### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Continental Materials Corporation Employees Profit Sharing Retirement Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements. (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the 2021 audit of Continental Materials Corporation Employees Profit Sharing Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Continental Materials Corporation Employees Profit Sharing Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Materials Corporation Employees Profit Sharing Retirement Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Continental Materials Corporation Employees Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Continental Materials Corporation Employees Profit Sharing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### *Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Continental Materials Corporation Employees Profit Sharing Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

## **Notes to Financial Statements December 31, 2021 and 2020**

### **Note 1: Description of the Plan**

The following description of the Continental Materials Corporation Employees Profit Sharing Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined-contribution plan established to provide retirement benefits to eligible employees. Under the Plan, all employees of Continental Materials Corporation (CMC or Company) and its subsidiaries and participating employers (collectively, Employer) who have met the eligibility requirements may elect to participate in the Plan. John Hancock Trust Company LLC (John Hancock) serves as the trustee of the Plan. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

#### **Participation and Contributions**

Eligible employees are automatically enrolled in the Plan at a contribution rate of 6% with the deferral made on a Roth or pre-tax basis dependent on employee's earnings level. Employees have the options of waiving participation, choosing other participation levels and changing between Roth and pre-tax deferrals. Participants' contributions to the Plan are auto escalated at a rate of 1% per year up to a maximum of 15%, unless the participant proactively opts out.

A participating employee may make pre-tax and designated Roth contributions to the Plan based upon a percentage of compensation. The pre-tax and designated Roth contributions cannot be less than 1% or greater than 50%. The maximum is 15% for those designated as highly compensated. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Effective January 1, 2020, the Plan was amended to provide for quarterly discretionary Employer matching contributions beginning with the 2020 Plan year, in an amount equal to a flat percentage of 2% of each eligible participant's eligible compensation for each calendar quarter, on behalf of participants who have made contributions to the Plan during the quarter, are employed by the Company or a participating employer in the Plan at the end of the quarter, retired during the quarter (at age 60 or older) or terminated due to death or disability.

Effective January 1, 2020, an additional annual true-up Employer contribution may be made, at the discretion of the Board of Directors, on behalf of participants who have made contributions to the Plan, have 90 days of service, are employed at the end of the year, retired during the year (at age 60 or older) or terminated due to death or disability. Such Employer contributions are allocated to participants based upon the eligible compensation of the participant rather than contributions to the Plan.

**December 31, 2021 and 2020**

### ***Participant Investment Account Options***

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

### ***Participant Accounts***

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's and Employer's contributions. Investment income, including net realized and unrealized appreciation and depreciation in the fair value of investments for each fund net of administrative expenses, is allocated to all fund participants based on their respective total fund balances.

### ***Vesting***

Participant contributions plus the earnings thereon are fully vested. Vesting in the Employer contributions and the earnings thereon is determined on a graded schedule based on years of credited service. A participant is 100% vested after six years of credited service. If a participant attains age 60, becomes permanently and totally disabled, or dies, the full value of the participant's Employer contribution account becomes immediately vested.

### ***Notes Receivable From Participants***

A participant may borrow an amount not to exceed \$50,000 or 50% of the vested portion of his or her account, whichever is less. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate in effect at the time of application. The period for repayment cannot exceed five years, unless the loan is used for the purchase of a home, in which case cannot exceed 15 years. The interest paid is transferred to the participants' investment fund(s) from which the loan principal originated. A participant may have no more than two loans outstanding at one time.

In April 2020, the Company adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

#### **December 31, 2021 and 2020**

#### ***Payment of Benefits***

Upon termination of service, participants may receive a lump-sum amount equal to the value of their account. If the value of their account is greater than \$5,000, the account can remain in the Plan until requested. Withdrawals other than for termination are permitted under certain circumstances provided by the Plan.

