INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
ASNA Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of ASNA Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of ASNA Retirement Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and the maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ASNA Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Trustees
ASNA Retirement Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ASNA Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ASNA Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Board of Trustees
ASNA Retirement Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplement schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of ASNA Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 16, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion of the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ASNA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 1 – DESCRIPTION OF PLAN

The following description of ASNA Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by the Arctic Slope Native Association, Ltd. (Plan Sponsor) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan began October 1, 1993 and was subsequently amended and restated effective January 1, 2017 to revise the plan from employer profit-sharing to a safe harbor 401(k) plan with a profit-sharing component.

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) was signed into law. The SECURE Act, among other provisions, allows participants turning age 70 ½ during 2020 or later to defer required minimum distributions until age 72. The Plan adopted the provisions of the SECURE Act and will be amended to reflect these changes prior to the December 31, 2022 amendment deadline, as extended.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act expands the ability of certain 401(k) plan participants to withdraw, penalty free, funds from their vested retirement plan accounts (up to \$100,000), suspension of required minimum distributions for 2020, increased the participant loan limit (up to \$100,000), and delayed loan repayments for up to one year, subject to certain participant eligibility criteria. The expanded provisions provided by the CARES Act were available through December 31, 2020. On December 27, 2020, the Consolidated Appropriations Act, 2021 became law with similar provisions effectively extending the expanded provisions through June 25, 2021. The Plan implemented some of the expanded provisions and the Plan will be amended to reflect these changes prior to the December 31, 2022 amendment deadline, as extended by the Internal Revenue Service. Upon expiration, provisions of the Plan revert to those previously adopted.

Eligibility

Prior to October 1, 2012, all employees who were not covered by a collective bargaining agreement, unless specifically provided in the collective bargaining agreement, were eligible to participate in the Plan. With the Plan amendment effective October 1, 2012, employees covered by a collective bargaining agreement, leased employees, and employees who are nonresident aliens who received no earned income from the Plan Sponsor, which constitutes income from sources within the United States, are not eligible to participate in the Plan.

NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

All other employees are eligible to participate in the Plan. Employees considered eligible to participate in the Plan are admitted to the Plan on their date of hire.

Plan Administration

The Plan is administered by the Finance Committee, which consists of certain employees of the Plan Sponsor. John Hancock Life Insurance Company (U.S.A.) (John Hancock) is the custodian of the Plan. The Variable Annuity Life Insurance Company (VALIC) is also a custodian of Plan assets as it holds two deposit administration accounts.

Contributions

Participants may elect to contribute 401(k) or Roth contributions up to 100% of pretax or after-tax eligible compensation, as defined by the plan document, subject to certain limitations under the IRC. Eligible participants who have attained age 50 may elect an additional catch up contribution, subject to certain limitations under the IRC.

The Plan Sponsor made a safe harbor nonelective contribution of 3% of gross compensation as defined in the plan document in 2021. Profit sharing contributions may be made at the discretion of the Plan Sponsor. Profit sharing contributions, if any, are allocated to participant accounts based on the total eligible compensation paid to all participants. The Plan Sponsor contributed a discretionary amount currently equal to 5% of eligible compensation for all eligible employees in 2021.

Participant Accounts

Individual accounts are valued daily and maintained for each of the Plan's participants to reflect the participant's contributions, the related Plan Sponsor's contributions, and the participant's share of the Plan's income and expenses. Participants may direct their account balance into any of the investment options allowed under the Plan. Participant accounts are valued daily and participants can change their deferral election percentages each payroll cycle.

Investment Elections

Participants may direct their account balance into investment options offered under the Plan in 1% increments. Investment options are shares of pooled separate accounts held and managed by John Hancock. Participants may change their investment elections and make transfers between investment options daily.

ASNA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loans may not exceed five years. The notes bear interest at rates equal to 2 percentage points above the prime rate and is fixed over the life of the note. Principal and interest are paid ratably through periodic payroll deductions.

Vesting

Participants receive full and immediate vesting in their safe harbor nonelective contributions. Participants who achieve normal retirement age, who are deceased, or disabled, provided they are employees at such time, are 100% vested in their accounts. Upon termination of employment, for any reason other than those described above, participants are vested in their account value for the profit sharing plan, based upon completed years of service. A participant is 20% vested in their account value for the profit sharing plan per completed year of service and 100% vested after five years of completed service. A year of service is a plan year in which a participant works 1,000 hours or more.

Benefit Payments

Amounts credited to an individual participant's account are distributed on termination of employment or when a participant dies or becomes disabled, as a lump sum amount equal to the vested value of their account. Distributions may be deferred until the participant reaches the age of 72 if the value of the distribution is not less than \$5,000. However, the plan agreement stipulates that distributions must commence no later than April 1 of the year following the year in which the participant reaches the age of 72. Participants hired before January 1, 2017, may be entitled to receive installment or partial distributions.

