INDEPENDENT AUDITOR'S REPORT

September 15, 2022

To the Plan Administrator of the
Credit Union West 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Credit Union West 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of the
Credit Union 401(k) Plan

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

To the Plan Administrator of the
Credit Union 401(k) Plan
Page 3

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Credit Union 401(k) Plan

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the Plan's 2020 financial statements. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 1 - Description of the Plan

General

The Credit Union West 401(k) Plan (the Plan) is a 401(k) defined contribution Plan that was established on June 1, 1983 by Credit Union West (the Credit Union). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Administration

The Plan Administrator is the Credit Union. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator has formed a Retirement Plan Committee made up of members of the Credit Union's management team. The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan's trustee is the Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company. The Plan has retained Principal Life Insurance Company Retirement Processing Services to provide participant recordkeeping and administrative services.

Eligibility

The Plan covers all employees of the Credit Union who are age 18 or older and have completed 30 days of service as defined by the Plan.

Contributions to the Plan

Each pay period, participants may make salary deferred contributions to the Plan. The Plan has an automatic enrollment feature for new employees of the Credit Union at a deferral rate of 6% of compensation as defined by the Plan document. The Plan also has an auto-escalation feature, whereby each participant's deferral rate will increase by 1% on February 1st of each year up to 10%.

The Credit Union makes matching contributions equal to 100% of elective deferrals up to a maximum of 5% of compensation that a participant contributes to the Plan. The Credit Union may also make additional discretionary contributions which are not limited to current or accumulated net profit. Contributions are subject to certain limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

CREDIT UNION WEST
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan (Continued)

Participant Accounts

Each participant's account is increased by the participant's contributions and allocation of (a) the Credit Union's contributions and (b) Plan earnings, and reduced by distributions and administrative expenses. Allocations are based on participants' earnings, account balances, or specific participation transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the balance in the participant's account. Loan terms may not exceed a maximum of five years unless used for the purchase of a primary residence. Interest rates on loans outstanding as of December 31, 2021 range from 3.25% to 5.50% and payments are made through payroll deductions.

Payment of Benefits

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive the value of the vested interest in his or her account in a lump-sum distribution, in the form of an annuity, or in equal installments. A lump-sum distribution is required if a participant's vested balance is less than \$5,000. In addition, a mandatory distribution will be made if a participant's vested balance is less than \$1,000. In-service distributions are permitted for participants who have not separated employment and have attained age 59½. Further, hardship distributions are permitted if certain criteria are met.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Credit Union's contribution portion of their account plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of service.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset the Plan's administrative expenses or reduce the Credit Union's contributions. During the year ended December 31, 2021, approximately \$60,000 in forfeitures were used to reduce the Credit Union's contributions. The forfeiture account maintained a zero balance as of December 31, 2021 and 2020.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make use of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the Plan's trustee. See Note 4 for discussion of fair value measurements.

The purchase and sale of investments is recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

CREDIT UNION WEST
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

Fees and Expenses

Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees associated with distributions and the administration of participant notes receivable are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 15, 2022, the date the financial statements were available to be issued.

Effective February 18, 2022, the Plan was amended and restated in its entirety.

Note 3 - Unaudited Information Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee, as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying statements of Net Assets Available for Benefits as of December 31, 2021 and 2020,
2. All investment activity reflected in the statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021,
3. All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, and
4. Notes receivable from participants as of December 31, 2021 and 2020 and the related income on notes receivable from participants for the year ended December 31, 2021.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

**CREDIT UNION WEST
401(k) PLAN**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 4 - Fair Value Measurements (Continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 or 2020.

Pooled separate accounts (PSAs): Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is used as a practical expedient to estimate the fair value.

Mutual funds: Valued at the daily closing market price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish a daily market price and to transact at that value. The registered investment companies held by the Plan are deemed to be actively traded.

Guaranteed interest fund: Valued at fair value as determined by Principal, the contract issuer. The fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5 - Party-in-Interest Transactions

Certain Plan investments are managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, who is the Investment Custodian. During the year ended December 31, 2021, the Plan paid direct compensation of approximately \$102,000 to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

CREDIT UNION WEST
401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Plan Amendment and Tax Status

The Plan is structured under a prototype non-standardized 401(k) plan developed by Principal Life Insurance Company, which received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2014. However, the Credit Union has not filed a request with the IRS for a determination letter of their specific version of the Plan assessing that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan documents was most recently amended, effective March 27, 2020. However, there were no significant changes from the prior Plan document.

GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the DOL or the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
