To the Trustees
of Security Risk Advisors, Inc. 401(k) Profit Sharing Plan
Philadelphia, Pennsylvania

We have audited the financial statements of the Security Risk Advisors, Inc. 401(k) Profit Sharing Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as of and for the year ended December 31, 2021 and we issued our report thereon dated October 11, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by Fidelity Management Trust Company, the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (“U.S. GAAP”). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 5th, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. There were no new accounting policies adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plans during the year for which there is a lack of authoritative guidance or consensus. Based on auditing procedures performed, all significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of the Plan's investments, which are based on the custodian's certified fair value. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We received excellent cooperation from all personnel and encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such misstatements were detected as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 12, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independence

Sisterson's Quality Control Document identifies the policies and procedures established to provide reasonable assurance that all Sisterson personnel maintain independence in all required circumstances, perform all professional responsibilities with integrity, and maintain objectivity in discharging professional responsibilities. As defined by the profession, independence is the ability to act with integrity and objectivity. On an annual basis, all professional personnel must disclose any circumstances and relationships that create a threat to independence. During the planning phase of the audit, we must also evaluate whether there are any changes to the firm's independence with the Plan. Based on these procedures, we believe that there are no independence issues between Sisterson and the Plan.

Peer Review Results

On a periodic basis, Sisterson is subject to a peer review of the system of quality control in place for the accounting and auditing practice of the Firm. The most recent peer review was conducted in November 2019, and resulted in an opinion that the system of quality control for the accounting and auditing practice of the Firm has been suitably designed and complied with. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Sisterson has received a peer review rating of *pass*.

This information is intended solely for the use of the Trustees of the Plan and management of Security Risk Advisors, Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Security Risk Advisors, Inc. 401(k) Profit Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of assets available for benefits as of December 31, 2021, and the related statement of changes in assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section -

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 Financial Statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified to by a qualified institution. In our report dated October 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Security Risk Advisors, Inc. 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering all full-time employees of Security Risk Advisors, Inc. ("Company"). It is designed to invest voluntary employee contributions and matching employer contributions for the benefit of the participating employees. The Plan is subject to the provisions of the Employee Income Security Act of 1974 ("ERISA").

Eligibility

Employees of the Company, except for interns, are eligible to participate in the Plan immediately upon being hired.

Contributions

Participants can voluntarily contribute a specific percentage or dollar amount from their taxable income, as a Pre-tax 401(k) deferral or a Roth 401(k) deferral, with certain limitations. Salary reduction contributions for any calendar year are subject to Internal Revenue Code ("IRC") limitations of \$19,500 in 2021 and 2020.

The Company may make additional contributions to the Plan as a safe harbor basic matching contribution, safe harbor enhanced matching contribution, or safe harbor non-elective contribution. If the Company decides to make one of the contributions above, the employee will receive a notice informing them of the decision and the amount of the contribution. This is intended to satisfy the nondiscrimination tests under the code sections 401(k) and 401(m) of the IRC. During 2021 and 2020, the Company elected to make a safe harbor non-elective contribution equal to 3% of an employee's compensation. For these contributions, the employee receives a contribution even if they have chosen to not voluntarily contribute to the Plan.

The Company may also contribute a discretionary profit-sharing contribution of a percentage of the participants' eligible compensation in accordance with the Plan document. There were no discretionary contributions for the years ended December 31, 2021 and 2020.

Participants may also make rollover contributions from other qualified plans.

Consistent with Internal Revenue Service ("IRS") guidelines, participants who have attained age 50 before the end of the Plan year are eligible to contribute catch-up contributions (limited by the IRC to \$6,500 in 2021). IRS guidelines restrict the total contributions for participants over the age of 50 for the years ended December 31, 2021 and 2020 to \$26,000.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Participant accounts

Each participant's account is increased for contributions, reduced for withdrawals and Plan expenses, and increased or decreased on a daily basis for investment income (loss) including unrealized appreciation or depreciation in the fair value of investments.

Participants may direct their voluntary contributions, rollover contributions and the Company contributions in one or more of the investment options offered and may change their investment allocation on a daily basis.

Vesting

Participants are immediately vested in their voluntary contributions, Company safe harbor contributions, and rollover contributions, plus actual earnings thereon. Participants are 100% vested in the Company's discretionary profit-sharing contribution and matching contributions based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

The Company defines a year of service as at least 1,000 hours of service during a Plan year.

