## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the  
Clover Imaging 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Clover Imaging 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

The supplemental schedules, Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### ***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustees as of December 31, 2020, that the information provided to the Plan administrator by the trustees is complete and accurate.

### ***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

### ***Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement***

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## CLOVER IMAGING 401(k) PLAN

## NOTES TO THE FINANCIAL STATEMENTS

## NOTE 1 – DESCRIPTION OF PLAN

**General.** The following description of the Clover Imaging 401(k) Plan, formerly known as Clover Holdings 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of its provisions.

The Plan is a defined contribution plan with a 401(k) provision covering all full-time employees of Clover Imaging Group, LLC and affiliated entities (the “Company” or “Employer”) over the age of 21 who are legal residents and not represented under a bargaining agreement. Employees are eligible to participate in the Plan on the first day of the month following 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

**Participant Contributions.** Participants may elect to defer up to 100% of their eligible pretax earnings subject to amounts established by the Internal Revenue Code (the “Code”), with a minimum deferral of 1%. Eligible pretax earnings consist of total cash compensation paid during the Plan year including vacation pay, tips and overtime pay. Participants may also contribute “catch-up” contributions and amounts representing distributions from other qualified benefit or defined contribution plans.

**Employer Contributions.** The Employer matches 50% of the first 6% of each eligible participant’s deferrals. Effective June 1, 2021, the Plan adopted an amendment to reinstate Employer matching contributions in an amount equal to 50% of the first 6% of each eligible participant’s deferrals. The Company may make an Employer discretionary contributions for all participants who are employed at the end of the year, which is funded subsequent to year end. Any Employer discretionary contributions are based upon the participants’ annual compensation, subject to IRS limitations. The Company did not elect to make an Employer discretionary contributions for the year ended December 31, 2021.

**Participant Accounts.** Each participant’s account is credited with the participant’s contribution and allocations of the Employer contributions, Plan earnings and administrative fees. Allocations are based on participant earnings or account balances, as defined in the Plan.

**Investment Options.** Participants may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to Plan provisions.

**Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer contributions is based upon years of continuous service. A participant vests in the Employer contributions ratably over five years of service.

**Notes Receivable from Participants.** Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of 50% of their account balance or \$50,000 reduced by the highest outstanding loan balance in their account during the prior 12-month period. There may only be one outstanding loan at any given time with a maximum of 5 loans during any 12-month period. Loan terms are 5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear a rate of interest as determined by the Plan’s administrator (“Plan Administrator”) based on prevailing rates at the time of the loan based on the rates of similar loans from commercial lending institutions. Payments of principal and interest are due on at least a quarterly basis and will be defined on the promissory note between the Company and the participant.

## CLOVER IMAGING 401(k) PLAN

## NOTES TO THE FINANCIAL STATEMENTS

## NOTE 1 – DESCRIPTION OF PLAN (Concluded)

**Party-In-Interest Transactions.** Substantially all expenses pertaining to the operation of the Plan are paid by the Company. Additionally, various administrative, legal, and accounting services are performed by Company personnel on behalf of the Plan for which no charges are made to the Plan, and for which the Company does not intend to obtain reimbursement. Investment expenses are charged against the Plan's investment income. Certain Plan investments are shares of pooled separate investment accounts and mutual funds managed by a related party to Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustees of the Plan ( the "Trustees"). Therefore, these transactions qualify as party-in-interest transactions.

**Payment of Benefits.** Benefit payments are generally made in a lump-sum upon termination or as defined in the Plan agreement. Early voluntary withdrawals are paid based on financial hardship with approval of the Plan Administrator.

**Forfeited Accounts.** Forfeitures shall be applied to offset administrative expenses of the Plan or to reduce Employer contributions made after the forfeitures are determined. There were no forfeitures applied against Employer contributions for the year ended December 31, 2021. The forfeited non-vested accounts were \$14,162 and \$44,107 as of December 31, 2021 and 2020, respectively. Forfeitures totaling \$93,259 were used to reduce Employer contributions and \$38,024 were used to reduce administrative expenses for the year ended December 31, 2021.

**Concentration of Credit Risk.** Substantially all investments were held by the Trustees. The Trustees are qualified institutions pursuant to ERISA.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting.** The accompanying financial statements have been prepared on the accrual basis of accounting.

**Estimates and Assumptions.** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements, supplementary schedules, and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

**Investment Valuation and Income Recognition.** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants.** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Payment of Benefits.** Benefits are recorded when paid.

**Concentration of Credit Risk.** Substantially all the Plan's assets are held by the Trustees.

## NOTES TO THE FINANCIAL STATEMENTS

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

**Recent Accounting Pronouncements.** In June 2016, Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, to revise the criteria for the measurement, recognition, and reporting of credit losses on financial instruments to be recognized when expected. This update is effective for fiscal years beginning after December 15, 2022, with early adoption permitted. Management is currently evaluating this standard.

## NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The following is a summary of the unaudited information regarding the Plan, included in the Plan’s financial statements and supplemental schedule that were prepared by the Trustees, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustees that such information is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2021.
- Note 4: All investment balances.
- Investments, as shown in the schedule of assets held at end of year as of December 31, 2021, as shown on Form 5500, Schedule H, Part IV, Line 4i.

## NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2.** Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3.** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(Continued)

## CLOVER IMAGING 401(k) PLAN

## NOTES TO THE FINANCIAL STATEMENTS

## NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

**Mutual Funds.** Valued at quoted market price.

**Common/Collective Trust Fund.** The stable value fund is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of units of the collective trust ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

**Pooled Separate Accounts.** Valued at net asset value of the underlying funds at year end ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the accounts, the issuer reserves the right to require 1-day notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

|                                       | Assets at Fair Value as of December 31, 2021 |             |             |                                      |                      |

**Investments Measured Using the Net Asset Value per Share Practical Expedient.** The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

**NOTE 5 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**NOTE 6 – EXCESS CONTRIBUTIONS**

The Plan performs certain participant discrimination testing annually in accordance with ERISA. The Plan failed to pass the Actual Deferral Percentage and Actual Contribution Percentage Test for the 2021 Plan year. As such, the Plan must refund to certain highly compensated employees (“HCEs”) their excess 2021 contributions. The amounts to be refunded to HCEs was \$3,546 as of December 31, 2021.

**NOTE 7 – TAX STATUS**

The Plan uses a prototype plan document sponsored by Principal Life Insurance Company. The Trustees received an opinion letter from the Internal Revenue Service (“IRS”) dated August 8, 2014, which states that the prototype document satisfies the applicable provisions of the Code. The Plan itself has not received a determination letter from the IRS, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

**NOTE 8 – DELINQUENT REMITTANCES**

The Company remitted certain 2020 participant contributions and loan repayments to the Trustees later than required by the Department of Labor (“DOL”) Regulation 2510.3-102, totaling \$476. The Company will file Form 5330 with the IRS for 2020.

**CLOVER IMAGING 401(k) PLAN****NOTES TO THE FINANCIAL STATEMENTS****NOTE 9 – RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**NOTE 10 – SUBSEQUENT EVENTS**

Management has evaluated all known subsequent events from December 31, 2021 through October 6, 2022, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
