To Tammy Whitaker, Plan Administrator
The Greentree Group, Inc. Profit Sharing Plan

We have audited the financial statements of The Greentree Group, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we will issue our report thereon dated August 24, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 10, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by The Greentree Group, Inc. Profit Sharing Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Although we identified significant risk areas when planning the audit, we identified no specific area of significant risk that could result in a material misstatement of the financial statements.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Your estimate of the fair value of the Plan's investments in mutual funds is based on the unadjusted quoted prices in active markets for identical assets. We relied on the Plan trustee's certification that these values are complete and accurate.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of Fair Value Measurements in Note 3 to the financial statements. Common/Collective Trust funds were added as a Level 2 investment during 2021.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Administrator of The Greentree Group Profit Sharing Plan, Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.

Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Greentree Group, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Greentree Group, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Greentree Group, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Greentree Group, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Greentree Group, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) (Modified Cash Basis) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Greentree Group, Inc. Profit Sharing Plan

We were engaged to audit the accompanying statement of net assets available for benefits of The Greentree Group, Inc. Profit Sharing Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE GREENTREE GROUP, INC. PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2021 AND 2020

Note 1. Description of Plan

The following description of The Greentree Group, Inc. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan which covers all employees of The Greentree Group, Inc. (the Company). Employees who have attained the age of 21 are eligible to participate in the Plan on the first day of the month following employment. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Participants may contribute up to 75% of eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage of participant deferrals on a uniform basis for all participants. The Company may also make discretionary non-elective contributions which are allocated to participants based upon a formula integrated with the Social Security Taxable Wage Base. Other qualified non-elective contributions may be allocated to employees as designated by the Company to help the Plan pass non-discrimination tests. In 2021 and 2020 the Company provided an annual match of 50% of the participant's elective deferrals up to the first 6% of the participant's elected salary deferral.

Participants direct the investment of their contributions and any employer contributions into various investment options offered by the Plan.

Participant Accounts – Each participant's account is credited with the participant's contribution, the Company contribution, actual earnings, and charged with actual loan origination and loan processing costs and a pro-rata portion of administrative costs. Each participant is entitled only to the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their elective deferrals to their accounts and the earnings thereon. Amounts attributable to employer contributions become vested as follows:

<u>Years of Service</u>	<u>% Vested</u>
Less than 2	0%
2	30%
3	65%
4 or more	100%

THE GREENTREE GROUP, INC. PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2021 AND 2020

Note 1. Description of Plan (continued)

Notes receivable from participants – Participants may borrow from their plan accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, with the minimum loan amount of \$1,000. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through monthly payroll deductions, not to exceed 60 months, unless for the purchase of the participant's primary residence.

Payment of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive installment payments under a systematic withdrawal plan, a lump-sum payment, direct rollover into a qualified retirement plan or a combination of a lump-sum payment and a direct rollover distribution. In-service distributions are available to Plan participants for financial hardship or upon reaching the age of 59 ½.

Forfeitures – Forfeitures represent the non-vested portion of the Company contributions plus earnings thereon, which are not distributed to participants who terminate employment before they are 100% vested. At December 31, 2021, \$4,088 of forfeited non-vested balances were available to reduce future employer contributions and plan expenses. At December 31, 2020 no balance remained in the forfeiture account. Forfeitures of \$26,580 and \$35,006 were used to reduce employer contributions in 2021 and 2020, respectively.

Plan Amendment and Restatement – In an amendment executed March 26, 2021 and effective April 26, 2021 the Plan was amended and restated in its entirety as required for the IRS Six-Year Cycle for Pre-Approved Defined Contribution Plans.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which differs from the accrual basis and is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Employee and employer contributions are recorded when earned, whereas investment income and related assets are recorded when received, and expenses are recorded when paid rather than when the obligation is incurred.

Use of Estimates – The preparation of financial statements in conformity with the modified cash basis of accounting requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported increases and decreases to the Plan's net assets available for benefits during the reporting period. Actual results could differ from those estimates.

THE GREENTREE GROUP, INC. PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2021 AND 2020

Note 2. Summary of Significant Accounting Policies (continued)

Investment valuation and income recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Investments are recorded at fair market value, and net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balances. Interest income is recorded on the cash basis at the note rate. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Administrative Costs – Expenses of administering the Plan are paid principally by the Plan. Loan and investment fees are deducted from the participants' accounts on a pro-rata basis. The Company absorbs the cost of certain administrative functions of the Plan including auditing services. Expenses paid by the Company are excluded from these financial statements.

