Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of AirClean Systems 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of AirClean Systems 401k Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section.

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of AirClean Systems 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AirClean Systems 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AirClean Systems 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AirClean Systems 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of AirClean Systems 401k Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AIRCLEAN SYSTEMS 401K PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of Plan

The following description of the Applied Medical Technologies, Inc. dba AirClean Systems (Sponsor) 401k Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Applied Medical Technologies Inc., AMT Group Inc., and CS Medical LLC. The Plan was established on January 1, 2001.

Related Employers

AMT Group, Inc. and CS Medical LLC are considered related employers as defined in Internal Revenue Code Section 414. These employers and the plan sponsor are treated as a single employer under the provisions of this Plan.

Contributions to the Plan

An employee becomes a participant of the Plan and is eligible to make salary deferral contributions (tax deferred or after-tax Roth contributions) upon reaching age 21 and after 1 year of employment. Once eligible, the Sponsor will make a safe harbor nonelective contribution equal to 3% of the participants eligible compensation.

The safe harbor nonelective contribution will be made whether or not the participant is employed at the end of the Plan year and regardless of the number of hours of service performed during the year. The safe harbor nonelective contribution is determined on an annual basis.

The Plan Sponsor may make discretionary profit-sharing contributions to the Plan. All Plan participants are eligible to receive profit sharing contributions, however, the Plan Sponsor has elected to use the employee group allocation method to allocate the discretionary profit-sharing contributions.

The employee group allocation method allows for a separate discretionary profit-sharing contribution to be made to each participant of the Plan, whereas each participant is his/her own allocation group.

Participant Accounts

An individual account will be established for each participant and may be comprised of a tax deferred account, after-tax Roth account, an employer matching account, a profit-sharing account, a safe harbor nonelective account, and a rollover account. Additional accounts may be established in order to properly account for participant assets.

Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

AIRCLEAN SYSTEMS 401K PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of Plan (continued)

Vesting

Participants are always 100% vested in the portion of their account attributable to nonelective safe harbor contribution, salary reduction contributions, and rollover contributions, if any. All other contributions are subject to a 6-year graded vesting schedule.

Forfeitures

If the participant does not have a vested balance in any account at the time of separation from service, the entire amount of the forfeitable account shall become a forfeiture as soon as administratively practical.

If the participant has a vested balance in any account at the time of separation from service, the non-vested portion of the forfeitable account shall become a forfeiture on or as soon as administratively practical following the earlier of a break in service, or the distribution of the participant's vested account balance.

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$865 and \$364, respectively. These amounts will be used to reduce employer contributions or pay administrative expenses of the Plan.

Benefits Under the Plan

Each participant becomes eligible to receive benefits upon retirement, death, disability or, upon termination of employment with the plan sponsor. Participants may take a distribution of their entire vested account balance in a single lump sum distribution. The Plan Administrator may, in its discretion, permit participants to take multiple distributions of their vested account balance. The Plan Administrator may also permit a participant to take a partial or installment distribution solely to the extent necessary to satisfy the required minimum distributions rules. The methods of distribution available depends on the circumstances surrounding the participant's departure and varies for each of the participant's individual accounts. Participants should refer to the Plan agreement for a more complete description of distribution alternatives.

Under the plan document, the Plan Administrator has the ability to involuntarily distribute the entire vested account balance for participants who have terminated employment and have an account balance less than \$5,000.

Notes Receivable from Participants

Loans are not available to participants under the plan document.

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of Plan (continued)

Plan Amendments

Effective January 1, 2021, the Plan was amended to comply with the requirements of the 2017 IRS Cumulative List (IRS Notice 2017-37), the American taxpayer Relief Act of 2012, the Tax Cuts and Jobs Act of 2017, and other applicable guidance.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of administering the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment related expenses are included in the net appreciation (or depreciation) of fair value of investments.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by its investment adviser and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

AIRCLEAN SYSTEMS 401K PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described in more detail as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The NAV is the quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Interest Bearing Savings Accounts - Valued at original cost, which approximates fair value.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Recent Accounting Standards Updates

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820) – Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. The updated guidance improves the disclosure requirements on fair value measurements by removing, modifying, or adding certain disclosures. This ASU was adopted effective January 1, 2020. The adoption of this ASU did not result in significant changes to the Plan's financial statements.

Note 3 - Fair Value Measurements

All the Plan's investments are held in a trust account administered by Charles Schwab Bank. The following tables set forth by level, within the fair value hierarchy, the Plan's assets that were accounted for at fair value on a recurring basis as of December 31, 2021 and 2020:

	As of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,973,244	\$ -	\$ -	\$ 5,973,244

Note 4 – Investments Certified by the Plan's Custodian

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under this election, the Plan administrator instructed the Plan's independent auditor not to perform, and they did not perform, such auditing procedures with respect to the following information certified by Charles Schwab Bank (the custodian of the Plan's assets) at December 31, 2021 and 2020, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule of assets (held at the end of the year).

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 5,973,244	\$ 4,908,807
Interest bearing savings accounts	<u>149,237</u>	<u>110,500</u>
	<u>\$ 6,122,481</u>	<u>\$ 5,019,307</u>

The custodian also certified to the completeness and accuracy of interest income, dividend income and net realized and unrealized appreciation in the fair value of investments for the year ended December 31, 2021.

Interest income	\$ 104
Dividend income	312,622
Net realized and unrealized appreciation in the fair value of investments	<u>336,267</u>
Total investment income	<u>\$ 648,993</u>

Note 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 6 - Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentration of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per financial institution. At December 31, 2021 and 2020, the Plan did not have any account balances in excess of the FDIC insured limit.

AIRCLEAN SYSTEMS 401K PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 7 - Tax Status

The Plan was established as a qualified employee retirement plan under Section 401 of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has obtained a determination letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter and the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Related-Party Transactions and Party-In-Interest Transactions

MVP Plan Administrators, Inc. (MVP) functions as a recordkeeper and third-party administrator to the Plan. Due to this service arrangement, transactions with this entity qualify as party-in-interest transactions. MVP was paid direct compensation in the amount of \$2,659 for participant distribution processing services.

Charles Schwab Bank serves as the Plan's directed trustee and holds all of the Plan's investments. Due to this relationship, transactions with this entity qualify as party-in-interest transactions. Charles Schwab Bank was paid direct compensation from the Plan in the amount of \$1,475. These expenses were paid from the Plan's forfeiture and expense accounts.

The Plan maintains an interest-bearing savings account at Charles Schwab Bank. As of December 31, 2021, and 2020 the balance in this savings account was \$149,237 and \$110,500, respectively.

The plan sponsor directly pays for a significant amount of fees related to the Plan's operations.

All direct expenses incurred by the Plan are reported in the Statement of Changes in Net Assets Available for Benefits as administrative expenses.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, affected participants would become 100 percent vested in their accounts.

Note 10 - Subsequent Events

The Plan has evaluated all subsequent events through October 7, 2022. This is the date that the financial statements were available to be issued.
