FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT

To the Retirement Committee and Participants
Embraer Aircraft Holding, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of the Embraer Aircraft Holding, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMBRAER AIRCRAFT HOLDING, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Embraer Aircraft Holding, Inc. (the “Company”) 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan document or summary plan description, both of which are available from the plan administrator, for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan sponsored by the Company for the benefit of employees of the Company and its affiliates and subsidiaries who are eighteen years of age or older and are not excluded by certain provisions as disclosed in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Company’s Board of Directors has established a Retirement Committee (the “Committee”) to serve as the plan administrator and as the named fiduciary for the Plan. The Committee has overall responsibility for the operation and administration of the Plan, including determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

During the year ended December 31, 2020, in preparation for a transaction involving the commercial business divisions of the Company, participants of applicable commercial divisions of the Company had their account balances transferred to a new trust, which was to be transferred to a new plan (with all of the same benefits as the existing Plan) to be established for a newly created company. Upon the determination later in 2020 that the transaction would not occur, all impacted participants’ account balances were transferred back into the previously existing trust for the Plan. All activity for the impacted participants and commercial business divisions during 2020 are included in the Plan’s accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020.

Plan amendments - In December 2019, the Setting Every Community Up for Retirement Enhancement (“SECURE Act”) was signed into law, related to required minimum distributions and the limitation of life-time or stretch distributions to remain compliant under the applicable laws and regulations. These provisions were effective beginning January 1, 2020.

On March 27, 2020, the “Coronavirus Aid, Relief, and Economic Security (CARES) Act” was signed into law. The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. The Plan’s management evaluated the relief provisions available to the Plan’s participants under the CARES Act and implemented the following temporary provisions:

- Special coronavirus distributions up to \$100,000;
- Increased the available loan amount as described below to the lesser of \$100,000 or 100% of the participant’s vested account balance;
- Extended the period for loan repayments, if applicable, up to one year;
- Waived required minimum distributions for 2020.

The Plan will be amended for the provisions implemented under the CARES Act by the time prescribed.

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Contributions - Participants may elect to defer up to 100% of their annual pretax compensation, as defined in the plan document, and/or make Roth 401(k) deferrals, without exceeding the maximum annual amount allowed by the Internal Revenue Code (the "Code"). Participants are automatically enrolled in the Plan to contribute 3% of their annual pretax compensation, unless they make an alternative election, or elect not to contribute to the Plan. Subject to the approval of the plan administrator, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, or from individual retirement accounts. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions, as defined in the plan document. Participants direct the investment of all contributions into various investment options offered by the Plan.

Under the provisions of the plan document, the Company is to make matching contributions in the amount of 100% of the first 6% of non-variable compensation, as defined in the plan document that each participant contributes into the Plan. Additionally, the Company may make discretionary profit sharing contributions to the Plan. The Company made matching contributions aggregating \$6,790,170 and \$7,168,450 applicable to the years ended December 31, 2021 and 2020, respectively. The Company made no discretionary profit sharing contributions applicable to the years ended December 31, 2021 and 2020. The Company's contributions are subject to certain limitations as prescribed by the Code.

Participant investment account options - The Plan currently offers various mutual funds, a common/collective trust fund, and a money market fund as investment options for participants.

Participant accounts - Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of (a) the Company's discretionary profit sharing contributions, if any, and (b) the Plan's earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Participants become 100% vested in the Company's matching and profit sharing contributions plus actual earnings thereon after one year of service. Participants are also 100% vested in the event of death or disability, as defined in the plan document, or termination of service after attaining 65 years of age.

Forfeitures - Forfeitures are first used to pay the Plan's expenses, and then may be used to reduce the Company's contributions to the Plan. Forfeitures during the years ended December 31, 2021 and 2020 amounted to approximately \$101,000 and \$51,000, respectively. Unallocated forfeitures as of December 31, 2021 and 2020 amounted to approximately \$9,000 and \$34,000, respectively. During the years ended December 31, 2021 and 2020, forfeitures were used for the Plan's expenses or to offset the Company's contributions.

EMBRAER AIRCRAFT HOLDING, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All notes have a definite repayment period, not to exceed five years, or fifteen years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Under the provisions of the CARES Act, the available loan limit was increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The CARES Act also delayed loan payments for a COVID-19 qualified individual for any loan outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extended the loan for up to one year. This increased loan limit was allowed to be taken from March 27, 2020 through September 22, 2020.