Payment of benefits

A participant who has attained age 59½, has incurred a hardship (as defined in the Plan document), or has become disabled may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service. Upon termination of service, if the participant's account balance is \$1,000 or less, the participant will receive, as soon as practicable, a lump-sum payment less applicable withholding taxes. If the participant's account balance exceeds \$1,000 but is less than \$5,000, the participant must consent to an automatic distribution. If the participant does not elect to have such distribution paid, then the participant's account shall be distributed in a direct rollover to an Individual Retirement Account ("IRA") designated by the Plan administrator. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age of 72. For all other participants, the required beginning date is April 1 following the year in which the participant attains the age of 72 or retires from employment, if later.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Subject to certain restrictions, participants may borrow a minimum of \$500 up to a maximum equal to the lesser of 50% of their aggregate account balance or \$50,000 reduced by the excess of the highest outstanding balance of any Plan loans during the 12-month period preceding the date of the loan. In no event shall the total of any participant's outstanding note exceed, at the time the loan is made, the lesser of (a) \$50,000 reduced by the excess of any outstanding loan balance incurred during a one-year period prior to the new loan date or any outstanding loan balance or (b) one-half of the vested balance of a participant's accrued benefit under this Plan and all other plans of the Company.

The notes bear interest at a fixed rate, which is determined by the Plan administrator to be a reasonable rate of interest, taking into account the rate that would be charged by commercial lenders for money loaned under similar circumstances. For the year ended December 31, 2021, the interest rate was equal to one percentage point over the prime rate in effect on the day the participant's note is processed. Generally, the notes are repayable over a specified period not to exceed five years. If, however, the note is to be used for the purchase of a participant's principal residence, the note is repayable over a longer repayment term. The interest rate in effect as of December 31, 2021 was 4.25%.

The notes are secured by promissory notes providing for repayment of principal and interest through payroll deductions. Participants can also make payments directly to the custodian. As collateral for the note, the participant gives the Plan a security interest in his/her vested accrued benefit in the Plan in an amount equal to the outstanding principal balance of the note plus accrued interest. No other property is given as collateral for the mpte.

Under the Plan's policy, if the employee fails to make payments when they are due under the terms of the note, then the note will be considered to be "in default." The Company will consider a note to be in default if any scheduled note repayment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. The Plan would then have authority to take all reasonable actions to collect the balance owed on the note.

Administrative expenses

The Plan's provisions provide that administrative costs be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs. These costs include professional fees and costs for external recordkeeping services. A monthly fee is deducted from all participant's accounts to cover the administrative expenses.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Forfeited accounts

Forfeitures can be used to reduce future employer contributions or expense incurred in the operation of the Plan. During 2021 and 2020, forfeited non-vested accounts were used to reduce Plan administrative expenses by \$0 and \$863. During 2021 and 2020, employer contributions were not reduced by any forfeited non-vested accounts and there is not a balance as of December 31, 2021 and 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment valuations

The Plan provides participants the opportunity to direct both participant and Company contributions into separate investment funds. However, the investing activity within the funds is discretionary, and the individual investment managers have the authority to make investment decisions.

Interest bearing cash is valued at cost, which approximates fair value.

Investments are reported at fair value as reported to the Plan administrator by the trustee of the Plan's assets. The Plan's investments consist of money market funds, mutual funds, and a common collective trust ("CCT"). As of December 31, 2020, the Plan also offered a fully benefit responsive investment contract that was included on the 2020 Statement of Assets Available for Benefits at contract value.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuations (continued)

The Plan's investments in mutual funds are stated at fair value as measured by quoted market prices. The common collective trust fund invests primarily in synthetic, separate account, and traditional guaranteed investment contracts backed by high-credit-quality fixed income investments and traditional investments issued by insurance companies and banks. The common collective trust fund is valued at the net asset value ("NAV") of units held by the Plan at year-end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments comprising the trust, less its liabilities. Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest and dividend income is recorded as earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year are included in net appreciation in fair value of investments reported within the statements of changes in assets available for benefits.

The Plan provides various investment options offered through the custodian of the Plan. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits and participants' individual account balances.

Contributions

Participant contributions are recorded when withheld from the participant's compensation. Employer matching contributions are recorded at that same time. Additional discretionary employer retirement contributions may be recorded periodically during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of benefits

Benefit payments are recorded when paid.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 22, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

All information related to investment and notes receivable from participant assets, investment and notes receivable from participant transactions, and related income, is certified as complete and accurate by the Fidelity Management Trust Company for the year ended December 31, 2021 and by Principal Trust Company for the year ended December 31, 2020, the custodian of the Plan for each Plan year, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Fees paid by the Plan for investment management and trustee services qualify as party-in-interest transactions and amounted to \$22,522 and \$26,986 for the years ended December 31, 2021 and 2020, respectively.

