**ACCESSCNY, INC. EMPLOYEES'
RETIREMENT PLAN AND TRUST**

**Communication of Matters Related to Internal Control
Over Financial Reporting and Other Matters
October 2022**

Bonadio & Co., LLP
Certified Public Accountants

October 2022

To the Plan Administrator of
AccessCNY, Inc. Employees' Retirement Plan and Trust:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of AccessCNY, Inc. Employees' Retirement Plan and Trust (the Plan), an employee benefit plan subjected to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan by Reliance Trust that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

This communication is intended solely for the information and use of the plan administrator, the Board of Directors, the Audit Committee and others within the Organization and is not intended to be and should not be used by anyone other than these specified parties.

ACCESSCNY, INC. EMPLOYEES' RETIREMENT PLAN AND TRUST

COMMUNICATION OF MATTERS RELATED TO INTERNAL CONTROL OVER FINANCIAL REPORTING AND OTHER MATTERS OCTOBER 2022

INTERNAL CONTROL RELATED MATTERS

We have identified the following control deficiency that we do not consider to be a material weakness or significant deficiency:

1. MISSED DEFERRALS

Observation

In performing our audit, we selected individual participants for testing the employee's elective deferrals and the employer's matching contributions to ensure they were calculated appropriately using the Plan's definition of compensation. We noted any participants that had received a bonus, deferral bonus or second check within a pay period did not have withholdings on that eligible compensation.

Recommendation

We recommend that Plan management review the employee and employer match contributions as well as eligible compensation for all participants to ensure the contributions to the Plan are properly calculated.

October 10, 2022

To the Plan Administrator of
AccessCNY, Inc. Employees' Retirement Plan and Trust:

We have audited the financial statements of AccessCNY, Inc. Employees' Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2021, and we will issue our report thereon dated October 10, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a trust or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 16, 2022. Professional standards also require that we communicate to you the following information related to our audit.

SIGNIFICANT AUDIT MATTERS

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by AccessCNY, Inc. Employees' Retirement Plan and Trust are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Qualitative Aspects of Accounting Practices (continued)

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There are no particularly sensitive estimates.

We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We were required to obtain and read the substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified a reportable finding related to contributions not being properly withheld on bonuses and in instances where the employee received a second check for the pay period. AccessCNY, Inc. is currently working with Plan counsel to make the necessary corrections.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreement arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 10, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan administrator and management of AccessCNY, Inc. Employees' Retirement Plan and Trust and is not intended to be and should not be used by anyone other than these specific parties.

INDEPENDENT AUDITOR'S REPORT

October 10, 2022

To the Plan Administrator of
AccessCNY, Inc. Employees' Retirement Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of AccessCNY, Inc. Employees' Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of AccessCNY, Inc. Employees' Retirement Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

1. DESCRIPTION OF PLAN

The following brief description of the AccessCNY, Inc. Employees' Retirement Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits to employees of AccessCNY, Inc. There are no years of service or age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

AccessCNY, Inc. sponsors and administers the Plan. Reliance Trust Company (Reliance) is the custodian of the Plan's assets. Transamerica Retirement Solutions, LLC (Transamerica) is the recordkeeper of the Plan. Actuarial Pension Analysts, Inc. (APA) is the third-party administrator of the Plan.

Contributions

Each year, participants may elect to contribute a percentage of their annual wages on a pre-tax basis to the Plan. Participants age 50 and over are also permitted to make additional "catch-up" contributions. Contributions are subject to certain limitations as defined by the Plan and the Internal Revenue Code (the Code). Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans.

The Plan provides for matching contributions by AccessCNY, Inc. AccessCNY, Inc.'s matching contribution was equal to 50% of the participant's elective deferrals up to a maximum of 6% of eligible compensation. In addition, AccessCNY, Inc. may make annual discretionary contributions to the Plan. Discretionary contributions of \$79,675 and \$89,580 were made for 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, AccessCNY, Inc.'s discretionary matching contribution, an allocation of AccessCNY, Inc.'s discretionary contribution, account earnings/losses and administrative expenses. Participants direct the investment of the contributions into various options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their own contributions and matching contributions and earnings/losses thereon. A participant is 100% vested in AccessCNY, Inc.'s discretionary contributions plus earnings/losses thereon after six years of credited service.

