coronavirus outbreak a public health emergency for the US. In March 2020, the WHO declared the outbreak of Coronavirus COVID-19 a pandemic. Management has evaluated (and continues to evaluate) the impact of the COVID-19 pandemic on the Plan. The continuing impact of COVID-19 on the operational and financial performance of the Plan will depend on certain developments, including the duration and spread of the outbreak, the success of vaccination of the population, and other known and unknown factors. At this point, the full extent to which COVID-19 may impact the Plan’s financial condition or results of operation is uncertain.

Note 11 Income Tax Status

The plan obtained its latest determination letter on April 23, 2002 in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan’s tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. MassMutual has received a favorable opinion letter dated March 31, 2014 in which the Internal Revenue Service states that their Volume Submitter plan, as adopted by the plan sponsor, is acceptable under the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan’s financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 12 Plan Benefits and Termination

Although not under obligation to make contributions to the fund, the plan’s sponsor has not expressed any intent to discontinue contributions thereto or terminate the plan subject to the Provisions of ERISA. In the event of termination of the Plan all amounts credited to employee accounts will be fully vested and paid after expenses of termination have been paid. Depending on the facts and circumstances, a partial termination may occur where a significant number of employees are terminated by the employer or excluded from plan participation. In case of a partial termination only those affected employees will become 100% vested.

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN

Note 13 Delinquent Contributions

In 2020, the Company made delinquent participant contributions totaling \$47,535. As of December 31, 2020, the plan sponsor has remitted the \$47,535 of Delinquent Participant Contributions. The plan sponsor made contributions to the affected participants' accounts for lost earnings. The plan sponsor entered the DOL's Voluntary Fiduciary Correction Program (VFCP). The delinquency was fully corrected under the VFCP and the plan sponsor received a letter dated May 9, 2022 indicating that the Employee Benefits Security Administrator's decision to take no further action.