NOTE 4 - FAIR VALUE MEASUREMENT

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The Plan's investments in mutual funds are classified as Level I as of December 31, 2021. The Plan did not have any investments classified as Level I as of December 31, 2020.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The types of investments in Level II include interest-bearing cash as of December 31, 2020. The Plan did not have any investments classified as Level I as of December 31, 2021.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments as of December 31, 2021 and 2020.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	Level	2021	2020
Mutual funds	I	\$ 11,143,174	\$ --
Interest-bearing cash	II	--	7,668,300
Common collective trust fund, valued at NAV as a practical expedient		210,556	--
Total investments at fair value		\$ <u>11,353,730</u>	\$ <u>7,668,300</u>

The following table sets forth disclosure of the Plan's investment whose fair value is estimated at NAV per share, as a practical expedient, as of December 31, 2021 and 2020:

Investment	Fair value 2021	Fair value 2020	Redemption frequency	Redemption notice period
Putnam Stable Value Fund	\$ 210,556	\$ --	daily	n/a

- (a) Putnam Stable Value Fund is a common collective trust fund established, operated, and maintained by Putnam Fiduciary Trust Company, LLC under the declaration of a trust agreement. The investment objective of the fund is to provide current and stable income. The fund invests primarily in traditional, separate account, and synthetic guaranteed investment contracts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The Plan has no unfunded commitments with respect to this investment.

NOTE 5 - CONTRACT VALUE MEASUREMENT

The Plan held a fully benefit-responsive investment in the Principal Fixed Income Guaranteed Option, offered by Principal Life Insurance Company, an affiliated entity of Principal Trust Company. The fixed account was included in the financial statements at contract value as of December 31, 2020. The Principal Fixed Income Guaranteed Option is an obligation of Principal Life Insurance Company's general account, which supports all of Principal Life Insurance Company's insurance and annuity commitments. All payment guarantees of contractual interest and redemption of invested funds are based on the financial strength and claims-paying ability of Principal Life Insurance Company, who is solely responsible for all obligations under its contracts.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 5 - CONTRACT VALUE MEASUREMENT (continued)

The nature of the Principal Fixed Income Guaranteed Option is such that Plan participants may withdraw assets without restriction; however, the custodian may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The occurrence of an event that limits the ability of the Plan to transact at contract value between the custodian and a participant holding the investment is not probable.

The Principal Fixed Income Guaranteed Option guarantees principal and a guaranteed minimum interest rate ("GMIR") for the life of the contract, which features two declared interest rates: a crediting rate and a guaranteed minimum floor rate declared for a defined period – currently, one calendar year. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

The guaranteed minimum floor rate may change after a defined period, but it will never be lower than 0% for the life of the contract. The current rate, the guaranteed minimum floor rate, and the GMIR are expressed as annual effective yields. The average yield earned by the Plan for the fully benefit-responsive investment can be derived by averaging the quarterly gross interest rates for the fund over the year. The average yield for the year ended December 31, 2020 was 1.55%

On October 7, 2021, the Principal Fixed Income Guaranteed Option was closed and all funds were transferred into other investments.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, assets will be allocated to each participant based on their respective account balance after payment of all final liquidation or termination expenses, pursuant to the directions of the Plan administrator.

NOTE 7 - INCOME TAX STATUS

A favorable determination letter was received from the IRS on March 31, 2014, stating that the Plan was qualified under Section 401(a) of the IRC and the related trust was exempt from tax under Section 501(a) of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

SECURITY RISK ADVISORS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 7 - INCOME TAX STATUS (continued)

In accordance with GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2018.

NOTE 8 - RELATED PARTY TRANSACTIONS

For the year ended December 31, 2020, the Plan had an investment in the Principal Fixed Income Guaranteed Option which is managed by the Principal Life Insurance Company, an affiliate of Principal Trust Company and, therefore, these fund transactions qualify as party-in-interest transactions. The Plan also held interest-bearing cash which qualify as party-in-interest transactions.

For the year ended December 31, 2021, the Plan has investments in several funds managed by Fidelity and, therefore, these fund transactions qualify as party-in-interest transactions. The Plan also held interest-bearing cash which qualify as party-in-interest transactions.

For years ended December 31, 2021 and 2020, the Plan also holds notes receivable from participants, which qualify as party-in-interest transactions.
