**VITEC USA SAVINGS PLAN
FOR THE YEAR ENDED DECEMBER 31, 2021**

Independent Auditor's Report

October 12, 2022

To the Trustees
Vitec USA Savings Plan
New York, NY

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Vitec USA Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vitec USA Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications Fidelity Management Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**VITEC USA SAVINGS PLAN
FOR THE YEAR ENDED DECEMBER 31, 2021**

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vitec USA Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vitec USA Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**VITEC USA SAVINGS PLAN
FOR THE YEAR ENDED DECEMBER 31, 2021**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vitec USA Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vitec USA Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i – assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**VITEC USA SAVINGS PLAN
FOR THE YEAR ENDED DECEMBER 31, 2021**

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statements of Vitec USA Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**VITEC USA SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

NOTE 1 - PLAN DESCRIPTION

The following is a brief description of Vitec USA Savings Plan (the "Plan"). It is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan available to all employees of companies owned by VitecUS Holdings Inc., formerly known as Vitec Group US Holdings, Inc. ("Vitec"), which is a subsidiary of The Vitec Group plc. Participating companies owned by Vitec include: Vitec Imaging Distribution Inc. (f/k/a Manfrotto Distribution Inc.); Teradek LLC; SmallHD LLC; Vitec Production Solutions Inc. (f/k/a Vitec Videocom Inc.); Offhollywood LLC; Quasar Sciences, LLC; and Wooden Camera, Inc. The participating companies mentioned above are collectively referred to as the "Company" or "Companies". The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by Vitec. All Plan investments are held by Fidelity Management Trust Company ("FMTC"), which serves as the trustee.

Eligibility

Each employee shall be eligible to participate in the Plan upon employment, except for employees who are covered by a collective bargaining agreement or a resident of Puerto Rico.

Contributions

The Plan provides for three categories of contributions:

- a) ***Elective Deferrals*** – An eligible employee may elect a reduction of compensation not to exceed 60% of such compensation. Contributions are subject to annual statutory limitations. The Plan also allows for after-tax (Roth) contributions. Effective June 25, 2020, The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the plan unless they affirmatively elect not to participate in the plan. Employees who were hired or rehired after June 15, 2017, will be automatically enrolled to defer at 3% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. The investment of contributions is directed into the various investment options offered by the Plan.
- b) ***Employer Contributions*** – The Employer may make discretionary matching contributions for participants who completed three months of service. Discretionary elective matching contributions are made in accordance with Plan provisions. A discretionary nonelective contribution may be contributed at the option of the Company's board of directors. Eligibility for both elective and non-elective contributions require participants to complete three months of service and 1,000 hours during the respective year and to be employed as of the last day of the year. The Company made elective matching contributions of \$743,090 and \$543,395, respectively, for the years ended December 31, 2021 and 2020. The Company did not make non-elective employer contributions for 2021 or 2020.
- c) ***Rollovers*** – The Plan allows participants to transfer contributions into the Plan from another qualified plan.

NOTE 1 - PLAN DESCRIPTION CONTINUED

Participant Accounts

Participants are provided with a selection of investment vehicles. Earnings are credited to each participant's account based upon the performance of the respective vehicle selected by the participant. Each investment account is revalued daily on the basis of fair market value and is adjusted accordingly. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments

Benefits are recorded when paid. Upon termination of service due to death, disability or retirement, a participant or designated beneficiary may elect to receive his or her vested benefit in the form of a lump sum. Upon termination of service, a participant with a balance below \$5,000 may receive a lump-sum amount equal to the value of his or her account, which may be distributed without the participant's consent, provided that such distributions of vested balances exceeding \$1,000 are distributed to an IRA for the participant's benefit.

Vesting

Participants are vested immediately in their contributions, rollovers and transfer contributions and earnings thereon. The following is the vesting schedule in the Company's discretionary matching contributions:

<u>Years of Service</u>	<u>Percentage</u>
1	25%
2	50%
3 or more	100%

The following is the vesting schedule in the Company's discretionary nonelective contributions:

<u>Years of Service</u>	<u>Percentage</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participant Loans

The Plan has a loan provision that allows participants to borrow amounts from a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.5% and have terms ranging between one and five years. Principal and interest is repaid in level payments on at least a quarterly basis over a period not to exceed five years.

NOTE 1 - PLAN DESCRIPTION CONTINUED

Forfeitures

Forfeitures are used to pay Plan expenses or to reduce employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$68,402 and \$132,666, respectively. In 2021 and 2020, employer contributions were reduced by \$33,960 and \$60,118 from forfeited nonvested accounts, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Expenses

Vitec pays for various costs of maintaining the Plan. Certain administrative expenses paid to the trustee for investment management services and other recordkeeping services are paid by the Plan.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Subsequent Events

The Plan has evaluated all events and transactions that occurred after December 31, 2021, up through the date that these financial statements were available to be issued on October 12, 2022.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year as well as held at the year end. Purchases and sales of securities are recorded on a trade date basis.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information marked “Certified by Trustee,” which was certified by Fidelity Management Trust Company (the “Trustee”) as of December 31, 2021, and for the year ended December 31, 2021, except for comparing such information certified by the Trustee to information included in the Plan’s financial statements and supplemental schedule of assets held for investment purposes at end of year.

NOTE 4 - TAX STATUS

The Plan obtained its latest favorable determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan was qualified pursuant to Section 401(a) of the Internal Revenue Code and that the Plan's net investment income is exempt from income taxes. The Plan has been amended since receiving the determination letter. Plan management believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions.

VITEC USA SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, a common collective trust and money market fund managed by the Trustee. Accordingly, these transactions qualify as party-in-interest transactions. Fund earnings are recorded net of investment fees charged by the Trustee. Fees paid by the Plan for investment management services for 2021 and 2020 amounted to \$10,496 and \$15,889, respectively. Such amounts are included in the accompanying statement of changes in net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 – COMMON COLLECTIVE TRUST

The Plan has an investment option in which participants may elect to invest in a common collective trust. This common collective trust is comprised of guaranteed investment contracts (“GICs”), separate account guaranteed investment contracts (SGICs”), synthetic guaranteed investment contracts (“SICs”), money market mutual funds and other stable value products (collectively, “CCTs”). Plan assets invested in a common collective trust that is indirectly invested in CCTs are valued at NAV. The average yields were approximately .77% and 1.51% for the years ended December 31, 2021 and 2020, respectively.

Certain events limit the ability of CCTs to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring. As of December 31, 2021 and 2020, the contract value of the common collective trust was \$590,256 and \$902,862, respectively.

** Common collective trust – In accordance with Subtopic 20-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net asset available for benefits.

Money market fund has the carrying value which approximates fair value because the instruments are liquid in nature.

Mutual funds are valued at quoted market prices, which represent the net asset value of the securities held in such funds.

Self-directed Brokerage Account has the carrying value which approximates fair value because the instruments are liquid in nature. Funds may be invested in separate investment accounts, such as mutual funds and money market funds. Unit valuation is based on underlying net asset value of the investments and prices are updated daily.

NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no significant transfers between levels during the years ended December 31, 2021 and 2020.

NOTE 9 – SUBSEQUENT EVENT - PLAN NAME CHANGE

August 1, 2022 the Plan formally changed names from Vitec USA Savings Plan to Videndum USA Savings Plan.