Hardship Withdrawals

The Plan allows for hardship withdrawals from a participant's account. Such withdrawals are regulated by the IRS.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Plan participants may borrow up to 50% of the amount of their vested interest in the Plan and may have a maximum of one outstanding loan. The minimum loan is \$500 and the maximum loan is \$50,000. Participants' loans are secured by their vested account balances and bear interest at rates ranging from 5.25% to 7.5%.

Payment of Benefits

A participant may withdraw any part of his vested account upon termination of service. A participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in periodic payments if the vested balance exceeds \$5,000. Participants may also withdraw amounts in the event of undue hardship or disability.

Forfeitures

Forfeited, non-vested accounts are used to reduce future AccessCNY, Inc. contributions or to pay administrative expenses of the Plan. The amounts used to pay administrative expenses and reduce future employer AccessCNY, Inc. contributions were \$35,101 and \$18,466, in 2021 and 2020 respectively. As of December 31, 2021, there were no unallocated forfeitures. Unallocated forfeitures as of December 31, 2020 were \$13,297.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in fully benefit responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

All investments are participant directed.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly, are considered level 2 measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that may affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Reliance and is included in the financial statements:

	<u>2021</u>	<u>2020</u>
Investments	<u>\$ 15,950,570</u>	<u>\$ 15,059,070</u>
Notes receivable from participants	<u>\$ 121,364</u>	<u>\$ 102,676</u>
Interest income	<u>\$ 737,969</u>	<u>\$ 46,043</u>
Interest on notes receivable from participants	<u>\$ 6,465</u>	<u>\$ 8,566</u>
Net appreciation in fair value of investments	<u>\$ 851,089</u>	<u>\$ 2,005,874</u>
Schedule H, Line 4i Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$15,839,167</u>	<u>\$ _____</u>	<u>\$ _____ -</u>	<u>\$15,839,167</u>
December 31, 2020				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$14,927,636</u>	<u>\$ _____ -</u>	<u>\$ _____ -</u>	<u>\$14,927,636</u>

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Valued at the net asset value of shares held at year end based on quoted prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the valuation techniques during 2021 and 2020.

5. STABLE VALUE FUND

The Plan is invested in a fully benefit-responsive investment contract with Transamerica Financial Life Insurance Company. Transamerica Financial Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the credited interest rate and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate was 0.75% during 2021. The interest rate was .80% for the first half of 2020 and 0.85% for the remained of 2020.

As described in Note 2, because the stable value fund is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The stable value fund is not considered a guaranteed interest contract and there is no stated minimum or maximum interest rate. Contract charges may reduce the return. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. Although plan participants generally may withdraw assets from the stable value fund without restrictions, Transamerica Financial Life Insurance Company may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants are probable of occurring. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the custodian of the Plan has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination, partial termination, or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants would become fully vested and nonforfeitable. All distributions would be made in accordance with any applicable requirements of the Employee Retirement Income Security Act of 1974 and the Code.

7. TAX STATUS

The Internal Revenue Service has determined and informed AccessCNY, Inc. by a letter dated March 14, 2005 that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The classification of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, differs between these financial statements and Form 5500. However, the total changes in net assets available for benefits for the years then ended agrees between these financial statements and Form 5500.

9. PARTY-IN-INTEREST TRANSACTIONS

Reliance is the custodian of the Plan's assets. Transamerica is the recordkeeper of the Plan. APA is the third-party administrator of the Plan. As such, transactions between Reliance Trust Company and the Plan qualified as party-in-interest transactions. Additionally, notes receivable from participants qualified as party-in-interest transactions.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 10, 2022, which is the date the financial statements were available to be issued.