Payment of benefits - Upon termination of service due to death, disability, retirement, severance of employment with the Company, or qualifying under certain "hardship" rules as prescribed by the Internal Revenue Service ("IRS"), a participant may elect to receive distributions from the Plan. Participants may also receive in-service distributions upon attaining 59 ½ years of age. Distributions of \$1,000 or less will be made in a lump-sum payment. All other distributions may be in the form of a lump-sum payment, installments, a rollover distribution, or an annuity.

Under the provisions of the CARES Act, eligible participants were permitted to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus related reasons. These reasons included the participant, spouse, or dependent diagnosed with COVID-19, or adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced, or being unable to work due to a lack of childcare due to COVID-19. The special coronavirus related distributions waived the 10% early withdrawal penalty and were allowed to be taken between March 27, 2020 and December 30, 2020.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting as required by accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

EMBRAER AIRCRAFT HOLDING, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains distributions from mutual funds are recorded as dividend income. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included on the statements of changes in net assets available for benefits. Other expenses, such as recordkeeping, consulting, and certain professional fees, have been paid by the Plan during the years ended December 31, 2021 and 2020, and have been recorded as administrative expenses on the statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation in fair value of investments.

(3) Information prepared and certified by the trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A. ("Bank of America"), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

EMBRAER AIRCRAFT HOLDING, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(4) **Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of the Plan's assets and liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust fund: A stable value fund composed primarily of fully benefit-responsive investment contracts valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require advance notice in order to ensure that securities liquidations will be carried out in an orderly business manner.

Money market fund: Valued at the quoted NAV of shares held by the Plan at year-end.

EMBRAER AIRCRAFT HOLDING, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 159,567,451	\$ -	\$ -	\$ 159,567,451
Total assets in the fair value hierarchy	\$ 159,567,451	\$ -	\$ -	159,567,451
Investment measured at NAV practical expedient*				10,293,893
				<u>\$ 169,861,344</u>

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 143,704,931	\$ -	\$ -	\$ 143,704,931
Total assets in the fair value hierarchy	\$ 143,704,931	\$ -	\$ -	143,704,931
Investment measured at NAV practical expedient*				11,235,252
				<u>\$ 154,940,183</u>

* In accordance with Subtopic 820-10, the common/collective trust fund, which is valued at NAV, has not been classified in the fair value hierarchy. The fair value amounts presented in the preceding tables are intended to permit a reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

The common/collective trust fund included in the preceding tables is a direct filing entity, and as such, the disclosure of the investment objective is not required. This fund is redeemed on a daily basis and does not have any redemption restrictions. Additionally, there are no unfunded commitments.

(5) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in the Company's contributions.

(6) Tax status

The IRS has determined and informed the Company by a letter dated June 13, 2014 that the Plan and the related trust are designed in accordance with the applicable sections of the Code. Although the Plan has been amended since the date of this letter, the Plan's management believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the Code.

EMBRAER AIRCRAFT HOLDING, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(6) **Tax status (continued)**

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

(7) **Related party transactions and party-in-interest transactions**

Bank of America is the Plan's trustee, as defined by the Plan, and therefore, transactions involving Bank of America qualify as party-in-interest. Merrill Lynch, Pierce, Fenner and Smith is an affiliate of Bank of America and provides recordkeeping services to the Plan. Additionally, Merrill Lynch Consulting Services has provided consulting services to the Plan. Therefore, transactions with these Merrill Lynch entities also qualify as party-in-interest.

Fees paid by the Plan to the above entities and other service providers during the years ended December 31, 2021 and 2020 aggregated \$118,941 and \$150,994, respectively. These amounts have been included in administrative expenses on the statements of changes in net assets available for benefits. Certain other investment related fees incurred by the Plan have been included in net appreciation in fair value of investments as they are paid through revenue sharing, rather than as a direct payment. The Company has directly paid all other fees related to the Plan's operations.

Additionally, during the years ended December 31, 2021 and 2020, the Plan received approximately \$34,000 and \$43,000, respectively, in revenue sharing and other reimbursements from parties-in-interest.

(8) **Risks, uncertainties, and concentrations**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events, such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

As of December 31, 2021, two of the Plan's investments aggregated approximately 22% of the Plan's total investments. As of December 31, 2020, three of the Plan's investments aggregated approximately 34% of the Plan's total investments.