In April 2020, the Company adopted the CARES Act provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

#### ***Allocation of Forfeitures***

Forfeitures of terminated participants are used first to pay administration fees and then used to reduce the annual Employer contribution. If a terminated participant returns to employment within five years, the amount previously forfeited may be reinstated. As of December 31, 2021 and 2020, the forfeiture account totaled \$52,487 and \$47,163, respectively. During 2020, forfeitures were used to pay administrative expenses of \$6,303 and \$6,122 were used to offset Employer contributions of which \$2,694 were offset against the Employer contribution receivable at December 31, 2019. The December 31, 2020 Employer contribution receivable was offset by approximately \$47,000 of forfeitures used when deposited in 2021. During 2021, \$59,264 of forfeitures were used to offset Employer contributions of which approximately \$47,000 was offset against the Employer contribution receivable at December 31, 2020. The December 31, 2021 Employer contribution receivable was offset by approximately \$57,000 of forfeitures used when deposited in 2022.

#### ***Administrative Expenses***

Investment management, custodial, recordkeeping, and consulting expenses of the Plan are paid from the assets of the Plan. Legal and most audit expenses and the Plan Administrator's salary are absorbed by the Employer. Loan fees and managed account fees are paid out of the accounts of the individuals receiving loans or investing in managed accounts.

**December 31, 2021 and 2020**

### **Note 2: Summary of Significant Accounting Policies**

#### ***Basis of Presentation***

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

The Plan values investments, except fully benefit-responsive investment contracts, at fair value (Note 5). Investment transactions are reflected on a trade-date basis. Net earnings on investments are allocated to participants on a daily basis. Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses (Note 5).

#### ***Appreciation/Depreciation in Fair Value of Investments***

The Plan presents in the statements of changes in net assets available for benefits the net appreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation on those investments. Realized gains or losses on sales of securities are based on average cost.

#### ***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

#### ***Notes Receivable From Participants***

Notes receivable from participants are reported at their unpaid principal balance, with no allowance for credit losses. The notes are collateralized by the participants' account balances.

- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

#### **Note 4: Investment Program**

Participants may choose to direct the investment of their contributions, the Employer contributions, and their account balance to various investment options, including mutual funds and a stable value fund. Participants may change their investment elections at any time.

As of March 24, 2014, the CMC common stock fund was frozen to new investments and no additions could be made to the fund. During June 2020, the Plan divested of all CMC common stock.

#### **Note 5: Investments and Fair Value Measurement**

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements), considers quoted prices for similar assets and gives the lowest priority to unobservable inputs (Level 3 measurements).

### Notes to Financial Statements December 31, 2021 and 2020

The three levels of inputs within the fair value hierarchy are defined as follows:

- Level 1:** Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date
- Level 2:** Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data
- Level 3:** Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability

CMC has various processes and controls in place to ensure that fair value is properly reflected in the financial statements.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds and common stock are stated at the quoted market price on the last business day of the year as reflected on national securities exchanges (Level 1 inputs).

## Employees Profit Sharing Retirement Plan

Notes to Financial Statements  
December 31, 2021 and 2020

### Note 6: Stable Value Fund

In December 2010, the Plan entered into a fully benefit-responsive investment contract with New York Life Insurance Company (NYLIC). NYLIC maintains the contributions in its general account. The Plan's contract investment balance is credited with earnings based upon contractually determined interest rates, dividends (if any), and charged for plan withdrawals and administrative expenses. NYLIC establishes an effective interest rate semiannually. In no event will such effective annual interest rate minus the deductions for expenses, be less than the minimum interest rate as defined by the contract.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. There are no reserves against contract value for credit risk of the issuer or otherwise.

The Plan's guaranteed interest contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. These conditions are defined in Section 1.5 (Payments to the contract holders) and Section 1.6 (Transfer to Other Funding Media) of the contract and includes events initiated by the Plan Sponsor including, but not limited to, total or partial Plan termination, mergers, spinoffs, layoffs, early retirement incentive programs, sales or closing of all or part of the Plan Sponsor's operations, or bankruptcy.