Participants may be entitled to receive an in-service distribution limited to two per year.

Forfeitures

Forfeited nonvested accounts had a balance of \$16,583 and \$340,405 at December 31, 2021 and 2020, respectively, held in the insurance company general account. Forfeitures can be used to reduce administrative expenses or to reduce employer contributions. If a prior participant returns to service before five consecutive one year breaks in service, the participant must repay any amounts distributed that were Plan Sponsor funded in order to reinstate previously forfeited benefits, if any. Forfeitures totaling \$608,562 and \$122,799 were used to offset 2021 and 2020 employer contributions, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability or an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation includes capital gain distributions and gains and losses on investments bought and sold as well as held during the year. Revenue sharing income represents contractually agreed amounts from John Hancock expense reduction credits received from funds held by the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payments of Benefits

Benefits are recorded as distributions when paid.

ASNA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets. However, the Plan Sponsor has paid the quarterly John Hancock administration and participant distribution fees for Plan participants. Fees are charged to a participant account for transactions specifically related to that participant, such as loan set-up fees.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have been informed by the Plan Administrator that John Hancock Life Insurance Company (U.S.A) and Variable Annuity Life Insurance Company (the Custodians), held the Plan's investment assets and executed investment transactions as of December 31, 2021 and 2020, respectively. The Plan Administrator has obtained certifications from the Custodians as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that the following information provided to the Plan Administrator by the Custodians is complete and accurate:

- Pooled separate accounts of insurance company, at fair value
- Deposit administration accounts, at contract value
- Notes receivable from participants
- Cash
- Net appreciation in fair value of investments
- Interest on deposit administration accounts
- Interest income on note receivable from participants
- Other income
- Schedule of Assets (Held at End of Year)

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts of insurance company. Valued at their fair value which represents the Plan's proportionate share of the total fair value of the net assets of the underlying mutual funds. In determining the total fair value of the net assets of the investment funds, the issuer has valued investments at the quoted closing net asset value (NAV) per share as reported in active public markets.

ASNA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value of investments measured under this hierarchy as of December 31, 2021 and 2020 is as follows:

2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts of insurance company	\$ <u> -</u>	\$ <u>34,398,989</u>	\$ <u> -</u>
Total investments, at fair value			\$ <u>34,398,989</u>

2020			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts of insurance company	\$ <u> -</u>	\$ <u>27,742,780</u>	\$ <u> -</u>
Total investments, at fair value			\$ <u>27,742,780</u>

ASNA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in benefit responsive investment contracts (deposit administration accounts) issued by Variable Annuity Life Insurance Company through two accounts (Fixed Account Plus and Short Term Fixed Account). The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no reserves against contract value credit risk of the contract issuer or otherwise. The average yield and the crediting interest rate of the Fixed Account Plus fund was 1.20% and 1.65% for 2021 and 2020, respectively. For the Short Term Fixed Account, the average yield and the credit interest rate was 1.00% for 2021 and 2020. The crediting interest rate, which is determined monthly for new contributions and resets on January 1 of each year, is based on an agreed upon formula with the issuer and shall not be less than the lower of either 3.00% or the one month average value of the five year Constant Maturity Treasury Rate reported by the Federal Reserve, rounded to the nearest 1/20th of 1%, for the second quarter during which the certificate for a participants accounts is issued, reduced by 1.25%, and where the resulting interest rate is not less than 1.00%.

There are certain employer-initiated events which could limit the ability of the Plan to transact at contract value with the issuer. The Plan Sponsor does not believe it is probable that the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants.

NOTE 6 – PARTY IN INTEREST TRANSACTIONS

Certain plan investments consist of investments managed by John Hancock and VALIC, the Custodians, therefore these transactions qualify as party-in-interest transactions. These party-in-interest transactions are permitted under provisions of the Plan and are exempt from the prohibited transaction rules under the Employee Retirement Income Security Act of 1974.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

ASNA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

NOTE 8 – INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Plan's volume submitter sponsor by an opinion letter dated March 31, 2014, that the Volume Submitter Profit Sharing Plan with CODA Plan sponsored by FIS Business Systems, LLC, which has been adopted by the Plan, is acceptable pursuant to Section 401 of the IRC and in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

The IRS Cycle 3 Document Restatement was executed December 30, 2021, effective as of January 1, 2022. This restatement included the mandated interim Hardship Distribution Amendment implemented in 2019.

Management has evaluated subsequent events for disclosure in the financial statements through October 5, 2022, which is the date the financial statements were available to be issued.
