Independent Auditors' Report

The Board of Trustees
Asurion, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Asurion, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2021 are presented for the purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by a qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ASURION, LLC 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

(1) Description of plan

The following description of the Asurion, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted on January 1, 1994 to provide retirement benefits for employees of Asurion, LLC (the "Plan Sponsor"). The Plan covers substantially all employees who have completed 30 days of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2020, the UBIF Franchising Co 401(k) Plan and the Catalina Labs, Inc 401(k) Plan were merged into the Plan, and investment assets of approximately \$418,000 and \$75,000, respectively, were transferred into the Plan.

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants may elect to make after-tax contributions in the form of a Roth deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions are permitted up to 100% of compensation.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate of 3% of compensation unless the employee elects not to participate or chooses a different percentage to defer.

The Plan Sponsor makes a safe-harbor matching contribution in an amount equal to 100% of each participant's contributions up to 3% of compensation and 50% of the next 2% of compensation contributed to the Plan.

The Plan also provides that the Plan Sponsor may contribute an additional discretionary amount each year as authorized by the Plan Sponsor's Board of Directors; however, an annual discretionary contribution by the Plan Sponsor is not required. No annual discretionary contribution was made by the Plan Sponsor during 2021 or 2020.

Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

Notes to the Financial Statements

December 31, 2021 and 2020

(c) Participant accounts

Each participant's account is credited (charged) with the participant's contributions, allocations of Plan Sponsor contributions, investment earnings (losses), and administrative expenses allocable to such participants. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Vesting

Participants are immediately vested in their elective salary deferrals plus actual earnings or losses thereon. Participants are immediately vested in the Plan Sponsor's safe-harbor matching contributions plus actual earnings (losses) thereon. Vesting in additional discretionary Plan Sponsor contributions plus actual earnings (losses) thereon is based on years of continuous service. Participants vest pro-rata and are fully vested after five years of service.

(e) Notes receivable from participants

Each participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. The notes are secured by the balances in the respective participants' accounts and bear interest at fixed rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are collected through payroll deductions.

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive either a lump sum payment or installments over a specified period equal to his or her entire account balance. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account as a lump sum distribution.

(g) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor discretionary contribution portion of their accounts. Forfeitures may be used to pay Plan expenses or may be used to reduce the Plan Sponsor's contributions to the Plan. At December 31, 2021 and 2020, the forfeiture account balance totaled \$5,682 and \$16,401, respectively. During 2021 and 2020, Plan Sponsor contributions were reduced by \$17,936 and \$18,606, respectively, from forfeited nonvested accounts.

Notes to the Financial Statements

December 31, 2021 and 2020

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the Plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the withdrawing participant's vested account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Expenses of administering the Plan and fees related to notes receivable from participants and distributions are charged directly to the applicable participants' accounts and are included in administrative expenses. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments.

(j) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to the Financial Statements

December 31, 2021 and 2020

(c) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

Management of the Plan Sponsor has evaluated events and transactions that occurred between December 31, 2021 and October 11, 2022, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments and notes receivable from participants reported and disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments at fair value and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividend income, and interest income from notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Trust Company ("Principal").

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- (i) *Mutual funds*: Valued based on the funds' reported closing net asset values ("NAV") as of the last business day of the plan year. The funds are deemed to be actively traded.

ASURION, LLC 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

- (ii) **Guaranteed interest account:** The non-benefit responsive guaranteed interest account is valued at fair value based on the amount the Plan Sponsor would receive if the contract was terminated at the reporting date, which is book value less an early withdrawal charge, discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Participant redemptions for termination, death, disability and retirement are made at contract value. If the Plan terminates the contract before the contract matures, the redemption is made at fair value. Contract value approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Fair Value Measurements as of December 31, 2021 using the following inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Notes to the Financial Statements

December 31, 2021 and 2020

The following table summarizes investments for which the fair value is measured using NAV as a practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to Plan transactions.

Collective trust funds	\$494,538,840	\$400,252,587	n/a	Daily	None

(5) Income tax status

The Plan Sponsor adopted a volume submitter profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on August 8, 2014, which stated that the volume submitter plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the Plan, as amended, is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Remittance of participant contributions

The Plan Sponsor is required by Department of Labor regulation to remit participant contributions and loan repayments as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. Certain participant contributions withheld during 2020 were not remitted to the Plan timely.

ASURION, LLC 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

(7) Related party and party-in-interest transactions

Certain Plan investments are collective trust funds, a pooled separate account and a guaranteed interest account managed by Principal and affiliates of Principal and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers and holds notes receivable from participants which also qualify as party-in-interest transactions.

(8) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 653,913,083	\$ 542,190,295
Plan Sponsor contributions receivable	<u>(2,677,765)</u>	<u>(2,104,442)</u>
Net assets available for benefits per Form 5500	\$ <u>651,235,318</u>	\$ <u>540,085,853</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Change in net assets available for benefits per financial statements	\$ 111,722,788	\$ 100,888,980
Change in Plan Sponsor contributions receivable	<u>(573,323)</u>	<u>(12,318)</u>
Change in net assets available for benefits per Form 5500	\$ <u>111,149,465</u>	\$ <u>100,876,662</u>

(9) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