Subsequent Events – Subsequent events were evaluated through August 24, 2022, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

THE GREENTREE GROUP, INC. PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2021 AND 2020

Note 3. Fair Value Measurements (continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds – Level 1 investments valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust funds – Common/Collective Trust (CCT) funds are valued at the NAV based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trusts is based on information reported by the investment advisor using the audited financial statements of the collective trusts. The investment income is allocated to participants based on their proportionate share of the net assets of the fund.

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2021 AND 2020

Note 3. Fair Value Measurements (continued)

Plan assets measured at fair value on a recurring basis as of December 31, 2021 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 10,182,028	\$ -	\$ 10,182,028
Common/Collective Trust funds	-	1,067,040	1,067,040
	<u>\$ 10,182,028</u>	<u>\$ 1,067,040</u>	<u>\$ 11,249,068</u>

Plan assets measured at fair value on a recurring basis as of December 31, 2020 are as follows:

	<u>Level 1</u>
Mutual funds	<u>\$ 9,865,928</u>

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year), appreciated in value by \$865,474 and \$978,308 in 2021 and 2020, respectively.

Note 4. Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets will be distributed to the participants and beneficiaries based on their account balances.

Note 5. Income Tax Status

The Plan is based on a prototype plan which has received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service that the prototype plan is designed to qualify as being exempt from Federal Income Taxes. The plan administrator has not separately applied for a determination letter from the Internal Revenue Service.

The Plan's previously filed Annual Return/Report of Employee Benefit Plan (Form 5500) for the prior three fiscal years remain subject to examination by a taxing authority. The Plan's Form 5500 for the current year has not yet been filed and remains subject to examination by a taxing authority.

THE GREENTREE GROUP, INC. PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2021 AND 2020

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Unaudited Information Prepared and Certified by the Plan's Trustee

Management has elected the method of compliance permitted by 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee, has prepared and certified the following information included in the accompanying financial statements and supplemental schedules as complete and accurate:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Mutual funds	\$ 9,610,418	\$ 8,759,372
Common/Collective Trust funds	1,067,040	-
Money Market mutual funds	571,610	1,106,556
Notes receivable from participants	111,802	79,494
Investment income	1,348,187	1,264,434

Note 8. Related Party and Party-in-interest Transactions

Certain Plan assets are invested in mutual funds that are managed by Fidelity Management & Research Company. Fidelity Management Trust Company is the trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor paid certain expenses related to the Plan's operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. In 2021 and 2020, respectively, \$43,906 and \$32,065 was paid by the Plan for investment advisor and recordkeeping fees. These costs were allocated to the participants' accounts.

Note 9. Reconciliation of Financial Statements to Form 5500

Net assets available for benefits per the financial statements at December 31, 2021 and 2020 of \$11,447,055 and \$10,029,864, respectively, agree to net assets reported on Form 5500.

Benefits paid to participants at December 31, 2021 and 2020 of \$1,277,971 and \$399,661, respectively, agree to benefits reported on Form 5500. As of December 31, 2021 and 2020 no amounts were allocated to withdrawing participants and recorded on the Form 5500 for benefit claims that were processed and approved for payment but not yet paid as of that date.

THE GREENTREE GROUP, INC. PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
DECEMBER 31, 2021 AND 2020

Note 10. Impact of COVID-19 on Plan Operations

On March 11, 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a pandemic which has impacted the financial markets and global economy. The COVID-19 pandemic is on-going and the duration and extent of the related financial impact on the Plan's net assets available for benefits is uncertain and cannot be reasonably estimated at this time.

On March 27, 2020, the U.S. Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to distributions and loan deferments during 2020. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the plan document.

The Plan Administrator adopted the distribution relief and loan deferment provisions included in the CARES Act. The distribution relief permitted qualified individuals to request a pre-approved distribution, through participant self-certification of eligibility. The maximum dollar amount that could be requested per participant was \$100,000 up through December 31, 2020. The loan deferment provision allowed qualified participants to delay loan repayments that would otherwise be due between March 27, 2020, and December 31, 2020. Although the Plan has not yet been amended for these provisions, under the CARES Act the Company has until December 31, 2022, to formally amend the Plan.

To Tammy Whitaker, Plan Administrator
The Greentree Group, Inc. Profit Sharing Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of The Greentree Group, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered The Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

A Limited Liability Company