The contract specifies the circumstances under which the issuer may terminate the contract with a written notice to the contract holder 30 days prior to the intended termination date. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

The following represents contract value of the Plan's fully benefit-responsive investment contracts:

|                         | 2021         | 2020         |
|-------------------------|--------------|--------------|
| NYLIC Stable Value Fund | \$ 8,581,768 | \$ 9,373,905 |

The NYLIC Stable Value Fund is a guaranteed interest account and a fully benefit-responsive, general account group annuity contract. It seeks to provide competitive yield and limited volatility with a guarantee of principal, accumulated interest and annuity purchase rates. This account is backed by the general account of NYLIC. Contributions made are invested in a broadly diversified fixed income portfolio within the general account. The terms of the contract prohibit transfer or assignment of rights under the contract and provide for all distributions prior to contract termination at contract value, frequent resetting of contractual interest rates based upon market conditions, no liquidity restrictions and no defined maturities.

### **Notes to Financial Statements** **December 31, 2021 and 2020**

#### **Note 7: Termination of the Plan**

While the Employer has not expressed any intent to terminate the Plan, it is free to do so at any time subject to the provisions of ERISA. In the event such termination occurs, the participants would become fully vested in their accounts and the distribution of the Plan's assets to participants or their beneficiaries would be made by the trustee of the Plan.

#### **Note 8: Plan Tax Status**

The Plan obtained its latest determination letter dated July 26, 2010, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable regulations of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Employer and the Plan Administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

#### **Note 9: Risks and Uncertainties**

The Plan provides for various investment options. These investments are exposed to various risks, such as market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

#### **Note 10: Party-in-Interest Transactions**

Parties-in-interest are defined under the Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. The Employer pays certain professional fees for the administration and audit of the Plan.

Fees paid during 2021 were to investment advisors and other professional services of \$42,941 and \$78,932 to John Hancock, net of revenue sharing credits received of \$75,642. Fees paid during 2020 were to investment advisors and other professional services of \$60,808 and \$71,066 to John Hancock, net of revenue sharing credits received of \$64,646.

### **Notes to Financial Statements**

#### **December 31, 2021 and 2020**

As of December 31, 2019, the Plan held 43,447 shares of common stock of Continental Materials Corporation (CMC) valued at \$341,472. Net depreciation on the common stock for the year ended December 31, 2019 was \$95,685. As CMC is the Plan Sponsor, this investment constituted a party-in-interest investment. This investment was sold in June 2020. In addition, notes receivable from participants also reflect party-in-interest transactions.

#### **Note 11: Reconciliation of Financial Statement to Form 5500**

The net assets available for benefits per the financial statements are higher than the Form 5500 at December 31, 2021 and 2020 by \$1,035,171 and \$913,476, respectively. The difference at December 31, 2021 and 2020 relates to contributions receivable and deemed distributions of participant loans. The net increase in net assets available for benefits per the financial statements is more than the net increase per the Form 5500 for the year ended December 31, 2021 by \$121,695, which relates to the change in contributions receivable and change in deemed participant loans. The net increase in net assets available for benefits per the financial statements is more than the net increase per the Form 5500 for the year ended December 31, 2020 by \$293,017, which relates to the change in contributions receivable.

#### **Note 12: Nonexempt Transactions**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions and loan repayments to the Plan, contributions of \$309,767 and loan repayments of \$59,979 were not remitted within the required time period for the year ended December 31, 2021.

#### **Note 13: Subsequent Events**

Effective January 1, 2022, the Plan was amended to enroll certain eligible employees and participants deferring less than 6% of eligible compensation into the automatic deferral and automatic deferral increase provisions of the Plan.

The Plan was also amended effective January 1, 2022 to change the employer matching contributions to be 100% of the participant's deferral on the first 3% of the participant's eligible compensation calculated each payroll period. An annual discretionary employer contribution may still be made.

Effective July 6, 2022, the Company changed its name to Riverbend Industries.

Subsequent events have been evaluated through September 7, 2022, which is the date the financial statements were available to be issued.
